

Political Parties of Eastern Europe: A Guide to Politics in the Post-communist Era

**A Guide to Politics in the Post-communist
Era**

Janusz Bugajski

Political Parties In Post Communist Eastern Europe

Paul Lewis

Political Parties In Post Communist Eastern Europe:

Political Parties in Post-communist Eastern Europe Paul G. Lewis, 2000 International Relations Theory and the Politics of European Integration focuses on the roles of community power and security within the European Union Political Parties in Post-Communist Eastern Europe Paul Lewis, 2002-01-04 Political Parties in Post Communist Eastern Europe is the first textbook to survey the course of party developments in eastern Europe as a whole in the post Communist period This book relates the specifics of the post communist situation to the broader picture of the early stages of party development in western Europe and also to contemporary models of party organisation in established democracies The book includes a brief historical introduction to the context of post communist change the process of competitive party formation and democratic elections the development of independent parties their ideologies and electoral volatility the structure and level of organisation developed by new parties an analysis of stable party systems which have emerged in eastern Europe and the contribution they make to emerging democracies in the region Party Politics in Post Communist Eastern Europe will be a comprehensive and invaluable resource accessible to undergraduates of politics and European studies as well as the non specialist reader **Centre-Right Parties in Post-Communist East-Central Europe** Seán Hanley, Aleks

Szczerbiak, 2020-09-10 This is the first book to cover the centre right in post communist Eastern Europe It makes a vital contribution to the broader research agenda on the Central and East European centre right by focusing on one specific question why strong and cohesive centre right formations have developed in some post communist states but not others It also delves into the attempts to develop centre right parties after 1989 in four nations the Czech Republic Hungary Poland and Slovakia The authors of these fresh case studies use a common analytical framework to analyse and provide fascinating insights into the varying levels of cohesion in centre right parties across the region This volume was previously published as a special issue of the Journal of Communist Studies and Transition Politics Political Parties and the State in

Post-Communist Europe Petr Kopecky, 2007-10-11 It is not possible to understand the nature and functioning of post communist political parties without understanding their relationship with the state On the one hand few parties in the region would be able to survive and perform without state resources as they lack strong roots within the wider society On the other hand the relatively weak st Political Parties of Eastern Europe: A Guide to Politics in the Post-communist Era Janusz

Bugajski, 2020-09-10 This comprehensive one volume guide to politics in Eastern Europe provides a wealth of information on the region The author outlines the emergent political spectrum of parties and coalitions which are described in the 20 country chapters that make up the heart of the book Parties are classified across the political spectrum and discussed individually in terms of programs leadership and political activity Tables at the end of each country chapter present basic political data and electoral results A concluding essay evaluates democratic development in the region *Elections, Parties and Representation in Post-Communist Europe* F. Millard, 2016-01-08 Elections Parties and Representation in Post

Communist Europe 1990 2002 stresses the ways in which the development of political parties affected the quality of democracy the nature of political representation and political accountability in the early stages of post communist politics It also analyzes the nature and consequences of the corpus of parliamentary candidates and deputies for the representation of social classes women and minorities In contrast with the wide social profile of communist parliaments politics largely became the playground of new highly educated male elites

Central and Eastern Europe After Transition Wojciech Sadurski, 2016-04-08 How have national identities changed developed and reacted in the wake of transition from communism to democracy in Central and Eastern Europe Central and Eastern Europe After Transition defines and examines new autonomous differences adopted at the state and the supranational level in the post transitional phase of the post Communist area and considers their impact on constitutions democracy and legal culture With representative contributions from older and newer EU members the book provides a broad set of cultural points for reference Its comparative and interdisciplinary approach includes a useful selection of bibliographical resources specifically devoted to the Central Eastern European countries transitions

Party Development and Democratic Change in Post-communist Europe Paul G. Lewis, 2024-02-02 This work surveys processes of party development in the context of the ten years of democratic change in post communist eastern Europe It examines the capacity of the former ruling parties to attract contemporary voters and their role in contributing to the consolidation of the new democratic regimes

Political Parties in the Russian Regions Derek S. Hutcheson, 2005-08-03 Since the break up of the Soviet Union in 1991 Russia's party system has suffered a difficult and turbulent infancy Moscow based parties have had only very limited territorial penetration and fragmentation has been one of its most significant features Based on extensive fieldwork in three Russian regions this book examines the development of the country's party system and the role played by parties in regional politics Using a comparative approach it scrutinises the internal structures and activities of the parties looks at their decision making processes their everyday party life the activities of party members and the role of regional party organisations in federal and local election campaigns

Party Politics in New Democracies Paul Webb, Stephen White, 2007-09-20 Comparative Politics is a series for students and teachers of political science that deals with contemporary government and politics The General Editors are Professor Alfio Mastropaolo University of Turin and Kenneth Newton University of Southampton and Wissenschaftszentrum Berlin The series is published in association with the European Consortium for Political Research The sister volume to Political Parties in Advanced Industrial Democracies this book offers a systematic and rigorous analysis of parties in some of the world's major new democracies Drawing on a wealth of expertise and data the book assesses the popular legitimacy organizational development and functional performance of political parties in Latin America and postcommunist Eastern Europe It demonstrates the generational differences between parties in the old and new democracies and reveals contrasts among the latter Parties are shown to be at their most feeble in those recently transitional democracies characterized by personalistic

candidate centred forms of politics but in other new democracies especially those with parliamentary systems parties are more stable and institutionalized enabling them to facilitate a meaningful degree of popular choice and control Wherever party politics is weakly institutionalized political inequality tends to be greater commitment to pluralism less certain clientelism and corruption more pronounced and populist demagoguery a greater temptation Without party democracy s hold is more tenuous

Party Politics in Central and Eastern Europe Tim Houghton, 2013-09-13 What impact has EU membership had on party politics in Central and Eastern Europe Although there is an emerging body of literature on the Europeanization of political parties most of these accounts focus exclusively on Western Europe Drawing on a range of qualitative and quantitative approaches including detailed studies of party programmes and manifestos analysis of the media semi structured interviews and expert surveys this collection provides not just conceptually informed but also empirically rooted analyses of party politics in Central and Eastern Europe during the first four years of EU membership In particular the contributions assess the impact of EU membership on parties internal balance of power the use of European issues in inter party competition the role of transnational party federations and the broader role the EU plays in party politics The findings not only shed light on the impact of EU membership on party organization and programmes they also inform broader debates concerning the dynamics fluidity and motors of party politics in Central and Eastern Europe This book was based on a special issue of Journal of Communist Studies and Transition Politics

Origin, Ideology and Transformation of Political Parties Vít Hloušek, Lubomír Kopeček, 2016-05-13 Two decades have passed since the transition to democracy began in Eastern Europe Today West and East Central European countries share a common political space the European Union This has created a fascinating opportunity for analysis of the similarities and differences between these countries Here V t Hloušek and Lubom r Kopeček critically apply the party families approach to political parties in the Czech Republic Hungary Poland Slovakia and Slovenia With chapters devoted to social democrats greens the far right and left amongst many others this book charts the parties origins ideologies and international ties alongside their Western European counterparts By examining the political relevance of different party families Hloušek and Kopeček are able to assess the validity of this typology in the analysis of the transformation of political parties in this region Detailed analysis coupled with an innovative application of the party families approach makes this essential reading for students of party politics

Developments in Central and East European Politics 5 Stephen White, Judy Batt, 2013-08-30 The new edition of this market leading text brings together specially commissioned chapters by a team of top international scholars on the changing politics of this diverse region negotiating the competing pulls of the European Union and post communist Russia

Pan-European Perspectives on Party Politics Paul Lewis, Paul Webb, 2021-10-01 In this book an international team of specialists reflects more than a dozen years after the fall of the Berlin Wall on the implications of that momentous conjuncture for the study of party politics in Europe In particular the authors and editors seek to address two inter connected questions To what extent is

there evidence of convergence in patterns of party politics across Eastern and Western Europe And how far has the theory of parties and party systems coped with the emergence of democratic politics in Eastern Europe In a wideranging and stimulating set of essays these issues are confronted in respect of themes such as the impact of institutional contexts like electoral systems and presidentialism the evolving nature of cleavage structures party organizational developments and intra party factionalism This book will make a significant addition to any course reading list on comparative and party politics

Routledge Handbook of European Politics José Magone,2014-12-17 Since the Treaty of the European Union was ratified in 1993 the European Union has become an important factor in an ever increasing number of regimes of pooled sovereignty This Handbook seeks to present a valuable guide to this new and unique system in the twenty first century allowing readers to obtain a better understanding of the emerging multilevel European governance system that links national polities to Europe and the global community Adopting a pan European approach this Handbook brings together the work of leading international academics to cover a wide range of topics such as the historical and theoretical background the political systems and institutions of both the EU and its individual member nations political parties and party systems political elites civil society and social movements in European politics the political economy of Europe public administration and policy making external policies of the EU This is an invaluable and comprehensive resource for students scholars researchers and practitioners of the European Union European politics and comparative politics [The European Union and Party Politics in Central and Eastern Europe](#) P. Lewis,Z. Mansfeldová,2006-10-30 This book examines the influence of the EU on party politics in the ten new EU countries from a variety of perspectives and using a range of empirical sources The book thus makes an original and distinctive contribution both to contemporary EU studies and to the literature on CE party systems and party development

The Routledge Handbook of East European Politics Adam Fagan,Petr Kopecký,2017-08-15 The Routledge Handbook of East European Politics is an authoritative overview that will help a wide readership develop an understanding of the region in all its political economic and social complexity Including Central Europe the Baltic republics South Eastern Europe and the Western Balkans as well as all the countries of the former Soviet Union it is unrivalled in breadth and depth affording a comprehensive overview of Eastern European politics provided by leading experts in the fields of comparative politics international relations and public administration Through a series of cutting edge articles it seeks to explain and understand patterns of Eastern European politics today The Routledge Handbook of East European Politics will be a key reference point both for advanced level students developing knowledge about the subject researchers producing new material in the area and those interested and working in the fields of East European Politics Russian Politics EU Politics and more broadly in European Politics Comparative Politics Democratization Studies and International Relations *Parties, Trade Unions and Society in East-Central Europe* Michael Waller,Martin Myant,2022-12-30 Originally published in 1994 this volume analyses the relationship between political parties and trade unions in Poland the Czech Republic Slovakia Hungary

and Bulgaria Political parties had high visibility in the changes that took place in Eastern Europe during the 1980s and early 1990s Far less visible were the developments in the trade union sphere where the old mass organizations of the communist period now independent were joined by newly formed organizations and both played a central role in politics Party Organization and Electoral Volatility in Central and Eastern Europe Sergiu Gherghina, 2014-10-17 Political parties in post communist countries have very high levels of electoral volatility In these environments political factions fail to establish long term connections with the electorate and thus regularly rise and fall from the political arena This book provides an organizational explanation for the variations in party level electoral volatility It looks comparatively at 29 political parties in six Central and Eastern European democracies between 1990 and 2008 to examine how political parties can influence their electoral environment Using empirical evidence Gherghina tests the effect of candidate selection procedures membership organizations and re nomination of incumbent MPs on voters loyalty and in doing so demonstrates how party organization greatly affects electoral stability Including case studies from Bulgaria Czech Republic Hungary Poland Romania and Slovakia this book will be of interest to students and scholars of comparative politics party politics democratization elections and Central and Eastern European politics **Handbook of Party Politics** Richard S Katz, William J Crotty, 2006-01-26 The Handbook of Party Politics is the first book to comprehensively map the state of the art in contemporary party politics scholarship This major new work brings together the world s leading party theorists to provide an unrivalled resource on the role of parties in the pressing contemporary problems of institutional design and democratic governance today
