Rebel Rose:

The Pinks Chris Enss, 2017-07-01 The true story of Kate Warne and the other women who served as Pinkertons fulfilling the adage Well behaved Women Seldom Make History Most students of the Old West and American law enforcement history know the story of the notorious and ruthless Pinkerton Detective Agency and the legends behind their role in establishing the Secret Service and tangling with Old West Outlaws But the true story of Kate Warne an operative of the Pinkerton Agency and the first woman detective in America and the stories of the other women who served their country as part of the storied crew of crime fighters are not well known For the first time the stories of these intrepid women are collected here and richly illustrated throughout with numerous historical photographs From Kate Warne s probable affair with Allan Pinkerton and her part in saving the life of Abraham Lincoln in 1861 to the lives and careers of the other women who broke out of the Cult of True Womanhood in pursuit of justice these true stories add another dimension to our understanding of American history

Bad Girls Jane Yolen, Heidi E. Y. Stemple, 2013-02-01 From Jezebel to Catherine the Great from Cleopatra to Mae West from Mata Hari to Bonnie Parker strong women have been a problem for historians storytellers and readers Strong females smack of the unfeminine They have been called wicked wanton and willful Sometimes that is a just designation but just as often it is not Well behaved women seldom make history is the frequently quoted statement by historian and feminist Laurel Thatcher Ulrich But what makes these misbehaving women bad Are we idolizing the wicked or salvaging the strong In BAD GIRLS readers meet twenty six of history s most notorious women each with a rotten reputation But authors Jane Yolen and Heidi Stemple remind us that there are two sides to every story Was Delilah a harlot or hero Was Catherine the Great a great ruler or just plain ruthless At the end of each chapter Yolen and Stemple appear as themselves in comic panels as they debate each girl s badness Heidi as the prosecution Jane for context This unique and sassy examination of famed female historical figures will engage readers with its unusual presentation of the subject matter Heidi and Jane s strong arguments for the innocence and guilt of each bad girl promotes the practice of critical thinking as well as the idea that history is subjective Rebecca Guay s detailed illustrations provide a rich stylized portrait of each woman while the inclusion of comic panels will resonate with fans of graphic novels The Rebel Rose. A Novel. [By J. MacCarthy and R. M. Praed.], 1888

Bad Girls Jane Yolen, Heidi E. Y. Stemple, 2018-01-01 From Delilah to Cleopatra from Anne Boleyn and bloody Queen Mary to Calamity Jane Typhoid Mary and more the 26 notorious women analyzed here all have rotten reputations But were these vixen really as wicked as they seemed *North Carolina Women* Michele Gillespie, Sally G. McMillen, 2014 This first of two volumes on North Carolina women chronicles the influence and accomplishments of individual women from the pre Revolutionary period through the early 20th century They represent a range of social and economic backgrounds political stances areas of influence and geographical regions within the state Even though North Carolina remained mostly rural until well into the twentieth century and the lives of most women centered on farm family and church Gillespie and McMillen note

that the state's people exhibited a progressive streak that positively influenced women. Public funds were set aside to advance statewide education; private efforts after the Civil War led to the founding of numerous black schools and colleges and in 1891 the General Assembly chartered the State Normal and Industrial School, later UNC-G, as one of the first publicly funded colleges for white women. By the late 19th century, as several essays in this volume reveal, education played a pivotal role in the lives of many white and black women. It inspired their activism and involvement in a world beyond their traditional domestic sphere.

Ghosthunting North Carolina Kala Ambrose, 2011-09-13 Journey with author Kala Ambrose as she explores the most terrifying paranormal spots in the state of North Carolina. She begins in the coastal wetlands of East Carolina where she explores haunted lighthouses, battleships, forts, and the shipwrecked beaches where Blackbeard and his pirates still roam. She tours the Piedmont area of NC and visits the most actively haunted capitol in the US and interacts with the ghost of a former NC State Governor. Her journey continues west into the Blue Ridge Mountains where the ghost known as the pink lady and her friends await your presence at the historic Grove Park Inn where many presidents, celebrities, and ghosts have stayed over the decades. Travel information is provided to each haunted location for those brave enough to make the journey in person and for paranormal researchers who are interested in exploring haunted North Carolina. Join Kala Ambrose as your guide to Ghosthunting North Carolina as she takes you behind the scenes with detailed information about each destination.

Wild Rose Ann Blackman, 2005-06-07 For sheer bravado and style, no woman in the North or South rivaled the Civil War heroine Rose O'Neale Greenhow. Fearless spy for the Confederacy, glittering Washington hostess, legendary beauty, and lover, Rose Greenhow risked everything for the cause she valued more than life itself. In this superb portrait, biographer Ann Blackman tells the surprising true story of a unique woman in history. I am a Southern woman born with revolutionary blood in my veins. Rose once declared, and that fiery spirit would plunge her into the center of power and the thick of adventure. Born into a slaveholding family, Rose moved to Washington, D.C., as a young woman and soon established herself as one of the capital's most charming and influential socialites, an intimate of John C. Calhoun, James Buchanan, and Dolley Madison. She married well, bore eight children, and buried five, and at the height of the Gold Rush accompanied her husband, Robert Greenhow, to San Francisco. Widowed after Robert died in a tragic accident, Rose became notorious in Washington for her daring and numerous love affairs. But with the outbreak of the Civil War, everything changed. Overnight, Rose Greenhow, fashionable hostess, became Rose Greenhow, intrepid spy. As Blackman reveals, deadly accurate intelligence that Rose supplied to General Pierre G.T. Beauregard, written in a fascinating code (the code duplicated in the background on the jacket of this book), Her message to Beauregard turned the tide in the first Battle of Bull Run and was a brilliant piece of spycraft that eventually led to her arrest by Allan Pinkerton and imprisonment with her young daughter. Indomitable Rose regained her freedom and as the war reached a crisis journeyed to Europe to plead the Confederate cause at the royal courts of England and France. Drawing on newly discovered diaries and a rich trove of contemporary accounts,

Blackman has fashioned a thrilling intimate narrative that reads like a novel Wild Rose is an unforgettable rendering of an astonishing woman a book that will stand with the finest Civil War biographies *The First Unicorn Rider* A.F.

Steadman,2025-11-11 Meet the adventurer who first discovered the Island in this thrilling novella prequel to the Skandar series from New York Times and internationally bestselling author A F Steadman featuring black and white illustrations throughout George Penhaligon has only ever wanted adventure And when he finds himself shipwrecked and alone on a mysterious island he makes an incredible discovery Unicorns are real and they re bloodthirsty Slowly George gains one unicorn s trust and together they explore the island s magical secrets But there is a dark presence lurking in his new home more deadly than any unicorn Can George fulfill his destiny and free the island from a terrible fate *Earthen* J. E.

Gaudeo,2017-06-01 Enter through the portal and into the Earthen Realm that is filled with both magic and darkness Twenty years ago war had been declared within the realm as bloodshed of the innocent Earthen creatures and the murders of the Seelie Court have been spilled due to Brun Darkmoon and his army of Rebels Where darkness reigned heavy within the Earthen realm hope appeared as a flicker of light posing itself as a new born infant The Earthen Realm s savior Faylinn Morning Dove is forced to leave the realm to escape persecution and into the Human Realm where she would live out her life safely until her twentieth birthday Savior Chosen When Faylinn turns twenty her power that had been bonded is now restored in full as she enters through the portal and into the Earthen Realm It is there in the realm when she discovers her true identity and learns that she is more than just one of the Fae Folk but she is indeed the Earthen Queen Learning how to control her power Faylinn discovers that the blood that binds her is more than what she may have realized but it is in fact tainted by another source Join Faylinn Morning Dove and the other Earthen creatures of the Realm in the first exciting and exhilarating installment of The Earthen Saga Earthen is packed with Celtic mythology Earthen Gods and an enchanting world that will take readers for a ride War has been declared which side are you on **The Secret War for the Union** Edwin C.

Fishel,2014-07-01 A treasure trove for historians A real addition to Civil War history Kirkus Reviews starred review At the end of the American Civil War most of the intelligence records disappeared remaining hidden for over a century As a result little has been understood about the role of espionage and other intelligence sources from balloonists to signalmen with their telescopes When at the National Archives Edwin C Fishel discovered long forgotten documents the operational files of the Army of the Potomac s Bureau of Military Information he had the makings of this the first book to thoroughly and authentically examine the impact of intelligence on the Civil War providing a new perspective on this period in history Drawing on these papers as well as over a thousand pages of reports by General McClellan s intelligence chief the detective Allan Pinkerton and other information he created an account of the Civil War that breaks much new ground The New York Times The former chief intelligence reporter for the National Security Agency brings his professional expertise to bear in this detailed analysis which makes a notable contribution to Civil War literature as the first major study to present the war s

campaigns from an intelligence perspective Focusing on intelligence work in the eastern theater 1861 1863 Fishel plays down the role of individual agents like James Longstreet s famous scout Henry Harrison concentrating instead on the increasingly sophisticated development of intelligence systems by both sides Expertly written organized and researched Publishers Weekly Fundamentally changes our picture of the secret service in the Civil War The Washington Post
