Political Science Fundamentals Of Political Science Ps1001:

The Fundamentals of Political Science Research Paul M. Kellstedt, Guy D. Whitten, 2013-05-20 New edition providing an introduction to the scientific study of politics refined discussions of concepts and a chapter on writing about an original research project Paperbound Books in Print, 1971-07 Regulation and Regulators after Global Financial Crises Aleksandra Jordanoska, 2024-12-31 This book provides an original theoretically and empirically grounded analysis of regulatory enforcement activism in post crisis periods and the ensuing regulatory interactions It critically addresses the more regulation enforcement agenda relating to financial misconduct in the aftermath of the 2008 financial crisis showing how misconduct was constructed through the enforcement policies and practices of the powerful UK financial conduct regulator and its interactions with the subjects of enforcement proceedings and their legal representatives during a tumultuous time in the financial markets Drawing from interviews with regulators professional intermediaries and markets participants documentary analysis of enforcement decisions and speeches and observations the volume adopts an interdisciplinary approach grounded in social constructivist perspectives on compliance and deviance regulation theory and socio legal research Through a multi dimensional analytical framework of regulatory enforcement activism that links shifts in regulatory policymaking experimentations with legal powers in information gathering legal and extra legal penalties and individual accountability and the use of enforcement tools in micro level interactions the book documents a more interventionist and punitive post crisis enforcement agenda The findings challenge current thinking in the scandal and reform literature The work argues that despite the increased focus on enforcement it is not necessarily the case that the power has tilted more towards the regulator This fine grained socio legal enquiry makes innovative and timely theoretical contributions to our understanding of the limitations of regulatory activism and regulatory control regulatory relationships the governance of financial markets and broader thinking on regulating corporations and the individuals within them It will appeal to academics researchers regulators and policymakers working in regulation across law criminology sociology and politics **Corporate Governance and Investment Management** Roger M. Barker, Iris H.-Y. Chiu, 2017-12-29 Shareholder engagement with publicly listed companies is often seen as a key means to monitor corporate malpractices In this book the authors examine the corporate governance roles of key institutional investors in UK corporate equity including pension funds insurance companies collective investment funds hedge and private equity funds and sovereign wealth funds They argue that institutions corporate governance roles are an instrument ultimately shaped by private interests and market forces as well as law and regulatory obligations and that policy makers should not readily make assumptions regarding their effectiveness or their alignment with public interest or social good Book Previews, 1950 **F & S Index International**, 1975 Fundamentals of Political Science Florentino G.
