Rebel And The Redcoat

Karyn Monk

Rebel And The Redcoat:

The Rebel and the Redcoat Constant, Jan, 1980 *The Rebel and the Redcoat* Karyn Monk, 1996 Josephine Armstrong thinks she's going to die when her South Carolina farm comes under attack But when a handsome British officer takes the bullet meant for her Josephine knows she will protect her wounded savior even if he is the enemy Lt Col Damien Powell has no idea that the courageous beauty he has rescued is also a bewitching rebel spy who charms strategic secrets out of officers

Rebels and Redcoats Hugh Bichen, 2003 Controversial and revisionist history of America's first civil war Accompanying four part BBC TV series written and presented by star military historian Richard Holmes Most people view the American Revolutionary War of the 1775-83 also known as the War of Independence as a popular struggle for liberty against an oppressive colonial power **REBELS REDCOATS** by historian Hugh Bichen written to accompany a four part BBC television series presented by Richard Holmes demonstrates that it was in fact America's first civil war Employing the latest scholarship and vivid eyewitness accounts Bichen argues that the war was the product of a broad French imperial design and greed of many prominent colonials As many Americans remained loyal to the Crown as rebelled against it and the reasons for adopting or changing sides were as varied as the men and women who had to make the unenviable decision Native and African Americans overwhelmingly favoured the British cause We hear not only the voices of Rebels and Redcoats but also of German mercenaries and aristocratic French adventurers as well as Indian warriors and Black slaves fighting for their independence which together shed new light on events that forged a nation The main loser was the French monarchy which ruined itself to gain no lasting influence over the United States while unable to exploit the distraction the war created either to invade Britain or gain control of the West Indies which at the time were considered a far bigger prize than all of North America Redcoats and Rebels Christopher Hibbert, 2002 A full scale popular history of the American War of Independence The Rebel and the Redcoat Lorna Windham, 2019-01-21 Scotland 1745 Jilted by a man she'd never met Lady Anne Kerr is ostracised by society She catches the eye of Philippe Etienne the French privateer and Jacobite she worshipped as a child but somehow she cannot forget Rob Stewart the man she should have married Meanwhile Rob Stewart renounces his unobtainable first love the mysterious M and rejecting his Jacobite family's beliefs enlists as a redcoat When Anne becomes a Jacobite spy she finally meets Rob They are strongly attracted to each other but are on opposing sides of the bloody conflict Anne has dangerous links to supporters of Bonnie Prince Charlie Rob is tasked with his capture Each one holds a secret that if discovered would mean death Obligated to marry Anne and Rob settle into an uneasy relationship Can their marriage survive or will war and politics tear them apart *The Rebel and the Redcoat* follows the exhilarating *The Jacobite's Daughter* and is the second story in the *Code of Honour Trilogy* **Rebels and Redcoats** Hugh Bichen, 2004 Accompanying a four part BBC TV series this is the story of a vicious struggle between brothers friends and families which forged a new nation The book tells the history of the passionate violent and bloody events of America in the 1770s taking a

controversial and revisionist view **Vicky Peterwald: Rebel** Mike Shepherd, 2016-05-31 From the New York Times bestselling author of the Kris Longknife series comes a military science fiction adventure featuring Vicky Peterwald Vicky Peterwald is no longer just the heir apparent to an imperial dynasty She survived naval training and proved her mettle in combat to help the starving people of the ravaged world of St Petersburg Now she is truly a Grand Duchess leading a growing battle fleet in a rebellion against the tyranny of her stepmother the Empress Determined to stop her spoiled stepdaughter's betrayal from upsetting the balance of power within the Peterwald Empire the Empress is leading her own armada to St Petersburg intent on killing Vicky and every soul on the planet that gave her refuge But Vicky is her father's daughter and it would be a grave mistake to underestimate her **Lady Barbarity** John Collis Snaith, 1899 **Into the Tiger's Mouth** David T. Dana III, 2014-04-10 Inspired by the experiences of Richard Starr Dana author David T Dana III's great grandfather Into the Tiger's Mouth offers new perspectives on a turbulent period As a young man Dana lived in three vastly different Chinese cities Hong Kong Shanghai and Hankow Now his letters and reminiscences come to life Starr begins his adventure as an expatriate American merchant living a life of luxury in the British colony His curiosity pulls him deep within China's foreign culture where he fights greed and corruption As the British and French fight the opium wars and the Chinese Taiping Rebellion ravages the land Along the way Richard Starr faces death illness moral conundrums and profound loneliness in a culture he is worlds away from truly understanding Nothing is as he expects Conniving Chinese merchants help him with one hand and cheat him with another while China is threatened by violence and foreign invasion Amid rebellion war corruption poverty and opium conditions deteriorate around him Dreams of his own fortunes ebb and flow and he questions his identity Back at home Civil War tears America apart Nothing is as it should be An exciting story based on an ancestor From the shoot em up fights to the very subtle love story to the quest for money and conflict of values Phyllis Forbes Kerr editor Letters from China Moving and interesting stories in this fascinating novel bring the reader back to the days of the old China trade Yong Chen History Department University of California Irvine The Young Folks' Library: The book of adventure, 1901 **The Reb and the Redcoats** Constance Savery, 1999-04-18 In an interesting turnabout the Revolutionary War is seen through the eyes of a British family to whom an American prisoner of war has been entrusted Technically the young prisoner is in Uncle Lawrence's custody but the children soon forge a forbidden friendship with him after he nearly dies in an attempted escape He becomes the Reb and they his Redcoats But when they learn of some events leading to his coming to Europe even Uncle Lawrence embittered by the unjust death of a friend in America thaws toward him but this doesn't stop the Reb from scheming to escape Constance Savery deftly weaves themes of trust and forgiveness into an interesting plot with likeable characters The Book of Adventure Nathan Haskell Dole, 1902 A collection of stories from around the world *The Redcoat and Religion* Michael Snape, 2013-01-11 This compelling study presents the most comprehensive examination available of the role of religion in the army during the eighteenth and nineteenth centuries

Through extensive analysis of official military sources religious publications and personal memoirs Michael Snape challenges the widely held assumption that religion did not play a role in the British Army until the mid Victorian period and demonstrates that the British soldier was highly susceptible to religious influences long before the Crimean War and Indian Mutiny rendered the subject of wider public concern In *The Redcoat and Religion* Snape argues that religion was of significant even defining importance to the British soldier and reveals the enduring strength and vitality of religion in contemporary British society challenging the view that the popular religious culture of the era was wholly dependent upon the presence and activities of women Students of British history military history and religion will all find this an insightful resource for their studies

The War for American Independence Mark Edward Lender, 2016-08-22 An indispensable resource for investigating America's War for Independence this book provides a comprehensive yet concise narrative that combines the author's original perspectives with the latest scholarship on the subject Without the War for Independence and its successful outcome for the patriots the course of American development our institutions culture politics and economics would have run in radically different directions From any perspective the War for Independence was one of the seminal events of national history This book offers a clear easy to read and complete overview of the origins of the imperial crisis the course of the war and the ultimate success of the movement for independence It also emphasizes the human cost of the struggle the ferocity of the fighting that stemmed from the belief among participants on all sides that defeat was tantamount to cultural political and even physical extinction The narrative encompasses the author's original insights and takes advantage of the newest scholarship on the American Revolution The book includes primary documents and biographical sketches representative of the various participants in the revolutionary struggle for example private soldiers senior officers loyalists women blacks and Indians as well as famous speeches and important American and British official documents The edited documents offer readers a sense of the actual voices of the revolutionary struggle and a deeper understanding of how primary documents serve historians narration and interpretation of long ago events The result is a new synthesis that brings a deeper understanding of America's defining struggle to an informed public readership as well as college and high school students

Patriots, Redcoats and Spies Robert J. Skead, 2015-02-03 When their father is injured twins John and Ambrose must deliver a crucial secret message to General George Washington facing danger from both the war raging around them and a British soldier who is hot on their trail Based on the real Culper Spy Ring book one of the American Revolutionary War Adventures historical fiction series is a fun way for children to experience American history When their patriot father is shot by British soldiers while on a mission for the Continental Army it falls to 14 year old twins John and Ambrose to deliver the secret message their dad was carrying to General George Washington As the boys set off from Connecticut to New Jersey to find General Washington they discover the road to the commander in chief of the Continental Army is full of obstacles including the redcoat who shot their father and who is determined to stop the message no matter what In addition to

bringing to life America's war for independence including information on the Culper Spy Ring that helped turn the war for the Colonies. Patriots, Redcoats and Spies Teaches children about the Revolutionary War from a kid's perspective. Is packed with historical information that is entertaining and educational. Contains discussion questions, backgrounds on the real life historical persons featured in the book and a glossary of key terms. Can be used alongside school curriculum and as a homeschool resource. American Revolutionary War Adventures Are great for young readers ages 8-12 who like history. Are a fictionalized stories from history inspired by real events and people. Are perfect for back to school or summer reading challenges. Make a great gift for Christmas, holidays, birthdays or other gift giving occasions. **Redcoat** Richard Holmes, 2002. Based on the letters and diaries of the British soldiers who served as the backbone of the army from 1760 to 1860, this illuminating book is rich in the history of a fascinating era of illustrations. Liberty's Fallen Generals Steven E. Stryker, 2012-09-30. From June 1775 to February 1781 during the American War of Independence, ten patriot generals died as a result of combat wounds. Their service and deaths spanned most of the war's duration and geographical expanse. The generals were a diverse group with six born in America and four in Europe, three coming from professional military backgrounds and the rest citizen soldiers mostly with limited military experience. As the colonists won their independence, the fallen generals became martyrs for the revolutionary ideals that would inspire later generations throughout the world. Liberty's Fallen Generals is the first book to analyze these key military leaders' service and the quality of their leadership in light of recent scholarship on the Revolutionary War. Each general's profile provides background on military and political events leading to his emergence, assesses the general as a military leader in the war, and examines the campaign that culminated in his battle-related death. A compelling study in leadership and sacrifice, Liberty's Fallen Generals is essential reading for those interested in learning more about America's earliest heroes. **Redcoats** Stephen Brumwell, 2006-01-09. In the last decade, scholarship has highlighted the significance of the Seven Years War for the destiny of Britain's Atlantic empire. This major 2001 study offers an important perspective through a vivid and scholarly account of the regular troops at the sharp end of that conflict's bloody and decisive American campaigns. Sources are employed to challenge enduring stereotypes regarding both the social composition and military prowess of the redcoats. This shows how the humble soldiers who fought from Nova Scotia to Cuba developed a powerful esprit de corps that equipped them to defy savage discipline in defence of their rights. It traces the evolution of Britain's American Army from a feeble conservative and discredited organisation into a tough, flexible and innovative force whose victories ultimately won the respect of colonial Americans. By providing a voice for these neglected shock troops of empire, Redcoats adds flesh and blood to Georgian Britain's sinews of power. **Redcoat** Gregory Sass, 1985. Shadrach Byfield may well be the most unlucky down-trodden and generally put-upon young hero to trod the pages of a novel since Charles Dickens put pen to paper and immortalized Oliver Twist. Shadrach for his part contrives to bribe his way out of the workhouses of Newcastle, but it costs him half his enlistment bounty and soon the 41st Regiment

takes ship to Canada Service under General Brock proves worse if such could possibly be the case than the beatings and taunts Shadrach suffered as a schoolboy under the hand of his arch nemesis John Quarry Shadrach is a survivor and in the end he outlasts Quarry but in the middle Redcoat is the whole story of Shadrach Byfield s travels and travails from the time he left Branxton Lane to his return many years later after he in his own words had lived to be a man **Redcoats, Yankees, and Allies** Brenton C. Kemmer,1998-01-01 Illustrated by Joe Lee The vital Lake George Lake Champlain corridor always a strategic link between New England and Canada is the geographical setting of this study of the uniforms and clothing of British and Yankee soldiers and their Native America

If you ally need such a referred **Rebel And The Redcoat** ebook that will present you worth, acquire the very best seller from us currently from several preferred authors.
