[A History of Israel](#) Howard M. Sachar, 2013-07-31 First published in 1976 Howard M Sachar s A History of Israel From the Rise of Zionism to Our Time was regarded one of the most valuable works available detailing the history of this still relatively young country Decades later readers can again be immersed in this monumental work The second edition of this volume covers topics such as the first of the Aliyahs in the 1880s the rise of Jewish nationalism the beginning of the political Zionist movement and later how the movement changed after Theodor Herzl the Balfour Declaration the factors that led to the Arab Jewish confrontation Palestine and its role both during the Second World War and after the war of independence and the many wars that followed it over the next few decades and the development of the Israeli republic and the many challenges it faced both domestic and

foreign and still faces today This is a truly enriching and exhaustive history of a nation that holds claim to one of the most complicated and controversial histories in the world The Handbook of Israel's Political System Itzhak Galnoor,Dana Blander,2018-04-30 There is growing interest in Israel s political system from all parts of the world This Handbook provides a unique comprehensive presentation of political life in Israel from the formative pre state period to the present The themes covered include political heritage and the unresolved issues that have been left to fester the institutional framework the Knesset government judiciary presidency the state comptroller and commissions of inquiry citizens political participation elections political parties civil society and the media the four issues that have bedevilled Israeli democracy since its establishment security state and religion the status of Israel s Arab citizens and economic inequities with concomitant social gaps and the contours of the political culture and its impact on Israel s democracy The authors skilfully integrate detailed basic data with an analysis of structures and processes making the Handbook accessible to both experts and those with a general interest in Israel The Jews Yehuda Bauer,2014 For the last fifty years I have been studying the genocide of the Jews which we call the Holocaust For the last thirty years I have been studying antisemitism and for the last fifteen years genocide generally and ways to prevent it That is the prism through which I view Jewish history past and present I prefer to look at it from a contemporary point of view That is also the way I view human history in general It is quite possible that this view from the present to the past is decisively influenced by the fact that my professional life is determined by the most tragic and serious issues that any historian and most certainly a Jewish one can deal with the Holocaust antisemitism and genocide Yehuda Bauer Series LIT Premium Subject Sociology Jewish Studies History Israel at the Polls 2003 M.
