Receiving Woman - Studies in the Psychology and Theology of the Feminine Ann Belford Ulanov, We live in a time of unparalleled opportunity for women and a time just because of that opportunity of great stress It is a time when every woman can find her own particular style to develop her skills to acknowledge her needs and failures and to claim both her satisfactions and dissatisfactions The old stereotypes are all but dead But another danger threatens of new stereotyped roles for women in the very range of choices and opportunities presented to the RECEIVING WOMAN grew out of a decade of reflections on women s experiences my own my patients and my students writes Professor Ulanov From all of them a common voice emerged speaking about each woman s struggle to receive all of herself Each was trying to find and put together different parts of herself into a whole that was personal alive and real to her and to others I know that women want to be all of themselves and want to be their own selves not examples of types They want to work out their own individual combinations of what have been called the masculine and feminine parts of themselves This book focuses on that possibility on women receiving themselves all of themselves wisely and gladly
