Recent America The United States Since 1945:

Recent America Dewey W. Grantham, 1987 A textbook for an undergraduate college course and a survey for general readers Grantham history Vanderbilt U focuses on national politics federal policy and the role of the US in international affairs He also seeks to instill a historical consciousness that integrates the past and the present Extended and revised from the 1989 edition Annotation copyrighted by Book News Inc Portland OR **Recent America** Irwin Unger, 2002 Pulitzer Prize winning author Irwin Unger provides a compelling narrative history of the American years from the end of World War Two to the 21st century The text touches all the major topical bases wars economic growth women racial and life style minorities cultural trends demographic evolution and politics and diplomacy while telling the story of America's history and places the themes within their chronological setting Written to educate students in the broad trends the text highlights how economic demographic and cultural change affected all Americans rather than one specific group This volume covers all aspects of American history since World War II including Postwar America 1945 1952 the Eisenhower Era 1953 1960 the turbulent sixties Vietnam an era of malaise the conservative tide and century's end 1993 2001 For history enthusiast and others interested in a broad based narrative on American History since World War II *The Routledge Companion to World History since 1914* Chris Cook, John Stevenson, 2006-01-27 The Routledge Companion to World History since 1914 is an outstanding compendium of facts and figures on World History Fully up to date reliable and clear this volume is the indispensable source of information on a thorough range of topics such as the Arab Israeli conflict anti semitism and the Holocaust all the world's major famines and natural disasters since 1914 whether all countries of the world have a king president prime minister or other governance GNP of the world's major states year by year biographies of key figures civil rights movements the Vietnam War the rise of terrorism globalization Thematically presented the book covers topics relevant from the First World War to the Iraq war of 2003 and from post colonial Africa to conflicts and movements in Southeast Asia With maps chronologies and full bibliography this user friendly reference work is the essential companion for students of history politics and international relations and for all those with an interest in world history Reader's Guide to American History Peter J. Parish, 2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader's Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history *America's Congress* David R. Mayhew, 2008-10-01 To understand American politics and government we need to recognize not only that

members of Congress are agents of societal interests and preferences but also that they act with a certain degree of autonomy and consequence in the country's public sphere In this illuminating book a distinguished political scientist examines actions performed by members of Congress throughout American history assessing their patterns and importance and their role in the American system of separation of powers David R Mayhew examines standard history books on the United States and identifies more than two thousand actions by individual members of the House and Senate that are significant enough to be mentioned Mayhew offers insights into a wide range of matters from the nature of congressional opposition to presidents and the surprising frequency of foreign policy actions to the timing of notable activity within congressional careers and the way that congressional term limits might affect these performances His book sheds new light on the contributions to U S history made by members of Congress

America Divided Maurice Isserman, Michael Kazin, 1999-11-18 In *America Divided* Maurice Isserman and Michael Kazin provide the definitive history of the 1960s in a book that tells a compelling tale filled with fresh and persuasive insights Ranging from the 1950s right up to the debacle of Watergate Isserman a noted historian of the Left and Kazin a leading specialist in populist movements not only recount the public and private actions of the era's many powerful political figures but also shed light on the social cultural and grassroots political movements of the decade Indeed readers will find a seamless narrative that integrates such events as the Cuban Missile Crisis and Operation Rolling Thunder with the rise of Motown and Bob Dylan and that blends the impact of Betty Friedan Martin Luther King and George Wallace with the role played by organizations ranging from the Student Non Violent Coordinating Committee to the Campus Crusade for Christ The authors broad ranging approach offers us the most sophisticated understanding to date of the interaction between key developments of the decade such as the Vietnam War the rise and fall of the Great Society and the conservative revival And they break new ground in their careful attention to every aspect of the political and cultural spectrum depicting the 1960s as a decade of right wing resurgence as much as radical triumph of Protestant apocalyptic revivalism as much as Roman Catholic liberalism and rising alternative religions Never before have all sides of the many political social and cultural conflicts been so well defined discussed and analyzed all in a swiftly moving narrative With *America Divided* the struggles of the Sixties and their legacy are finally clear

The 1960s Cultural Revolution John C. McWilliams, 2020-12-02 *The 1960s Cultural Revolution* is a highly readable and valuable resource revisiting personalities and events that sparked the cultural revolutions that have become synonymous with the 1960s *The 1960s Cultural Revolution A Reference Guide* is an engagingly written book that considers the forces that shaped the 1960s and made it the unique era that it was An introductory historical overview provides context and puts the decade in perspective With a focus on social and cultural history subsequent chapters focus on the New Left the antiwar movement the counterculture and 1968 a year that stands alone in American history The book also includes a wealth of reference material a comprehensive timeline of events biographical profiles of key players primary documents that enhance the significance of the

social political and cultural climate a glossary of key terms and a carefully selected annotated bibliography of print and nonprint sources for further study **A History of the World from the 20th to the 21st Century** John Ashley Soames Grenville,2005 Provides a comprehensive survey of the key events and personalities of this period **History of Humanity** UNESCO,2008-12-31 This is the seventh and final volume in this comprehensive guide to the history of world cultures throughout historical times **Invisible and Inaudible in Washington** Edelgard Mahant,Graeme S. Mount,2011-11-01 How does the United States view Canada As a country too unimportant to deserve any defined policy or one that is to be used simply to complement the U S mission in the world This book investigates the gap between Canadian perceptions of American policy toward Canada and actual US policy Edelgard Mahant and Graeme Mount examine details of White House policy from 1945 to the 1980s to assess the extent to which the United States could be said to have had a Canada policy They analyze Canada s role in American foreign policy during the crisis days of the Cold War and they also discuss economic issues such as natural resources trade and investment This book takes on and undermines widely held views of American policies toward Canada It challenges the popular nationalist view that Canada has been treated as peripheral and dependent but it also counters the opposing view that Washington has respected Canadian advice and benefitted from it Instead it argues that for the most part Canada has mattered little in Washington and that America s Canada policy is largely an ad hoc affair Invisible and Inaudible in Washington offers penetrating new perspectives on American Canadian relations a topic about which many Canadians thought there was little more to say and about which many Americans have scarcely thought at all

The A to Z of the Roosevelt-Truman Era Neil A. Wynn,2009-09-28 The 1930s were dominated by economic collapse stagnation and mass unemployment This crisis enabled the Democrats to recapture the White House and embark upon a period of reform unsurpassed until the 1960s Roosevelt s New Deal laid the foundations of a welfare system that was further consolidated during and after the Second World War American involvement in World War II helped to secure victory in Europe and in Asia American participation in the war led to economic recovery but also brought with it enormous demographic and social changes Some of these changes continued after the war had ended but further political reform was to be limited due to the impact of the Cold War and the effects of America s new role as the world s leading superpower in the atomic age The A to Z of the Roosevelt Truman Era examines significant individuals organizations and events in American political economic social and cultural history between 1933 and 1953 This was a period of enormous significance in the United States due to the impact of the Great Depression World War II and the onset of the Cold War The presidencies of Franklin D Roosevelt and Harry S Truman witnessed the origins of the modern American welfare system and the rise of the United States as a world power as well as its involvement in the confrontation with communism that dominated the latter half of the 20th century **Historical Dictionary of the Roosevelt-Truman Era** Neil A. Wynn,2008-07-01 The 1930s were dominated by economic collapse stagnation and mass unemployment This crisis enabled the Democrats to recapture the

White House and embark upon a period of reform unsurpassed until the 1960s Roosevelt's New Deal laid the foundations of a welfare system that was further consolidated during and after the Second World War American involvement in World War II helped to secure victory in Europe and in Asia American participation in the war led to economic recovery but also brought with it enormous demographic and social changes Some of these changes continued after the war had ended but further political reform was to be limited due to the impact of the Cold War and the effects of America's new role as the world's leading superpower in the atomic age The Historical Dictionary of the Roosevelt Truman Era examines significant individuals organizations and events in American political economic social and cultural history between 1933 and 1953 This was a period of enormous significance in the United States due to the impact of the Great Depression World War II and the onset of the Cold War The presidencies of Franklin D Roosevelt and Harry S Truman witnessed the origins of the modern American welfare system and the rise of the United States as a world power as well as its involvement in the confrontation with communism that dominated the latter half of the 20th century

Speak Now Against the Day John Egerton, 1995 cent Speak Now Against the Day His book is a stunning achievement a sprawling engrossing deeply moving account of those Southerners black and white who raised their voices to challenge the South's racial mores This is an eloquent and passionate book and one we cannot afford to forget Charles B Dew New York Times Book Review

America in the World Frank Costigliola, Michael J. Hogan, 2013-12-23 This volume includes historiographical surveys of American foreign relations since 1941 by some of the country's leading historians Some of the essays offer sweeping overviews of the major trends in the field of foreign international relations history Others survey the literature on US relations with particular regions of the world or on the foreign policies of presidential administrations The result is a comprehensive assessment of the historical literature on US foreign policy that highlights recent developments in the field

Britain and America After World War II Richard Wevill, 2012-05-15 The period immediately after World War II was a vital one for diplomatic relations and with the Soviet Union emerging as a new superpower it was particularly important for Britain's relations with America This is the first book to focus on the role of the British Embassy in Washington

during this period According to Richard Wevill the British Embassy was pivotal in the fulfilment of key British foreign financial and imperial policy objectives Applying the implications of new archival material to the turning points of the period including a detailed review of Lord Halifax's ambassadorship under Attlee a re evaluation of the part of Roger Makins in the atomic energy discussions and the Embassy's influence in relation to Palestine Wevill argues for a more nuanced understanding of the special relationship in its most formative period He offers a recasting of a crucial period of twentieth century history providing fascinating new detail on Britain's relations with President Truman as well as with Secretaries of State George Marshall and Dean Acheson Charting the beginnings of one of modern history's most influential alliances this book will be a primary reference point for students and scholars of History the Cold War Politics and International Relations

American Dreams H. W. Brands, 2011-05-31 From bestselling historian H W Brands an incisive chronicle of the events and trends that guided and sometimes misguided our nation from the A bomb to the iPhone For a brief bright moment in 1945 America stood at its apex looking back on victory not only against the Axis powers but against the Great Depression and looking ahead to seemingly limitless power and promise What we've done with that power and promise over the past six decades is a vitally important and fascinating topic that has rarely been tackled in one volume and never by a historian of H W Brands's stature As *American Dreams* opens Brands shows us a country dramatically different from our own more unequal in social terms but more equal economically more religious and rural but also more liberal and more wholeheartedly engaged with the rest of the world As he traces the changes we have gone through as a nation he reveals the great themes and dreams that have driven America the rising focus on individual rights and pleasures the growing distance between our global goals and those of the rest of the world and the inexorable dissolution of a shared sense of what it means to be American In Brands's adroit hands these trends unfold through a character driven narrative that sheds brilliant light on the obvious highs and lows from Watergate to the Berlin Wall from Apollo 11 to 9 11 from My Lai to shock and awe But he also chronicles the surprising impact of less celebrated events and trends Through his eyes we realize the sweeping significance of the immigration reforms of the 1960s which gradually transformed American society We come to grasp the vast impact of abandoning the gold standard in 1971 which enabled both globalization and the current financial crisis We ponder the unnerving results of CNN's debut in 1979 which sped up the news cycle and permanently changed our foreign policy by putting its effects live on our TV screens Blending political and cultural history with his keen sense of the spirit of the times Brands captures the national experience through the last six decades and reveals the still unfolding legacy of dreams born out of a global cataclysm

Political Contingency Ian Shapiro, Sonu Bedi, 2009-08 Political science theory

Planning in the USA J. B. Cullingworth, Roger W. Caves, 2009 This revised edition continues to provide a comprehensive introduction to the policies and practices of planning Discussing land use urban planning and environmental protection policies the text explains the nature of the planning process

Feminist (Im)Mobilities in Fortress(ing) North America Asst Prof Amy

Lind, Professor Anne Sisson Runyan, Professor Marianne H Marchand, Professor Patricia McDermott, 2013-03-28 Since the establishment of the North American Free Trade Agreement NAFTA tensions concerning immigration trends and policies which continued to escalate at the turn of the millennium resulted in revised national security policies in Mexico Canada and the United States These tensions have catalyzed the three governments to rethink their political and economic agendas While national feminist scholarship in and on these respective countries continue to predominate since NAFTA there has been increasing feminist inquiry in a North American regional frame Less has been done to understand challenges of the hegemonies of nation region and empire in this context and to adequately understand the meaning of im mobility in people s lives as well as the im mobilities of social theories and movements like feminism Drawing from current feminist scholarship on intimacy and political economy and using three main frameworks Fortressing Writs Exclusionary Rights Mobile Bodies Immobile Citizenships and Bordered Borderland Identities a handpicked group of established and rising feminist scholars methodically examine how the production of feminist knowledge has occurred in this region The economic racial gender and sexual normativities that have emerged and or been reconstituted in neoliberal and securitized North America further reveal the depth of regional and global restructuring

Recent America The United States Since 1945 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Recent America The United States Since 1945 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Recent America The United States Since 1945 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to

knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Recent America The United States Since 1945 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Recent America The United States Since 1945 Books

1. Where can I buy Recent America The United States Since 1945 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
