Reason And Obligation A Contemporary Approach To Law And Political Morality:

Reason and Obligation R. George Wright,1994-01-01 To find more information on Rowman Littlefield titles please visit us at www.rowmanlittlefield.com **Fictions, Lies, and the Authority of Law** Steven D. Smith,2021-09-15 Fictions Lies and the Authority of Law discusses legal political and cultural difficulties that arise from the crisis of authority in the modern world Is there any connection linking some of the maladies of modern life cancel culture the climate of mendacity in public and academic life fierce conflicts over the Constitution disputes over presidential authority Fictions Lies and the Authority of Law argues that these diverse problems are all a consequence of what Hannah Arendt described as the disappearance of authority in the modern world In this perceptive study Steven D Smith offers a diagnosis explaining how authority today is based in pervasive fictions and how this situation can amount to as Arendt put it the loss of the groundwork of the world Fictions Lies and the Authority of Law considers a variety of problems posed by the paradoxical ubiquity and absence of authority in the modern world Some of these problems are jurisprudential or philosophical in character others are more practical and lawyerly problems of presidential powers and statutory and constitutional interpretation still others might be called existential Smith s use of fictions as his purchase for thinking about authority has the potential to bring together the descriptive and the normative and to think about authority as a useful hypothesis that helps us to make sense of the empirical world This strikingly original book shows that theoretical issues of authority have important practical implications for the kinds of everyday issues confronted by judges lawyers and other members of society The book is aimed at scholars and students of law political science and philosophy but many of the topics it addresses will be of interest to politically engaged citizens **Reason and Obligation** R. George Wright,1994 To find more information on Rowman Littlefield titles please visit us at www.rowmanlittlefield.com *Ibss: Political Science: 1994* British Library of Political and Economic Science at the London School of Economics,1995-12-08 The IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences **A Theory of Legal Obligation** Stefano Bertea,2019-10-03 Bertea puts forward a comprehensive and original theory of legal obligation understood as a distinctive legal concept **Natural Law and Modern Moral Philosophy: Volume 18, Social Philosophy and Policy, Part 1** Ellen Frankel Paul,Fred D. Miller (Jr.),Jeffrey Paul,2001-01-29 The essays in this volume written by academic lawyers as well as legal and moral philosophers address some of the most intriguing questions raised by natural law theory and its implications for law morality and public policy Some of the essays explore the implications that natural law theory has for jurisprudence asking what natural law suggests about the use of legal devices such as constitutions and precedents Other essays examine the connections between natural law and natural rights *Bowker's Law Books and Serials in Print* ,1995 **The Oxford Handbook of Political Obligation** ,2025-09-28 The Oxford Handbook of Political Obligation offers an authoritative up to date overview of research in this field

In recent decades scholars have developed strong criticisms of the traditional reasons given to explain political obligations. At present, skepticism about the possibility of a convincing account may well be the dominant position in the literature. These philosophical developments run alongside changed political and social circumstances. In recent years, Western political systems have come under suspicion with citizens led to question traditional reasons why they should obey them. Additional factors renewing interest in political obligation include the emergence of new democracies in Eastern Europe occasioned by the fall of the Soviet Union and unrest in many American cities especially over issues of racial justice. This Handbook has two main foci: contemporary philosophical debates about political obligation and responses to political social circumstances that raise questions about requirements to obey the law. Traditional theories of obligation are addressed in a series of essays by well-known authorities while additional essays canvass new approaches including the possibility of legitimate states without moral requirements to obey them and skeptical conclusions from important theorists. Responses to political and social circumstances include civil disobedience and more radical approaches. In addition, political obligations are addressed as they bear on emerging democracies and unjust and authoritarian regimes.

Law, Morality and Judicial Reasoning Thomas Bustamante, Saulo de Matos, André L. S. Coelho, 2024-08-28. This book provides a critical outlook on and an inquiry into the practical implications of the works of Professor W. J. Waluchow, one of the most important jurisprudence scholars of the early twenty-first century while also reflecting on the interconnections between his legal theory and his theory of constitutional interpretation. It also features an interview with Waluchow in which he responds to some of the chapters and shares a first-person perspective on his main philosophical ideas, how they emerged, and how they can be further developed and applied. The book makes a valuable contribution to contemporary legal philosophy by asking and providing different answers from prominent legal philosophers and newer scholars in the field to questions such as: How does Waluchow's jurisprudence relate to his theories of legal reasoning and constitutional interpretation? On what terms should we understand inclusive legal positivism? Can inclusive legal positivism be reconciled with an interpretivist theory of adjudication? How does it compare with Raz's model of legal authority? Can Waluchow's notion of community constitutional morality be applied to contexts such as international law, pluralist legal communities, and indigenous laws? Is Waluchow's methodology equipped to provide interpretive directives in unstable and extremely unequal legal systems? The chapters, all written by experts on jurisprudence including some of the scholars who helped develop the tradition known as inclusive legal positivism, offer a unique analysis of Waluchow's most complex and intriguing theses, providing not only a valuable exegetical analysis of his work but also a range of answers to the challenge of interpreting legal and constitutional values as well as practical resolutions to persisting controversies in the philosophy of law.

Judicial Review in an Age of Moral Pluralism Ronald C. Den Otter, 2009-08-31. This book considers how judicial review can be improved to strike the appropriate balance between legislative and judicial power.

Philosophical Anarchism and Political Obligation Magda Egoumenides, 2014-08-28. Political obligation refers to the

moral obligation of citizens to obey the law of their state and to the existence nature and justification of a special relationship between a government and its constituents This volume in the Contemporary Anarchist Studies series challenges this relationship seeking to define and defend the position of critical philosophical anarchism against alternative approaches to the issue of justification of political institutions The book sets out to demonstrate the value of taking an anarchist approach to the problem of political authority looking at theories of natural duty state justification natural duty of justice fairness political institutions and more It argues that the anarchist perspective is in fact indispensable to theorists of political obligation and can improve our views of political authority and social relations This accessible book builds on the works of philosophical anarchists such as John Simmons and Leslie Green and discusses key theorists including Rousseau Rawls and Horton This key resource will make an important contribution to anarchist political theory and to anarchist studies more generally

Political Authority and Obligation in Aristotle Andres Rosler,2005-03-03 to follow The Oxford Handbook of the History of Political Philosophy George Klosko,2011-05-26 The Oxford Handbook of the History of Political Philosophy presents fifty original essays each specially written by a leading figure in the field covering the entire subject of the history of political philosophy They provide not only surveys of the state of research but substantial pieces that engage with and move forward current debates Part I addresses questions of method Contributors discuss the contextual method classically articulated by Quentin Skinner along with important alternative methods associated with Leo Strauss and his followers and contemporary post modernism This section also examines the value of the history of political philosophy and the history of the discipline itself Part II Chronological Periods works through the entire history of Western political philosophy While most contributions address recognizable chronological periods others are devoted to more specialized topics including the influence of Roman Law medieval Arabic political philosophy Socialism and Marxism Aspects of the history of political philosophy that transcend specific periods are the subject of Part III Essays on topics such as democracy the state and imperialism trace theoretical developments over time The histories of major non Western traditions Muslim Confucian and Hindu are discussed in the final Part with special reference to their relationships to Western political thought **Selected Acquisitions of the Library** Indiana University, Bloomington. Law Library,1994 **The Principle of Fairness and Political Obligation** George Klosko,2004-01-26 In The Principle of Fairness and Political Obligation George Klosko presents the first book length treatment of political obligation grounded in the premises of liberal political theory In this now classic work he clearly and systematically formulates what others thought impossible a principle of fairness that specifies a set of conditions which grounds existing political obligations and bridges the gap between the abstract accounts of political principles and the actual beliefs of political actors Brought up to date with a new introduction this new edition will be of great interest to all interested in political thought *Political and Legal Approaches to Human Rights* Tom Campbell,Kylie Bourne,2017-11-22 This collection explores and illustrates issues arising from political approaches to human rights in

contrast to the more traditional moral approaches Moral approaches conceptualize and justify human rights in terms of priority rights which are both universal and moral In contrast political approaches focus on those human rights practices involved in the development and operation of human rights institutions laws and political process all in relative independence from their alleged moral foundations The book contributes to the understanding and analysis of political approaches including consideration of their diversity and discussion of their strengths and weaknesses The choice of contributors presents a balance between those theorists who favour some version of the political approach and those who are dubious about the perceived advantages The chapters are grouped together in parts which constitute the distinctive issues addressed in the book At a time when there is considerable uncertainty concerning their conceptual clarity operation feasibility and their normative justifications this volume will be of interest to those involved with the theory and practice of human rights within law schools and in politics and philosophy departments It will also provide a useful resource for human rights practitioners and policy makers

Law, Reason and Emotion Mortimer Sellers (org.), Catherine Moore (org.), Vitor Medrado (org.), Volume II Special Workshops Initia Via Editora **Forthcoming Books** Rose Arny, 1994-02 **Moral and Political Reasoning in Environmental Practice** Andrew Light, Avner De-Shalit, 2003 Essays showing how environmental philosophy can have an impact on the world by integrating abstract reasoning with actual environmental practice **Architectures of Justice** Henrik Palmer Olsen, Stuart Toddington, 2016-05-23 Law can be seen to consist not only of rules and decisions but also of a framework of institutions providing a structure that forms the conditions of its workable existence and acceptance In this book Olsen and Toddington conduct a philosophical exploration and critique of these conditions what they are and how they shape our understanding of what constitutes a legal system and the role of justice within it

Reason And Obligation A Contemporary Approach To Law And Political Morality: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Reason And Obligation A Contemporary Approach To Law And Political Morality : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

Reason And Obligation A Contemporary Approach To Law And Political Morality Introduction

In the digital age, access to information has become easier than ever before. The ability to download Reason And Obligation A Contemporary Approach To Law And Political Morality has revolutionized the way we consume written content. Whether

you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Reason And Obligation A Contemporary Approach To Law And Political Morality has opened up a world of possibilities. Downloading Reason And Obligation A Contemporary Approach To Law And Political Morality provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Reason And Obligation A Contemporary Approach To Law And Political Morality has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Reason And Obligation A Contemporary Approach To Law And Political Morality. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Reason And Obligation A Contemporary Approach To Law And Political Morality. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Reason And Obligation A Contemporary Approach To Law And Political Morality, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Reason And Obligation A Contemporary Approach To Law And Political Morality has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Reason And Obligation A Contemporary Approach To Law And Political Morality Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
