Recentering Globalization Popular Culture And Japanese Transnationalism:

Recentering Globalization Koichi Iwabuchi, 2002-11-08 An examination of the increased presence of Japanese media and popular culture in the rest of Asia and the way it has transformed Japanese self understanding *Recentering Globalization*, 2009 DIV An examination of the increased presence of Japanese media and popular culture in the rest of Asia and the way it has transformed Japanese self understanding div *Transnational Convergence of East Asian Pop Culture* Seok-Kyeong Hong, Dal Yong Jin, 2021-03-08 This book observes and analyzes transnational interactions of East Asian pop culture and current cultural practices comparing them to the production and consumption of Western popular culture and providing a theoretical discussion regarding the specific paradigm of East Asian pop culture Drawing on innovative theoretical perspectives and grounded empirical research an international team of authors consider the history of transnational flows within pop culture and then systematically address pop culture digital technologies and the media industry Chapters cover the Hallyu or Korean Wave phenomenon as well as Japanese and Chinese cultural industries Throughout the book the authors address the convergence of the once separated practical industrial and business aspects of popular culture under the influence of digital culture They further coherently synthesize a vast collection of research to examine the specific realities and practices of consumers that exist beyond regional boundaries shared cultural identities and historical constructs This book will be of interest to academic researchers undergraduates and graduate students of Asian media media studies communication studies cultural studies transcultural communication or sociology **Handbook of Japanese Media and Popular Culture in Transition** Forum Mithani, Griseldis Kirsch, 2025-10-01 The Handbook of Japanese Media and Popular Culture in Transition brings together new research and perspectives on popular media phenomena as well as shining a spotlight on texts that are less well known or studied Organized into five thematic sections the chapters span a diverse range of cultural genres including contemporary film and television postwar cinema advertising popular fiction men's magazines manga and anime karaoke and digital media They address issues critical to contemporary Japanese society the politicization of history authenticity and representation constructions of identity trauma and social disaffection intersectionality and transnationalism Drawing on methods and approaches from a range of disciplines the chapters make explicit the interconnections between these areas of research and map out possible trajectories for future inquiry As such the handbook will be of value to both novice scholars and seasoned researchers working within and or beyond the Japanese media studies remit **Gagaku** Fabio Rambelli, 2025-03-03 Gagaku the ceremonial music of the imperial court Buddhist temples and Shinto shrines in Japan was established in the early 8th century and has been continuously performed since then Despite its importance in the cultural and religious history of Japan this is the only book on the cultural history of Gagaku published outside of Japan The chapters written by the leading experts on Gagaku in Japan and elsewhere address religious philosophical and socio cultural aspects of this music with focus on Buddhism Confucianism Shinto and also explore the impact of modernization and

globalization The book discusses developments from the 1600s until the present most previous works focus on the 8th through 12th centuries including the samurai appropriation of Gagaku and the diffusion of this music among learned commoners It also traces the history of the global interest for Gagaku among contemporary composers in the early 20th century This book brings a new understanding of the cultural history of Japan by focusing on music its conceptual system and its impact on religion society and politics A must read for specialists of Japanese religion and culture musicologists and all those who are interested in world music

Popular Culture in Taiwan Marc Moskowitz, 2010-10-18 The growing field of popular culture studies in Taiwan can be divided into two distinct academic trends a different analytical framework is used to examine either locally oriented popular culture or transnational pop culture This volume combine these two academic trends firstly by revealing that localized popular culture in Taiwan is in many ways a merging of Chinese Japanese American and indigenous cultures and therefore is a form of hybridity that arose long before the term became popular Secondly the chapters show that the transnational character of Taiwan s pop culture is one of the more important ways that it distinguishes itself from mainland China In other words it is precisely Taiwan s transnational hybrid character that helps to define it as a distinctive local space The contributors explore how traditional Chinese influences modern localized lives in Taiwan localized identity culture and politics as a contested domain with Chinese and traditional Taiwanese identities and Taiwan s localization process as contesting Taiwan s gravitation towards globalized Western culture Including chapters on baseball poetry pop music puppets and Harry Potter Popular Culture in Taiwan is an accessible and stimulating read for those studying the culture and society of Taiwan and China as well as cultural studies more generally

Routledge Handbook of East Asian Popular Culture Koichi Iwabuchi, Eva Tsai, Chris Berry, 2016-12-01 Since the 1990s there has been a dramatic increase in cultural flows and connections between the countries in the East Asian region Nowhere is this more apparent than when looking at popular culture where uneven but multilateral exchanges of Japanese Korean Taiwanese Hong Kong and Chinese products have led to the construction of an East Asian Popular Culture This is both influenced by and in turn influences the national cultures and generates transnational co production and reinvention As East Asian popular culture becomes a global force it is increasingly important for us to understand the characteristics of contemporary East Asian popular culture and in particular its transnational nature In this handbook the contributors theorize East Asian experiences and reconsider Western theories on cultural globalization to provide a cutting edge overview of this global phenomenon The Routledge Handbook of East Asian Popular Culture will be of great interest to students and scholars of a wide range of disciplines including Cultural Studies Media Studies Communication Studies Anthropology Sociology and Asian Studies in general

The Copenhagen Journal of Asian Studies , 2002 [The Japanification of Children's Popular Culture](#) Mark I. West, 2009 Godzilla stomped his way into American movie theaters in 1956 and ever since then Japanese trends and cultural products have had a major impact on children s popular culture in America This can be seen in the Hello

Kitty paraphernalia phenomenon the popularity of anime television programs like Pokemon and Dragon Ball Z computer games and Hayao Miyazaki's award winning films such as Spirited Away and Princess Mononoke The Japanification of Children's Popular Culture brings together contributors from different backgrounds each exploring a particular aspect of this phenomenon from different angles from scholarly examinations to recounting personal experiences The book explains the interconnections among the various aspects of Japanese influence and discusses American responses to anime and other forms of Japanese popular culture *Posthuman Visions in Postwar U.S. and Japanese Speculative Fiction* Shigeru Suzuki, 2008 *Contemporary Southeast Asia*, 2005 **Fans, Bloggers, and Gamers** Henry Jenkins, 2006-09 Henry Jenkins's pioneering work in the early 1990s promoted the idea that fans are among the most active and socially connected consumers of popular culture This volume maps the core theoretical and methodological issues in fan studies and also charts the growth of participatory culture on the Web *Asia-Pacific Perspectives, Japan+.*, 2004 **Media Asia**, 2005

National Publics and Transnational Subjectivities Rachael Miyung Joo, 2006 **Media in the Age of Marketization** Graham Murdock, Janet Wasko, 2007 This book explores the notion that the push toward marketization is the central force currently restructuring the communications landscape and examines the consequences of this development for the constitution of public culture The contributors analyze the core institutional processes of marketization and assess their impact on the structure and operations of media and communication systems around the world over the last two decades The chapters are organized over four key themes consolidation incorporation globalization and resistance *The Oxford Handbook of Film and Media Studies* Robert Kolker, 2008-09-11 This handbook examines film and new media in the light of their convergence It draws on leading scholars in the field to discuss traditional areas of history and theory of film and digital media Its focus however is on the cycle of technologically driven arts Film was born of a number of experiments in reproducing motion all of which culminated in the nineteenth century projection of short films The creation of digital media resulted from experiments in alternative forms of representation in the early 1960s John Whitney began creating avant garde films from digital graphics around 1960 and some of his ideas and methods were incorporated by Stanley Kubrick in 2001 A Space Odyssey By the early 1990s commercial filmmakers began to employ digital effects in their work By the late nineties digital arts had come fully into their own both in the form of stand alone or interactive artworks and films created with and for the computer At the same time digital effects had completely overtaken optical printing and matte painting in film From special effects to creating realistic backgrounds and crowds the digital is infiltrating all aspects of filmmaking The infiltration is about to become a takeover as celluloid is replaced by high definition digital recording and projection processes Many aspects of film will change as this latest convergence takes place Already cultural response to film has changed as viewers begin to teach themselves about film through supplementary material on DVDs and to make their own films on home computers But this handbook is not a technical history or manual Quite the contrary it is a scholarly work discussing the

aesthetics economics and cultural results of these changes and convergences The book balances traditional scholarship and analysis with essays addressing technological change and the concurrent changes in cultural responses to these changes responses already acknowledged by the profession Transactions of the Asiatic Society of Japan Asiatic Society of Japan,2011 List of transactions v 1 41 in v 41 **The Chinese Exotic** Olivia Khoo,2007 Through an analysis of cultural artefacts such as films popular fiction food and fashion cultures this book challenges the dominant tendency in contemporary cultural politics to define Chinese femininity from a mainland perspective that furthermore equates it with notions of primitivism **Personal, Portable, Pedestrian** Mizuko Itō,Daisuke Okabe,Misa Matsuda,2005 How mobile communications in Japan became a pervasively personal tool that connects families and friends creating always on social engagement

Downloading *Recentering Globalization Popular Culture And Japanese Transnationalism* provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading *Recentering Globalization Popular Culture And Japanese Transnationalism* has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download *Recentering Globalization Popular Culture And Japanese Transnationalism*. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading *Recentering Globalization Popular Culture And Japanese Transnationalism*. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites

that prioritize the legal distribution of content. When downloading *Recentering Globalization Popular Culture And Japanese Transnationalism*, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download *Recentering Globalization Popular Culture And Japanese Transnationalism* has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
