Native North America Alfred Louis Kroeber, *The Adapted Mind* Jerome H. Barkow, Leda Cosmides, John Tooby, 1992 Although researchers have long been aware that the species typical architecture of the human mind is the product of our evolutionary history it has only been in the last three decades that advances in such fields as evolutionary biology cognitive psychology and paleoanthropology have made the fact of our evolution illuminating Converging findings from a variety of disciplines are leading to the emergence of a fundamentally new view of the human mind and with it a new framework for the behavioral and social sciences First with the advent of the cognitive revolution human nature can finally be defined precisely as the set of universal species typical information processing programs that operate beneath the surface of expressed cultural variability Second this collection of cognitive programs evolved in the Pleistocene to solve the adaptive problems regularly faced by our hunter gatherer ancestors problems such as mate selection language acquisition co operation and sexual infidelity Consequently the traditional view of the mind as a general purpose computer tabula rasa or passive recipient of culture is being replaced by the view that the mind resembles an intricate network of functionally specialized computers each of which imposes contentful structure on human mental organization and culture *The Adapted Mind* explores this new approach evolutionary psychology and its implications for a new view of culture *Symbolic Immortality* Sergei

Kan, 2015-12-01 Decades after its initial publication *Symbolic Immortality* retains its status as the most comprehensive analysis of the mortuary practices of the Tlingit Indians of southeastern Alaska or any other indigenous culture of the Northwest Coast This updated and expanded edition furthers our understanding of the potlatch koo ex as a total social phenomenon with emotional and religious as well as economic and sociopolitical dimensions The result is a major contribution to both Northwest Coast ethnology and theoretical literature on the anthropology of death *Georgian Geographies* Miles Ogborn, Charles W. J. Withers, 2004 This text provides an interdisciplinary examination of the geographical

nature of culture and society in 18th century Britain and the British world The book's introduction identifies the key areas of study as the geographical constitution of empire the Enlightenment and the public sphere These themes are explored by examining the connections between space place and landscape in the 18th century in relation to the emergent empire in the Caribbean and north west America and Britain itself Under consideration are topics such as landscape art London's art world geography books mapping the geography of erotic fiction provincial science and the production of domestic space in the early English novel This collection offers substantial empirical evidence and should be a valuable contribution to 18th century studies for research and teaching staff postgraduates and advanced undergraduate students in geography history literary studies the history of art postcolonial studies and the history of science

Being and Place among the Tlingit Thomas F. Thornton, 2011-07-01 In *Being and Place among the Tlingit* anthropologist Thomas F. Thornton examines the concept of place in the language social structure economy and ritual of southeast Alaska's Tlingit Indians Place signifies not only a specific geographical location but also reveals the ways in which individuals and social groups define themselves The notion of place consists of three dimensions space time and experience which are culturally and environmentally structured Thornton examines each in detail to show how individual and collective Tlingit notions of place being and identity are formed As he observes despite cultural and environmental changes over time particularly in the post-contact era since the late eighteenth century Tlingits continue to bind themselves and their culture to places and landscapes in distinctive ways He offers insight into how Tlingits in particular and humans in general conceptualize their relationship to the lands they inhabit arguing for a study of place that considers all aspects of human interaction with landscape In Tlingit it is difficult even to introduce oneself without referencing places in Lingít Aani Tlingít Country Geographic references are embedded in personal names clan names house names and most obviously in k'waan names which define regions of dwelling To say one is Sheetka K'waan defines one as a member of the Tlingit community that inhabits Sheetka Sitka *Being and Place among the Tlingit* makes a substantive contribution to the literature on the Tlingit

the Northwest Coast cultural area Native American and indigenous studies and to the growing social scientific and humanistic literature on space place and landscape

Foundations of Social Inequality T. Douglas Price, Gary M. Feinman, 2013-06-29 In this authoritative volume leading researchers offer diverse theoretical perspectives and a wide range of information on the beginnings and nature of social inequality in past human societies Their illuminating work investigates the role of status differentiation in traditional archaeological debates and major societal transitions This volume features numerous case studies from the Old and New World spanning foraging societies to agricultural groups and complex states Diachronic in view and archaeological in focus this book will be of significant interest to archaeologists anthropologists and students

A Companion to the Anthropology of American Indians Thomas Biolsi, 2008-03-10 This Companion is comprised of 27 original contributions by leading scholars in the field and summarizes the state of anthropological knowledge of Indian peoples as well as the history that got us to this point Surveys the full range of American Indian anthropology from ecological and political economic questions to topics concerning religion language and expressive culture Each chapter provides definitive coverage of its topic as well as situating ethnographic and ethnohistorical data into larger frameworks Explores anthropology's contribution to knowledge its historic and ongoing complicities with colonialism and its political and ethical obligations toward the people studied

Native American Sovereignty John R. Wunder, 1996 Contemporary and historical perspectives on American Indian Rights Freedoms and Sovereignty

Prehistoric Copper Mining in Michigan John R. Halsey, 2018-01-01 Isle Royale and the counties that line the northwest coast of Michigan's Upper Peninsula are called Copper Country because of the rich deposits of native copper there In the nineteenth century explorers and miners discovered evidence of prehistoric copper mining in this region They used those ancient diggings as a guide to establishing their own much larger mines and in the process destroyed the archaeological record left by the prehistoric miners Using mining reports newspaper accounts personal letters and other sources this book reconstructs what these nineteenth century discoverers found how they interpreted the material remains of prehistoric activity and what they did with the stone wood and copper tools they found at the prehistoric sites This volume represents an exhaustive compilation of the early written and published accounts of mines and mining in Michigan's Upper Peninsula It will prove a valuable resource to current and future scholars Through these early historic accounts of prospectors and miners Halsey provides a vivid picture of what once could be seen John M O Shea curator of Great Lakes Archaeology University of Michigan Museum of Anthropological Archaeology

Chiefdoms, Collapse, and Coalescence in the Early American South Robin Beck, 2013-06-24 This book provides a new conceptual framework for understanding how the Indian nations of the early American South emerged from

the ruins of a precolonial Mississippian world A broad regional synthesis that ranges over much of the Eastern Woodlands its focus is on the Indians of the Carolina Piedmont the Catawbas and their neighbors from 1400 to 1725 Using an eventful approach to social change Robin Beck argues that the collapse of the Mississippian world was fundamentally a transformation of political economy from one built on maize to one of guns slaves and hides The story takes us from first encounters through the rise of the Indian slave trade and the scourge of disease to the wars that shook the American South in the early 1700s Yet the book s focus remains on the Catawbas drawing on their experiences in a violent unstable landscape to develop a comparative perspective on structural continuity and change *The Sociopolitical Structure Of Prehistoric Southwestern Societies* Steadman Upham,Kent G Lightfoot,Roberta A. Jewett,2019-06-26 This book examines current archaeological approaches for studying the organizational structure of prehistoric societies in the American Southwest It presents the historical background of the divergent theoretical models that have been used to interpret Southwestern socio political organizations **Archaeology at the Millennium** Gary M. Feinman,T. Douglas Price,2007-10-17 An internationally distinguished roster of contributors considers the state of the art of the discipline of archaeology at the turn of the 21st century and charts an ambitious agenda for the future The chapters address a wide range of topics including paradigms practice and relevance of the discipline paleoanthropology fully modern humans holocene hunter gatherers the transition to food and craft production social inequality warfare state and empire formation and the uneasy relationship between classical and anthropological archaeology **Manifesting Power** Tracy L. Sweely,2012-10-02 Power relations among humans have likely been a topic of interest since long before any historical claims to its nature were proffered This book recognizes that power and gender may be rooted in the experience of power in western society The Development of Political Organization in Native North America ,1983
