Really Weird Tales:

Really, Really, Really, Really Weird Stories John Shirley, 2021-11-23 John Shirley takes us on a journey from the mildly bizarre to the downright weird and then some in this his latest collection of short fiction. The book incorporates some of Shirley's classic stories along with some revised and hard to find material and is highlighted by nine never before published works. A must have for the Shirley reader or collector. Includes art work by Alan M Clark. Skyhorse Publishing under our Night Shade and Talos imprints is proud to publish a broad range of titles for readers interested in science fiction, space opera, time travel, hard SF, alien invasion, near future dystopia, fantasy, grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history, and horror, zombies, vampires, and the occult and supernatural and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award winner, we are committed to publishing quality books from a diverse group of authors.

The Unique Legacy of Weird Tales Justin Everett, Jeffrey H. Shanks, 2015-10-01 When the pulp magazine *Weird Tales* appeared on newsstands in 1923, it proved to be a pivotal moment in the evolution of speculative fiction. Living up to its nickname *The Unique Magazine*, *Weird Tales* provided the first real venue for authors writing in the nascent genres of fantasy, horror, and science fiction. *Weird* fiction pioneers such as H. P. Lovecraft, Robert E. Howard, Clark Ashton Smith, Robert Bloch, Catherine L. Moore, and many others honed their craft in the pages of *Weird Tales* in the 1920s and 1930s, and their work had a tremendous influence on later generations of genre authors. In *The Unique Legacy of Weird Tales: The Evolution of Modern Fantasy and Horror*, Justin Everett and Jeffrey Shanks have assembled an impressive collection of essays that explore many of the themes critical to understanding the importance of the magazine. This multi-disciplinary collection from a wide array of scholars looks at how *Weird Tales* served as a locus of genre formation and literary discourse community. There are also chapters devoted to individual authors, including Lovecraft, Howard, and Bloch, and their particular contributions to the magazine. As the literary world was undergoing a revolution and mass-produced media began to dwarf high-brow literature in social significance, *Weird Tales* managed to straddle both worlds. This collection of essays explores the important role the magazine played in expanding the literary landscape at a very particular time and place in American culture. *The Unique Legacy of Weird Tales* will appeal to scholars and aficionados of fantasy, horror, and weird fiction, and those interested in the early roots of these popular genres.

The Bodymaster and Other Weird Tales Various, 2023-07-10 In *The Bodymaster and Other Weird Tales*, a compilation of works by various authors, readers are drawn into a labyrinth of the uncanny and the grotesque where the human body becomes a vessel of horror and fascination. With a diverse range of literary techniques, from the atmospheric prose of classic Gothic writers to the disquieting undercurrents of modern surrealism, this anthology explores themes of identity, transformation, and existential dread. Each tale offers a unique perspective on humanity's relationship with the corporeal form, challenging societal norms and psychological boundaries much like the works of Edgar Allan Poe and H. P. Lovecraft, while also engaging with contemporary

anxieties surrounding body image and identity politics The anthology features voices from both established and emerging authors each contributing to the rich tradition of weird fiction Influenced by the cultural shifts of the 21st century these writers grapple with the complexities of bodily autonomy the impact of technology and the fragility of the human experience The varied backgrounds and literary styles of the contributors provide a multifaceted exploration of what it means to inhabit a body in an increasingly bizarre world For readers intrigued by the unsettling and the bizarre The Bodymaster and Other Weird Tales is a compelling collection that promises to challenge perceptions and provoke thought Whether you are a connoisseur of weird fiction or a casual reader seeking something unconventional this anthology invites you to embrace the uncanny and delve into stories that linger long after the last page is turned **Weird Tales 296 (Spring 1990)** Darrell Schweitzer,1990-03-01 The Spring 1990 issue of Weird Tales showcases the work of David J Schow Featured Author and Janet Aulisio Featured Artist who contributed all the art in the issue Also includes work by Tad Williams and Harry Turtledove Weird tales Frederick Brigham De Berard,1902 **Cycling's Strangest Tales** Iain Spragg,2014-05-23

Welcome to the weird wonderful and two wheeled world of cycling Though this isnt the usual side of professional cycling the newspapers report This is the real world of cycling the strange and twisted nooks and crannies of the sports bizarre history Cycling is nearly two hundred years old The velocipede invented by Baron Karl von Drais in 1817 started the craze for the two wheeled machine that has had a renaissance few would have predicted During those decades bicycles have thrown up more than their fair share of extraordinary and bizarre stories Iain Spragg has trawled the bicycle history books to give you the most fascinating collection of stories from the first bicycle trip across the globe an Englishman on a penny farthing in 1886 of course the 1904 Tour de France winner who was disqualified when it emerged he had caught the train the 1937 Japanese invasion of China spearheaded by 50 000 bicycle mounted troops and the Japanese enthusiast who stayed stationary on a bike for 5 and a half hours in 1965 With stories from amateur and professional cycling this is a thoroughly entertaining collection of tales for any two wheeled enthusiast Weird Tales Ernst Theodor Amadeus Hoffmann,1885
