Political Theory And Partisan Politics:

Political Theory and Partisan Politics Edward Bryan Portis, Adolf G. Gundersen, Ruth Lessl Shively, 2000-06-01
Renowned theorists address the interconnections between those who engage in political struggle and those who study it

Political Theory and Partisan Politics Edward Bryan Portis, Adolf G. Gundersen, Ruth Lessl Shively, 2012-02-01
Political theorists typically define political action in terms of rational potential rather than conflict and for this reason neglect the partisan nature of political experience This volume redresses this neglect focusing on the interrelated questions of whether the task of political theory is to find some means of containing partisan politics and whether political theory is itself separate from partisan politics Each section of the book corresponds to one of three ways of conceiving the optimal or necessary relationship between political theory and partisan political struggle The first section considers the extent to which partisan politics requires constitutional consensus and the degree to which such a consensus requires correct theoretical underpinnings The second focuses on the compatibility of theoretical deliberation with partisan politics and the third on the possibility that political theory is itself necessarily a form or means of partisan engagement The end result is a theoretically diverse but focused debate on this important but neglected subject Contributors include William E Connolly Mary G Dietz Adolf G Gundersen John G Gunnell Donald S Lutz Edward Bryan Portis Arlene W Saxonhouse Ruth Lessl Shively and Thomas A Spragens Jr

Parties, Partisanship and Political Theory Matteo Bonotti, Veit Bader, 2016-04-14 Political parties have only recently become a subject of investigation in normative political theory Parties have traditionally been studied by political scientists in their organizational features and in relation to the analysis of related topics such as party systems and electoral systems Little attention however was paid until recently to the normative assumptions that underlie partisanship and party politics Are parties desirable for democratic politics How should liberal democracies deal with extremist and or anti democratic parties Do religious parties undermine the secular distinction between religion and politics and is that bad for liberal democracies These are only some of the many questions that political theorists had left unanswered for a long time The papers in this collection aim to provide a twofold contribution to the normative analysis of partisanship On the one hand they aim to offer a first much needed state of the art of the existing research in this area Many of the contributors have already done extensive research on partisanship and their pieces partly reflect their research expertise and individual approaches to this topic On the other hand all pieces move beyond the authors existing work and represent significant additions to the normative literature on partisanship thus setting the standards for future research in this area This book was published as a special issue of Critical Review of International Social and Political Philosophy

Parties, Partisanship and Political Theory Matteo Bonotti, Veit Bader, 2016-04-14 Political parties have only recently become a subject of investigation in normative political theory Parties have traditionally been studied by political scientists in their organizational features and in relation to the analysis of related topics such as party systems and electoral systems Little attention however was paid

until recently to the normative assumptions that underlie partisanship and party politics Are parties desirable for democratic politics How should liberal democracies deal with extremist and or anti democratic parties Do religious parties undermine the secular distinction between religion and politics and is that bad for liberal democracies These are only some of the many questions that political theorists had left unanswered for a long time The papers in this collection aim to provide a twofold contribution to the normative analysis of partisanship On the one hand they aim to offer a first much needed state of the art of the existing research in this area Many of the contributors have already done extensive research on partisanship and their pieces partly reflect their research expertise and individual approaches to this topic On the other hand all pieces move beyond the authors existing work and represent significant additions to the normative literature on partisanship thus setting the standards for future research in this area This book was published as a special issue of Critical Review of International Social and Political Philosophy

The Oxford Handbook of Political Theory John S Dryzek,Bonnie Honig,Anne Phillips,2008-06-12 Oxford Handbooks of Political Science are the essential guide to the state of political science today With engaging contributions from 51 major international scholars the Oxford Handbook of Political Theory provides the key point of reference for anyone working in political theory and beyond

Political Theory and Social Science J. Gunnell,2011-02-14 This work is devoted to a critical analytical examination of the history character and conduct of contemporary academic political theory and to a reconsideration of significant elements of this field of inquiry from the perspective of the philosophy of Ludwig Wittgenstein

Political Political Theory Jeremy Waldron,2016-03-07 Political theorists focus on the nature of justice liberty and equality while ignoring the institutions through which these ideals are achieved Political scientists keep institutions in view but deploy a meager set of value conceptions in analyzing them A more political political theory is needed to address this gap Jeremy Waldron argues

The Routledge Handbook of Political Parties Neil Carter,Daniel Keith,Gyda M. Sindre,Sofia Vasilopoulou,2023-04-25 The Routledge Handbook of Political Parties provides a systematic and comprehensive overview of the study of political parties provided by leading experts in the field In an era of widespread political disillusionment political parties are often the main targets of citizen dissatisfaction yet they are the key institutions that make democracy work Analysing political parties in unrivalled depth and breath with comparative thematic chapters throughout as well as a dedicated section on political parties and party politics in specific country and regional settings this handbook examines and illuminates the key questions around how parties organise how their ideologies have evolved over time their relationship with society how they differentiate themselves and how they respond to new social economic and political developments The Routledge Handbook of Political Parties is essential reading and an authoritative reference for scholars students researchers and practitioners involved in and actively concerned about research in the study of political parties party systems and party politics

Compromise and Disagreement in Contemporary Political Theory Christian Rostboll,Theresa Scavenius,2017-10-31 Until recently discussions of compromise have been largely absent

in political theory However political theorists have become increasingly interested in understanding the practice and justification of compromise in politics This interest is connected to the increased concern with pluralism and disagreement Compromise and Disagreement in Contemporary Political Theory provides a critical discussion of when and to what extent compromise is the best response to pluralism and disagreement in democratic decision making and beyond Christian F Rostb ll and Theresa Scavenius draw together the work of ten established and emerging scholars to provide different perspectives on compromise Organized into four parts the book begins by discussing the justification and limits of compromise Part 2 discusses the practice of compromise and considers the ethics required for compromise as well as the institutions that facilitate compromise Part 3 focuses on pluralism and connects the topic of compromise to current discussions in political theory on public reason political liberalism and respect for diversity Part 4 discusses different challenges to compromise in the context of the current political environment The book will be of interest to a wide range of scholars in the social sciences philosophy and law It will be useful in introducing scholars to a variety of approaches to compromise and as readings for graduate courses in political theory and political philosophy ethics the history of ideas and the philosophy of law

John Dewey: Political theory and social practice J. E. Tiles,1992 The History of Political Theory and Party Organization in the United States Simeon Davidson Fess,1907 The German Revolution and Political Theory Gaard Kets,James Muldoon,2019-05-02 This book is the first collection within political theory to examine the ideas and debates of the German Revolution of 1918 19 It discusses the political theorists and actors of the revolution and uncovers an incredibly fertile body of political thought Revolutionary events led to the proliferation of new political strategies theoretical insights and institutional proposals Key questions included the debate between a national assembly and a council system the socialisation of the economy the development of new forms of political representation and the proper role of parliaments political parties and trade unions This book offers novel perspectives on the history of the revolution a thorough engagement with its main thinkers and an analysis of its relevance for contemporary political thought

Partisanship and Political Liberalism in Diverse Societies Matteo Bonotti,2017-07-13 Since its publication in 1993 John Rawls s Political Liberalism has been central to debates concerning political legitimacy democratic theory toleration and multiculturalism in contemporary political theory Yet despite the immense body of literature which has been produced since Rawls s work was published very little has been said or written regarding the place of political parties and partisanship within political liberalism This book aims to fill this gap in the literature Its central argument is that political liberalism needs and nourishes political parties and that political parties are therefore not hostile but vital to it First partisanship generates its own distinctive kind of political obligations additional to any political obligations people may have qua ordinary citizens Second contrary to what many critics argue and despite its admittedly restrictive features Rawls s conception of public reason allows significant scope for partisan advocacy and partisan pluralism and in fact the very normative demands of partisanship are in syntony with those of public reason

Third parties contribute to the overlapping consensus that for Rawls guarantees stability in diverse societies Fourth political liberalism nourishes political parties by leaving many issues including religious and socio economic ones open to democratic contestation In summary parties contribute both to the legitimacy and to the stability of political liberalism

Partisan Political Theory and the Unwritten Constitution Gerald Flood Leonard,1992 *Homi Bhabha: An Introduction and Critique, Volume 3: Political Theory and Practice* Andrew McLaverty-Robinson,2020-01-31 Homi Bhabha An Introduction and Critique is a pathbreaking three volume study of the celebrated postcolonial scholar s work McLaverty Robinson s careful reading renders Bhabha s theories in plain English without losing their meaning In addition McLaverty Robinson s incisive critique cuts through the theoretical aura of Bhabha s work and explores whether his theories work in practice either empirically or politically This third and final volume explores the political content and implications of Bhabha s work It explores Bhabha s political proposals such as the ideas of a community of suffering and a right to narrate It also explores Bhabha s relationship to neoliberalism and to the Eurocommunist current in the 1980s and his critical engagements with liberalism communitarianism Marxism critical race theory Deleuze and Guattari and Frantz Fanon This volume also includes an entire chapter providing a background on neoliberalism and a comprehensive index covering all three volumes

Populism and Key Concepts in Social and Political Theory ,2023-07-31 This volume aims to generate a dialogue between scholarship on populism and social and political theory It focuses on citizenship class gender cleavages sovereignty accountability participation leadership and parties The volume explores how classical and current theorists developed these categories how they were used by scholars of populism and what populism tells us about their heuristic advantages and limitations The authors of this book have studied populism in Europe the US and Latin America from distinct perspectives The chapters thus focus on experiences in both the Global North and South Contributors are Cecilia Biancalana Paula Diehl Reinhard Heinisch Klaudia Koxha Alfio Mastropaolo Oscar Mazzoleni Enrique Peruzzotti Kenneth M Roberts Luis Roniger and Carlos de la Torre Populism and Key Concepts in Social and Political Theory is now available in paperback for individual customers

Partisan Or Neutral? Michael J. White,1997 Partisan or Neutral critically examines the Rawlsian ideal of a public supposedly neutral political theory meant to justify contemporary constitutional democracies Placing this ideal appealed to by neo natural law theorists and advocates of public theology as well as by political theorists against the background of the history of political liberalism White shows its contradictory nature He argues that any such legitimating theory will be partisan in the sense of appealing to convictions concerning the human good that will not be universally accepted He concludes that all politics must be imperfect a matter of pragmatism and prudence in forming the most workable compromises possible and in acquiescing where our principles allow us to do so in situations that are often far from optimal

Responsible Partisanship? John Clifford Green,Paul S. Herrnson,2002 More than fifty years have passed since the American Political Science Association published Toward a More Responsible Two Party System a controversial report that

addressed the lack of national cohesion within the major parties Although parties have changed a great deal since then they remain a critical component of American democracy While the possibilities and limits of responsible party government have been central topics in the literature since 1950 this book is the first to reassess all aspects of the APSA report Here a distinguished group of scholars among them Charles O Jones Barbara Sinclair Frank J Sorauf John Bibby and Gerald Pomper examine the effectiveness accountability and relevance of parties to the democratic process These articles cover all major relevant topics focusing on recent changes in laws that govern parties innovations in party organization party finance and the relationships among political consultants and parties They examine the place of the party in government including chapters on the changing role of parties in Congress and in the presidency and also consider the roles of parties among the electorate examining trends in voting behavior party identification and ideology A capstone essay by Leon Epstein the dean of American party scholars reviews the ongoing quest for responsible partisanship over the past half century These contributors offer a mixed assessment of the two party system showing that parties are in many respects stronger at the national level than they were in 1950 but not necessarily more responsible The most comprehensive description and analysis of American parties now available Responsible Partisanship should become required reading for all students and citizens concerned with making parties more accountable instruments of government

Rethinking Party Reform Fabio Wolkenstein, 2020 This book addresses a question of fundamental importance to contemporary representative democracies How could political parties reconnect with society It advances a normative account of party reform drawing on both democratic theory and political science scholarship on parties

Political Theory Leigh Jenco, Paulina Ochoa Espejo, Murad Idris, 2025-02-19 This groundbreaking work presents a transformative perspective on political theory This text is not just an introduction to political theory it is a call to broaden the discipline's horizons making it more globally aware and methodologically diverse The authors introduce a novel approach to political theory that expands the scope of the discipline beyond traditional philosophical texts and Eurocentric perspectives The text integrates canonical Western texts with diverse sources of political thought from a wide range of times and places spanning the Vedas to the Quran the Upanishads to the Popol Vuh This is the first introductory text to incorporate such a variety of texts and authors with each thinker whether Plato or Laozi Du Bois or Confucius introduced in a way that is both accessible and relevant today The text also demonstrates the possibilities for comparison and connections in teaching political theory Cross cutting themes of gender race and colonialism connect disparate ideas across time periods and geographies forging a comprehensive network of political thought This pioneering textbook reshapes the way political theory is taught and understood and is an essential companion for all undergraduate and postgraduate students of political theory as much as it will be for anyone interested in global political thought This text is a must read for anyone looking to understand the full spectrum of political thought and its application in today's interconnected world

Political Theory And Partisan Politics Introduction

In today's digital age, the availability of Political Theory And Partisan Politics books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Political Theory And Partisan Politics books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Political Theory And Partisan Politics books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Political Theory And Partisan Politics versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Political Theory And Partisan Politics books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Political Theory And Partisan Politics books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Political Theory And Partisan Politics books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Political Theory And Partisan Politics books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Political Theory And Partisan Politics books and manuals for download and embark on your journey of knowledge?

FAQs About Political Theory And Partisan Politics Books

What is a Political Theory And Partisan Politics PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Political Theory And Partisan Politics PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Political Theory And Partisan Politics PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Political Theory And Partisan Politics PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Political Theory And Partisan Politics PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many

free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
