Rebel Daughter An Autobiography:

Rebel Daughter Doris Anderson, 2002-05-17 During her twenty years as the editor of Chatelaine magazine Doris Anderson blazed a trail for Canadian women Long before Betty Friedan's *The Feminine Mystique* was published Anderson was writing about abortion child care custody arrangements and pay equity Her editorials laid the foundation for the feminist movement in Canada In *Rebel Daughter* we are introduced to the life of this fascinating and influential woman We learn of her turbulent early years in Depression era Alberta and her sometimes frustrating efforts to establish herself as a professional journalist in Toronto in the 1940s We are given a behind the scenes look at her often stormy years with Maclean Hunter and at her decades long editorship of Chatelaine We experience her struggles as head of the Canadian Advisory Council on the Status of Women and her fight to have one simple statement enshrined in the Charter of Rights and Freedoms that men and women are equal under the law Hard hitting moving controversial and inspirational *Rebel Daughter* is the no holds barred story of an exceptional Canadian woman 1997 *Runaway Wives and Rogue Feminists* Margo

Goodhand, 2017-09-18T00:00:00Z In the supposedly enlightened 60s and 70s violence against women was widespread It wasn't talked about and women had few if any options to escape their abusers Yet in 1973 with no statistics no money and little public support five disparate groups of Canadian women quietly opened Canada's first battered women's shelters Today there are well over 600 In *Runaway Wives and Rogue Feminists* journalist Margo Goodhand tracks down the rogue feminists whose work forged an underground railway for women and children weaving their stories into an unforgettable and until now untold history As they lobbied for funding scrounged for furniture and fended off outraged husbands these women marked a defining moment in Canadian history triggering monumental changes in government schools courts and law enforcement But was it enough to stop the cycle of violence Forty years later these pioneers describe how and why Canada has lost its ground in the battle for women's rights

Equality Deferred Dominique Clément, 2014-05-06 In *Equality Deferred* Dominique Clément traces the history of sex discrimination in Canadian law and the origins of human rights legislation Focusing on British Columbia the first jurisdiction to prohibit discrimination on the basis of sex he documents a variety of absurd almost unbelievable acts of discrimination Drawing on previously undisclosed human rights commission records Clément explores the rise and fall of what was once the country's most progressive human rights legal regime and reveals how political divisions and social movements shaped the human rights state This book is not only a testament to the revolutionary impact of human rights on Canadian law but also a reminder that it takes more than laws to effect transformative social change

Marion Dewar Deborah Gorham, 2016-09-13 Marion Dewar could never ignore a person who was begging in the street Along with money she would offer words of encouragement and friendship Perhaps it was her training as a nurse her devout Catholic upbringing or maybe it was simply because she was a genuinely compassionate woman As mayor of Ottawa from 1978-1985 Marion Dewar worked tirelessly to bring about non profit housing better public transportation support and

encouragement for the arts for peace and for women's rights She advocated for visible minorities gays and lesbians and was the driving force behind the initiative to bring 4 000 boat people to Ottawa from Vietnam and Southeast Asia She was a prominent member of the New Democratic Party and sat as a Member of Parliament in 1987 1988 all while raising four children Accompanied by archival and personal photos an intriguing look at a woman who took action when it counted most

The Satellite Sex Barbara M. Freeman, 2001-05-02 Citing a lack of strong feminist voices in contemporary Canadian media Freeman journalism Carleton U Ottawa was motivated to write this first book length analysis of news media coverage of women's issues in Canada The period 1966 1971 is seen as a critical period in Canadian feminist history during which time the Canadian government appointed a federal inquiry into women's issues the Royal Commission on the Status of Women Freeman examines the relationship between the Commission and the media the reporters' understandings of professional practice and the ways in which they covered issues from the hearings and the Commission's Report She argues that an understanding of media coverage of gender issues in the past may lead to thoughtful and effective coverage now and in the future Accessible to a general audience c Book News Inc

Ten Thousand Roses Judy Rebick, 2005-02-22 Ten Thousand Roses is a rich tapestry of stories told by over a hundred feminists from across Canada who organized, discussed, protested and struggled for change Legalized abortion resistance to male violence pay equity and employment equity legal equality through the Charter pornography anti racism action against poverty rights for Aboriginal women and child care these are the issues that rallied Canadian women to activism from the 1960s through the 1990s the second wave of feminism Judy Rebick feminist activist weaves together an insightful and stirring oral history full of four decades of struggle defeat and triumph The book also offers honest and insightful discussions of the differences that simultaneously divided and strengthened the women's movement in its efforts to remake a male dominated culture These stories define the Canadian women's movement as one of the most successful on the planet and open a treasure chest of knowledge for anyone wanting to make a better world

Feminist Acts Tessa Jordan, 2019-10-31 The history of Branching Out Canada's first national second wave feminist magazine is the story of an upstart publication from the prairies that was read from coast to coast It is also a story of political activism and community building When it ceased publication in 1980 Branching Out had reached more readers than any similar periodical Feminist Acts is an in depth examination of feminist publishing written to bring more Canadian voices into conversations about women's cultural production A vital text of recuperation the book draws on first hand accounts from women who were there It is a must read for anyone interested in feminist activism gender studies Canadian cultural history or publishing history Foreword by Eleanor Wachtel

Outside the Box Maria Meindl, 2011-08-18 Years later Maria took on the daunting task of sorting through Mona's mountain of papers to create an archive for the University of Toronto's Fisher Rare Book Library The chaotic state of the boxes reflected Mona's flamboyant and demanding personality yet they also drew an important picture of the life of a Canadian freelancer in the twentieth century Mona had begun publishing poetry and

features in newspapers in the 1920s and published three books of poetry in the 1940s In the 1950s at a time when many women were retreating from the public sphere she had a successful radio career Her later journals and letters recount in agonizing detail a downward spiral into self doubt poverty and addiction Maria soon discovered that the truth of Mona s life was even more fascinating than her stories Outside the Box brings to life a thinly documented era in Canadian letters through the story of one passionate and conflicted woman It also charts the journey of an unwilling archivist coming to terms with family secrets forgotten history and the stories that are never told

The Art of the Obit Sandra Martin,2014-04-15 In The Art of the Obit award winning journalist Sandra Martin reveals the cult and craft of obituary writing from the ancient Greeks to a wired up 24 7 world In this witty exploration of our oldest biographical form Martin punctures five long held myths about the dead beat chronicles the social political cultural and historical impact of obituaries and explores the future of writing about the dead on the Internet and social media sites This fascinating and provocative work proves that there s no such thing as an uninteresting life

Pauline Jewett Judith McKenzie,1999 Pauline Jewett is the compelling story of an important and dynamic Canadian whose proposals for peace equality and justice in the context of a strong and independent Canada were an important influence on the Canadian political scene in the 1970s and 1980s

Working the Dead Beat Sandra Martin,2012-09-11 Longlisted for the Charles Taylor Prize and selected as a Globe and Mail Top 100 Book and an iTunes Store Best Book Globe and Mail columnist Sandra Martin honours the lives of Canada s famous infamous and unsung heroes in this unique collection of obituaries of the first decade of the twenty first century Here are Canadian icons such as Prime Minister Pierre Trudeau economist John Kenneth Galbraith social activist June Callwood and urban theorist Jane Jacobs Here are builders such as feminist and editor Doris Anderson and businessman and famed art collector Ken Thomson Here are our rogues rascals and romantics our service men and women and here are those private citizens whose lives have had an undeniable public impact Finally Martin interweaves these elegant and eloquent biographies with the autobiography of the obit writer offering an exclusive and intimate view of life on the dead beat Beautifully written compelling and vivid Working the Dead Beat is a tribute to those individuals who each on their own and as a collective tell the story of our country and to the life of the obit writer who chronicles their extraordinary lives

Roughing it in the Suburbs Valerie J. Korinek,2000-01-01 Korinek shows that rather than promoting domestic perfection Chatelaine did not cling to the stereotypes of the era but instead forged ahead providing women with a variety of images ideas and critiques of women s role in society

No Choice The Childbirth by Choice Trust,2023-05-24 Twenty five years after its publication in 1998 No Choice remains an essential read in Canada and around the world where abortion rights are still under threat These stories spanning six decades illustrate the terrifyingly dangerous means that people will resort to in order to end a pregnancy This digital edition includes the original foreword from Doris Anderson a new foreword and a review from Michele Landsberg No Choice should be required reading for every student every daughter every elected man or woman who dares to think of meddling

ever again with women's reproductive rights *Riverdale* Elizabeth Gillan Muir, 2014-10-08 A complete history of Toronto's Riverdale community this book narrates the lives of early inhabitants reaching as far back as Simcoe's first settlement of the region the construction boom of 1915 and the waves of immigration that made Riverdale one of Toronto's most diverse areas

Our 100 Years Dianne Dodd, 2020-04-21 This engaging study of a still active women's organization is more than a centennial history to make its members proud It also provides a lively exploration of a unique organization founded by early women leaders in higher education who offered friendship community engagement and lifelong learning With a leadership of exceptional women the organization played a largely overlooked role in the women's movement by supporting education and the arts encouraging young women to pursue higher education and scholarships and through its advocacy initiatives helped to build the Canadian nation

The West and Beyond Sarah Carter, Alvin Finkel, Peter Fortna, 2010 The West and Beyond evaluates and appraises the state of Western Canadian history acknowledging and assessing the contributions of historians of the past and present while showcasing the research interests of a new generation of scholars It charts new directions for the future and stimulates further interrogations of our past This collection encourages dialogue among the generations of historians of the West and among practitioners of diverse approaches to the past It also reflects a broad range of disciplinary and professional boundaries suggesting a number of different ways to understand the west
