Schwager and Weaver violently damage a holistic dimension of atonement event under the human cause of the victim Jesus crucifixion by evil By contrast you will hear the harmonized voices of Anselm Calvin and Barth who adamantly proclaim the incarnated Son of God s sovereignty in his self giving death for our salvation Furthermore it is through the theological conversation between the opposite camps that you will realize how the anthropological motifs of healing scapegoat mechanism and nonviolence are to be constructively engaged with the Christological cultic context of an evangelical doctrine of substitution You will encounter the crux of Christ s saving death for us

There are many books which set out the case for Islam or for Christianity and point out what they regard as defects in the other religion This book does that but it seeks to do so in the form of a workbook which groups of Christians or Muslims might use and it is conducted in a spirit where truth is paramount but so too is kindness and civility The two authors have become friends and hope that this can be detected in the exchanges As the major doctrines of each religion are dealt with we are conscious that these doctrines are important and need to be examined rigorously and charitably We hope we have succeeded to some degree at least An exposition of the New Testament [from An exposition on the Old and New Testament] with a preface by C.H.
