## Political Shorts:

*Democrats do the Dumbest Things* Bill Crawford, 2011-04-01 If you think you've heard every dumb thing they've said or done think again. Outrageous, indulgent and downright dumb. That's right, we're talking about the words and deeds committed by politicians, our favorite and least favorite people in the whole world. In this hilarious collection, it's the Democrats who step up to the mike, open their mouths and insert their collective feet. Democrats do the dumbest things. Just ask any Republican who might wonder how Senator Ted Kennedy, whose legacy may have as much to do with his partying as with his party affiliation, kept his pants on long enough to serve the public. When Ted was photographed atop a twenty-two-year-old woman on a speed boat, a fellow senator quipped, "Well, Teddy, I see you've changed your position on offshore drilling." You'll howl with laughter and wince in pain at the misguided actions, bizarre statements and embarrassing moments of notable Democrats, including Hillary Clinton, Jimmy Carter, Rev. Al B. Sharpton, Ed Koch, Gary Hart, Rev. Jesse Jackson, Jerry Brown, Lyndon Johnson, and of course, Bill Clinton. Find out the latest from the presidential campaign 2000, namely, what are Al Gore and local Democratic loonies doing to keep the dumb hall of fame from running out of members. Highlights include: After the Chicago Bulls won their sixth NBA championship in 1998, Vice President Al Gore gushed, "I tell you that Michael Jackson is unbelievable." Isn't he? John F. Kennedy had this to say about aging: "There are two naked girls in the room, but I'm sitting here reading *The Wall Street Journal*." Does that mean I'm getting old? Washington, D.C. mayor Marion Barry once said, "Outside of the killing, we have one of the lowest crime rates in the country." These funny, edgy examinations of crazy political antics are sure to be as controversial as they are entertaining. Democrats will hate them, Republicans will love them, and everyone will want to read more.

**The Political Ideology of Hamas** Michael Irving Jensen, 2008-12-18 Hamas is typically portrayed in the West as nothing more than a terrorist organization. Yet as Michael Irving Jensen discovers, it also provides medical clinics, kindergartens, schools, elderly care, and football training to the population of the West Bank and Gaza. Using a combination of interviews and participant observation, Jensen examines how these forms of social engagement relate to the organization's official ideology, which is still characterized by extremism and violence. *The Political Ideology of Hamas* is the first attempt to provide a multidimensional picture of this organization by looking at how it is perceived by the leadership, the rank and file, and the ordinary Palestinians who come into contact with it. By comparing the rhetoric of the leadership with the social reality, Jensen opens up new ways of understanding Islamist movements in general.

**The New Political Capitalism** Joe Zammit-Lucia, 2022-02-03 A fascinating insight into the influence that politics has upon business practices and consumer behaviour, and the development opportunities that this can provide. *The New Political Capitalism* bridges the gap between the reality of the relationship between business and politics and the lack of familiarity of the business community, even at the most senior levels, with political thinking. The book demonstrates how businesses that develop effective political antennae can enhance their performance in the emerging age of Political Capitalism; it challenges the notion that business is or can ever be

apolitical and argues that politics the visible reflection of social values and cultural trends shapes the environment in which business operates More and more people are becoming politicised in the sense that they have strong views about how our societies should function and the role that business must play Socio political issues increasingly affect purchasing decisions with the marketplace becoming one way in which citizens express their political identity the rise of what some have called political consumerism Markets themselves are politically constructed and investors increasingly focus on corporations political positions Drawing upon extensive research and case studies this book weaves together socio political trends with business purpose strategy and operations From why businesses exist at all to the importance of diversity and what a company stands for both culturally and politically *The New Political Capitalism* dissects the new opportunities available for those businesses that can develop effective political antennae *Republicans Do the Dumbest Things* Bill

Crawford,2000-05-05 Bill Crawford follows up his hit books *Rock Stars do the Dumbest Things* and *Movie Stars do the Dumbest Things* with a volume that reinforces what we ve known all along *Republicans do the Dumbest Things* From George Bush barfing on the Japanese prime minister to Ronald Reagan s announcement of nuclear war *Republicans do the Dumbest Things* is the first book to celebrate and catalogue the hilarious heritage of the GOP This collection includes all the misguided actions bizarre statements and embarrassing moments of notable GOP members including Bob Dole Helen Chenoweth Pat Buchanan George W Bush David Duke Gerald Ford Ronald Reagan Rudolph Giuliani Jesse Helms Strom Thurmond Richard Nixon and Dan Quayle *Republicans do the Dumbest Things* is the perfect book for Election 2000 a funny edgy examination of Republican antics this is sure to be as controversial as it is entertaining Democrats will love it Republicans will hate it And everyone will want it **Politics, Art and Commitment in the East European Cinema** D.W. Paul,1983-06-18 [Here's Looking at You](#) Ernest D. Giglio,2010 Now in its third edition *Here s Looking at You* Hollywood Film and Politics examines the tangled relationship between politics and Hollywood which manifests itself in celebrity involvement in political campaigns and elections and in the overt and covert political messages conveyed by Hollywood films The book s findings contradict the film industry s assertion that it is simply in the entertainment business and examines how while the majority of Hollywood films are strictly commercial ventures hundreds of movies ranging from *Birth of a Nation* to *Capitalism* do indeed contain political messages This new edition has been updated with new photos and cartoons and includes two new chapters one on Afghan Iraqi war films and the other on the treatment of race and gender in Hollywood films that are sure to stimulate discussion *Here s Looking at You* serves as a basic text for political film courses and as a supplement in American government and film studies courses and will also appeal to film buffs and people in the film industry *The Poetry Reader* Mark Yakich,2024-12-12 You have picked up this book because you are a poetry reader Or you are about to be one Because as soon as you read a poem that s what you are Filled with the profound the lyrical the consoling and the curious *The Poetry Reader* An Anthology is the book you would hope to find if you washed up alone on a deserted island this companionable

collection shows how poetry itself is a discussion alive and flowing and how poems speak to with and sometimes over one another If you are a teacher this is the anthology you wish you had as a student a text that doesn't try to survey entire time periods or aesthetic areas but one that places side by side carefully selected poems that speak to each other over time as well as to today's readers Section header notes provide critical commentary framing the poems within their given topic Discussion and writing suggestions give interesting and actionable prompts Works as a standalone book or can easily be used alongside Poetry A Survivor's Guide 2nd ed Drawing on traditional poems and contemporary works this anthology offers globe spanning stylistically diverse poetry ranging from canonical poems by the likes of Sappho and Shakespeare to those of new voices such as Layli Long Soldier and Mukoma wa Ngugi As a compact eclectic and approachable collection based on specific aspects of poetry and poetic practices from identity and metaphor to sublimation and spirituality The Poetry Reader acts as a guide to understanding the essentials of both reading and writing poetry

**Showbiz Politics** Kathryn Cramer Brownell, 2014-11-24 Conventional wisdom holds that John F Kennedy was the first celebrity president in no small part because of his innate television savvy But as Kathryn Cramer Brownell shows Kennedy capitalized on a tradition and style rooted in California politics and the Hollywood studio system Since the 1920s politicians and professional showmen have developed relationships and built organizations institutionalizing Hollywood styles structures and personalities in the American political process Brownell explores how similarities developed between the operation of a studio planning a successful electoral campaign and ultimately running an administration Using their business and public relations know how figures such as Louis B Mayer Bette Davis Jack Warner Harry Belafonte Ronald Reagan and members of the Rat Pack made Hollywood connections an asset in a political world being quickly transformed by the media Brownell takes readers behind the camera to explore the negotiations and relationships that developed between key Hollywood insiders and presidential candidates from Dwight Eisenhower to Bill Clinton analyzing how entertainment replaced party spectacle as a strategy to raise money win votes and secure success for all those involved She demonstrates how Hollywood contributed to the rise of mass mediated politics making the twentieth century not just the age of the political consultant but also the age of showbiz politics

**Historical Dictionary of Animation and Cartoons** Nichola Dobson, 2020-06-15 Historical Dictionary of Animation and Cartoons is intended to provide an overview of the animation industry and its historical development The animation industry has been in existence as long some would argue longer than cinema yet it has had less exposure in terms of the discourse of moving image history This book introduces animation by considering the various definitions that have been used to describe it over the years A different perception of animation by producers and consumers has affected how the industry developed and changed over the past hundred years This second edition of Historical Dictionary of Animation and Cartoons contains a chronology an introduction and an extensive bibliography The dictionary section has over 300 cross referenced entries on animators directors studios techniques films and some of the best known characters This book is an

excellent resource for students researchers and anyone wanting to know more about animation and cartoons      *The Best Short Plays 1986* Howard Stein,2000-02 Applause Books These are sharp tightly constructed pieces with small casts as readable as they are actable just the sort of thing community players and other small ensembles will find practical Booklist

**Irish Political Review ; The Northern Star ,2007      Short Films in Language Teaching** Engelbert

Thaler,2017-07-17 The second volume in the new academic series SELT Studies in English Language Teaching is also divided into three parts A Theory B Methodology C Classroom Part A highlights the topic from the perspectives of different academic disciplines in this case from a TEFL as well as from a film didactic and a cultural literary viewpoint In part B methodological contributions on selected short films and suitable procedures are assembled Part C is a collection of concrete sample lessons for teaching English with short films at various levels These lesson plans have been designed at university carried out and evaluated by 11 experienced teachers and finally revised by the editor Peer reviewing is guaranteed by an academic advisory council consisting of six well known TEFL professors The new series above all aims at bridging didactic research and classroom practice Thus it is intended for foreign language lecturers students teacher trainers and teachers      Performance

and Politics in Tanzania Laura Edmondson,2007-07-20 In Performance and Politics in Tanzania Laura Edmondson examines how politics social values and gender are expressed on stage Now a disappearing tradition Tanzanian popular theatre integrates comic sketches acrobatics melodrama song and dance to produce lively commentaries on what it means to be Tanzanian These dynamic shows invite improvisation and spontaneous and raucous audience participation as they explore popular sentiments Edmondson asserts that these performances overturn the boundary between official and popular art and offer a new way of thinking about African popular culture She discusses how the blurring of state agendas and local desires presents a charged environment for the exploration of Tanzanian political and social realities What is the meaning of democracy and who gets to define it Who is in power and how is power exposed or concealed What is the role of tradition in a postsocialist state How will the future of the nation be negotiated This engaging book provides important insight into the complexity of popular forms of expression during a time of political and social change in East Africa      *The Politics of Truth*

Joseph Wilson,2007-08-11 Through the last three presidential administrations and two wars with Iraq no one has personally witnessed influenced or fueled news over more history making events than Joseph Wilson The last American diplomat to sit face to face with Saddam Hussein he is a consummate insider who has the intelligence principles and independence to examine current American foreign policy and the inner workings of government and to form a candid assessment of the United States involvement in the world In February 2002 Joseph Wilson was sent to Niger by the CIA to investigate claims that Iraq had sought to purchase uranium in that country Wilson s report and two from other American officials conclusively negated such rumors yet all were brushed aside by the White House Startled by the infamous words uttered by George W Bush in his 2003 State of the Union Address The British Government has learned that Saddam Hussein recently sought

significant quantities of uranium from Africa Wilson decided to reveal the truth behind the initiation of the Iraq war The Politics of Truth is an explosive and revelatory book by a man who stands for the accurate recording of history against those forces bent on fabricating truth Women and the Politics of Violence Taisha Abraham,2002 Contributed articles on crimes against women in India German Cinema Marc Silberman,1995 German Cinema is the first English language volume to provide a comprehensive historical overview of German film from the silent era to the present as well as close readings of individual films In the history of German cinema film directors have developed unique visual and narrative responses to the anxieties and excesses of their own times and those of Germany's past German Cinema is the first English language volume to provide a comprehensive historical overview of German film from the silent era to the present as well as close readings of individual films **Politics in Francophone Africa** Victor T. Le Vine,2004 Explores the elements that have shaped the particular political dynamics of the 14 former French colonies in west and equatorial Africa while allowing them to remain part of a unique francophone sociopolitical community **Exposing Men : The Science and Politics of Male Reproduction** Cynthia R. Daniels Associate Professor of Political Science Rutgers University,2006-08-03 Exposing Men examines how ideals of masculinity have long skewed our societal and scientific understanding of one of the pillars of male identity reproductive health Only with the recent public exposure of men's reproductive troubles has the health of the male body been thrown into question and along with it deeper masculine ideals Whereas once men's sexual and reproductive abilities were the most taboo of topics today erectile dysfunction is a multi billion dollar business and magazine articles trumpet male reproductive decline with headlines such as You're Half the Man Your Father Was Cynthia R Daniels casts a gimlet eye on our world of plummeting sperm counts spiking reproductive cancers sperm banks and pharmacological cures for impotence in order to assess the true state of male health What she finds is male reproductive systems damaged by toxins and war and proof piling up that men through sperm pass on harm to the children they father Yet despite the evidence that men's health as much as women's significantly affects the vitality of their offspring Daniels also sees a society holding on to outdated assumptions one in which men ignore blatant health risks as they struggle to live up to antiquated ideas of manliness *The Palgrave Handbook of Fashion and Politics* Karen M. Kedrowski,Candice D. Ortals,Lori Poloni-Staudinger,J. Cherie Strachan,2024-10-15 This book examines how fashion intersects with political expression in the United States and across the globe The chapters cover a diversity of perspectives including experiences of men minoritized people and women and LGBTQ persons as well as examining strategic choices by political actors ranging from dictators to elected officials and from protesters to mothers Perhaps more importantly this handbook allows chapters written about the US by mainly US based academics to be in dialogue with scholarship about other regions of the world largely written by non US and non European scholars Several chapters address regions of the world often understudied by political scientists including Africa Kenya Ethiopia Uganda Sudan Liberia Nigeria and Cameroon Asia North Korea Turkmenistan Indonesia and

Pakistan and Latin America Argentina and Mexico This work goes beyond the usual analyses that cast clothing choices as trivial or constraining and shows how political actors from dictators to elected officials and from citizen activists to social movement leaders incorporate strategic choices about their clothing ranging from uniforms and business attire to hijab and traditional ethnic attire in order to advance their political agendas

**The Politics and Sociology of Silent Comedy Films** Richard W. Waterman, 2025-05-19 Comedies were among the first films ever made and comedy played a critical and often overlooked role in the early development of cinema This original book holistically examines the political and sociological dimensions of silent comedy films and the motion picture industry at the turn of the 20th century Richard Waterman takes a unique social science approach to the cinematic ecosystem and its development during this era studying the wider context the interconnected social political economic and technological movements and forces that shaped film production distribution and consumption in this pivotal period in the history of film and culture These include moral standards and censorship class racism antisemitism sexism and the global film market Additionally the book analyzes specific films in depth to mine their themes social context and impact Bridging the humanities and social sciences this is a distinctive and valuable contribution to the study of early cinema
