Rebecca West A Celebration:

Rebecca West, a Celebration Rebecca West, 1979 *Rebecca West, a Celebration*, 1977 **Rebecca West** Rebecca West, 1979 Werke, Ausz., engl.] Rebecca West, a celebration Rebecca West, 1977 G. Evelyn Hutchinson and the Invention of Modern Ecology Nancy G. Slack, 2010-01-01 Slack enjoyed full access to Hutchinson's archives and conducted extensive interviews both with Hutchinson himself and with his students, colleagues and friends. She evaluates his contributions to theoretical ecology, limnology, the study of fresh water ecosystems, biogeochemistry, population ecology and the creation of the new fields of systems ecology and radiation ecology and she discusses his profound influence as a mentor. The book also looks into his personal life which included three very different wives, a refugee baby under his care during World War II, friendships with such contemporaries as Rebecca West, Margaret Mead and Gregory Bateson and a host of colleagues and friends on four continents. Filled with information available nowhere else, this book draws a vibrant portrait of a giant in the discipline of twentieth century ecology who was also a man of remarkable personal appeal. Uncommon Arrangements Katie Roiphe, 2008-05-20 Katie Roiphe's stimulating work has made her one of the most talked about cultural critics of her generation. Now this bracing young writer delves deeply into one of the most layered of subjects: marriage. Drawn in part from the private memoirs, personal correspondence and long forgotten journals of the British literary community from 1910 to the Second World War, here are seven marriages, each rising to the challenge of intimate relations in more or less creative ways. Jane Wells, the wife of H. G. Wells, remained his rock despite his decade-long relationship with Rebecca West; among others, Katherine Mansfield had an irresponsible childlike romance with her husband John Middleton Murry that collapsed under the strain of real life problems. Vera Brittain and George Gordon Catlin spent years in a semidetached marriage: he in America, she in England. Vanessa Bell maintained a complicated harmony with the painter Duncan Grant whom she loved and her husband Clive. And her sister Virginia Woolf herself, no stranger to marital particularities, sustained a brilliant running commentary on the most intimate details of those around her. Every chapter revolves around a crisis that occurred in each of these marriages as serious as life-threatening illness or as seemingly innocuous as a slightly tipsy dinner table conversation and how it was resolved or not resolved. In these portraits, Roiphe brilliantly evokes what, as she says, the fluctuations and shifts in attraction, the mysteries of lasting affection, the endurance and changes in love and the role of friendship in marriage. The deeper mysteries at stake in all relationships.

Writing Talk Alex Hamilton, 2012 In his long career in literary journalism, Alex Hamilton has probably met and talked in depth to more of our great writers than anyone else, from the most critically acclaimed to the most hard-nosed bestsellers, from novelists to cartoonists and in every genre, from Thrillers and Whodunnits to Short Stories, from Poetry to Science Fiction. This selection from a life's work gives us a stimulating and rare insight into the minds and lives of some of the most fascinating creators of our modern culture. It's a book that contains many surprises in the revelations given by some of the

authors about their struggles and victories the serious or humorous commitments made by them and their addiction to the kind of fiction they like to write The reader will soon realise that no two of these eighty five featured authors such as Kurt Vonnegut Angela Carter Stephen King Daphne du Maurier Ian McEwan Jorge Luis Borges Graham Greene or Margaret Atwood are alike Splendidly informative and serious Writing Talk is also often very funny a book to dip into as the mood takes or to dive into hungrily It will appeal to those with a passion for books and for the people who have written them I ve been fortunate to talk to so many marvellous writers Gathering some of these conversations into a book rather than their brief life in a daily newspaper offers a chance for readers to share my pleasure and to introduce a new generation to some past greats says Alex Hamilton behind his reason to create Writing Talk

Women in Europe between the Wars

Angela Kimyongür,2017-11-30 The central aim of this interdisciplinary book is to make visible the intentionality behind the forgetting of European women s contributions during the period between the two world wars in the context of politics culture and society It also seeks to record and analyse women s agency in the construction and reconstruction of Europe and its nation states after the First World War and thus to articulate ways in which the writing of women s history necessarily entails the rewriting of everyone s history By showing that the erasure of women s texts from literary and cultural history was not accidental but was ideologically motivated the essays explicitly and implicitly contribute to debates surrounding canon formation Other important topics are women s political activism during the period antifascism the contributions made by female journalists the politics of literary production genre women s relationship with and contributions to the avant garde women s professional lives and women s involvement in voluntary associations In bringing together the work of scholars whose fields of expertise are diverse but whose interests converge on the inter war period the volume invites readers to make connections and comparisons across the whole spectrum of women s political social and cultural activities throughout Europe

Augustine and Literature Robert Peter Kennedy,Kim Paffenroth,John Doody,2006-01-01 The influence of Christianity on literature has been great throughout history as has been the influence of the great Christian Augustine Augustine and Literature explores Augustine s influence on literature from the Middle Ages to the present day and discusses the implications of expressing Augustine s religious themes both in literature and in more directly theological works Karl W. Ryavec,2005 This unique study provides an original nitty gritty view of the true nature and operation of Russia s state bureaucracy from the imperial period to the present including the Putin presidency The only book length exploration of the problems and deficiencies of Russian bureaucracy since tsarist times this detailed work sheds important new light on Russian public administration an often overlooked but key barrier to Russian normalization and democratization

A Historical Dictionary of British Women Cathy Hartley,2013-04-15 This reference book containing the biographies of more than 1 100 notable British women from Boudicca to Barbara Castle is an absorbing record of female achievement spanning some 2 000 years of British life Most of the lives included are those of women whose work took them in some way before the public and

who therefore played a direct and important role in broadening the horizons of women Also included are women who influenced events in a more indirect way the wives of kings and politicians mistresses ladies in waiting and society hostesses Originally published as *The Europa Biographical Dictionary of British Women* this newly re worked edition includes key figures who have died in the last 20 years such as The Queen Mother Baroness Ryder of Warsaw Elizabeth Jennings and Christina Foyle

Men and Women Writers of the 1930s Janet Montefiore, 2003-09-02 *Men and Women Writers of the 1930s* is a searching critique of the issues of memory and gender during this dynamic decade Montefiore asks two principle questions what part does memory play in the political literature of and about 1930s Britain And what were the roles of women both as writers and as signifying objects in constructing that literature Montefiore s topical analysis of 1930s mass unemployment fascist uprising and appeasement is shockingly relevant in society today Issues of class anti fascist historical novels post war memoirs of Auden generation writers and neglected women poets are discussed at length Writers include George Orwell Virginia Woolf W H Auden Storm Jameson Jean Rhys Rebecca West

Sisters and Rivals in British Women's Fiction, 1914-39 D. Wallace, 2000-06-21 What happens when two women love the same man This is the first book to examine female rivalry as a distinctive theme in women s fiction and to analyze the female identified erotic triangle where two women are rivals for the same man as a narrative pattern which has a special resonance for inter war women writers Focusing on five key writers Diana Wallace offers a reconsideration of inter war women s writing and an examination of the links and rivalries between women writers themselves

Dante to Dead Man Walking Raymond A. Schroth, 2002-10 In this award winning book now in paperback Schroth discusses fifty works from books of the Old Testament to contemporary works that challenge the social conscience and raise moral and religious issues in a provocative way

Literary Journalism in the Twentieth Century Norman Sims, 2008-11-04 This wide ranging collection of critical essays on literary journalism addresses the shifting border between fiction and non fiction literature and journalism *Literary Journalism in the Twentieth Century* addresses general and historical issues explores questions of authorial intent and the status of the territory between literature and journalism and offers a case study of Mary McCarthy s 1953 piece *Artists in Uniform* a classic of literary journalism Sims offers a thought provoking study of the nature of perception and the truth as well as issues facing journalism today

Modernism on Fleet Street Patrick Collier, 2016-12-05 British modernism came of age at a time of great cultural anxiety about the state of journalism The new newspapers with their brief flashy articles striking visuals hyperbolic headlines and sensational news stood at the center of debates about reading in the period seeming to threaten the viability of representative democracy the health and vitality of the language and the very future of literature itself Patrick Collier s study brings an impressive array of archival research to his exploration of modernism s relationship to the newspaper press People who sought to make their way as writers could neither remain neutral on this issue nor abandon journalism which offered an irreplaceable source of income and self advertisement Collier discusses five modern writers T S Eliot James Joyce Virginia

Woolf Rebecca West and Rose Macaulay showing how their work takes part in contemporary debates about journalism and examining the role journalism played in establishing their careers In doing so he uncovers tensions and contradictions inherent in the identity of the serious artist who relied on the ephemeral forms of journalism for money and reputation

Black Lambs and Grey Falcons John B. Allcock, Antonia Young, 2000 During the nineteenth century the Balkan countries became the subject of a rather romantic fascination for the public at large This has had important consequences for the way in which the region has been viewed since then and the creation of this image has had an impact on the many aspects of West European and North American responses to the Balkans ranging from diplomatic and military involvement to the burgeoning flow of tourists This vision of the area has been created in large measure by the writing of women travellers such as those represented in this volume The achievements of these women are quite remarkable in many cases their travels were adventurous and even dangerous reaching into parts of the countryside which were remote and hardly known to outsiders Not only as travellers but also in the fields of medical and military service scholarship and education journalism and literature did these travellers contribute in very significant ways to the expansion of women's horizons and to the attempt to gain greater freedom for women in society in general *The Routledge Companion to Travel Writing* Carl

Feminism and Motherhood in Western Europe, 1890-1970 A. Allen, 2005-06-30 According to Allen motherhood and citizenship are terms that are closely linked and have been redefined over the past century due to changes in women's status, feminist movements and political developments. Mother-child relationships were greatly affected by political decisions during the early 1900s and the maternal role has been transformed over the years. To understand the dilemmas faced by women concerning motherhood and work, for example, Allen argues that the problem must be examined in terms of its demographic and political development through history. Allen highlights the feminist movements in Western Europe, primarily Britain, France, Germany and the Netherlands, and explores the implications of the maternal role for women's aspirations to the rights of citizenship. Among the topics Allen explores are the history of the maternal role, psychoanalysis and theories on the mother-child relationship, changes in family law from 1890-1914, the economic status of mothers and reproductive responsibility.
