Religion In A Tswana Chieftdom:

Religion in a Tswana Chieftdom B. A. Pauw, 2018-09-03 Originally published in 1960 this book is a study of religion among the Tlhaping a rural Bantu society who were the first among the Tswana tribes to come into contact with Europeans The religious organization of the Tlhaping has been viewed within the framework of the people's social structure and economy The book traces the declining influence of paganism before surveying the types of churches their organization activities rituals and revelations with particular reference to Bantu separatist churches **Religion in a Tswana Chieftdom** Berthold Adolf Pauw, 1964 **Religion in a Tswana Chieftdom** Berthold Adolf Pauw, 1978 **Religion in a Tswana Chieftdom**, 1960 Religions of South Africa (Routledge Revivals) David Chidester, 2014-06-27 First published in 1992 this title explores the religious diversity of South Africa organizing it into a single coherent narrative and providing the first comparative study and introduction to the topic David Chidester emphasizes the fact that the complex distinctive character of South African religious life has taken shape with a particular economic social and political context and pays special attention to the creativity of people who have suffered under conquest colonialism and apartheid With an overview of African traditional religion Christian missions and African innovations during the nineteenth century this reissue will be of great value to students of religious studies South African history anthropology sociology and political studies Religion in Calabar Rosalind I. J. Hackett, 2013-02-06 No detailed description available for Religion in Calabar Encyclopedia of African Religion Molefi Kete Asante, Ama Mazama, 2008-11-26 Numerous titles focusing on particular beliefs in Africa exist including Marcel Griaule's Conversations with Ogotemeli but this one presents an unparalleled exploration of a multitude of cultures and experiences It is both a gateway to deeper exploration and a penetrating resource on its own This is bound to become the definitive scholarly resource on African religions Library Journal Starred Review Overall because of its singular focus reliability and scope this encyclopedia will prove invaluable where there is considerable interest in Africa or in different religious traditions Library Journal As the first comprehensive work to assemble ideas concepts discourses and extensive essays in this vital area the Encyclopedia of African Religion explores such topics as deities and divinities the nature of humanity the end of life the conquest of fear and the quest for attainment of harmony with nature and other humans Editors Molefi Kete Asante and Ama Mazama include nearly 500 entries that seek to rediscover the original beauty and majesty of African religion Features Offers the best representation to date of the African response to the sacred Helps readers grasp the enormity of Africa's contribution to religious ideas by presenting richly textured concepts of spirituality ritual and initiation while simultaneously advancing new theological categories cosmological narratives and ways to conceptualize ethical behavior Provides readers with new metaphors figures of speech modes of reasoning etymologies analogies and cosmogonies Reveals the complexity texture and rhythms of the African religious tradition to provide scholars with a baseline for future works The Encyclopedia of African Religion is intended for undergraduate and graduate students in fields such as Religion

Africana Studies Sociology and Philosophy *Introduction to African Religion* John S. Mbiti, 2015-01-14 In his widely acclaimed survey John Mbiti sheds light on the survival and prosperity of African Religion in different historical geographical sociological cultural and physical environments He presents a constellation of African worldviews beliefs in God use of symbols valued traditions and practices that have taken root with African peoples throughout the vast continent Mbiti's accessible writing style sympathetically portrays how African Religion manifests itself in ritual festival healing the human life cycle and interplay with the mystical and invisible world The account embraces foundational traditions while touching on elements that spawn transitions including migration the spread of Christianity and Islam political economic development and modern communication This popular introduction leaves readers with informed knowledge of the riches of African heritage

The Individual and Community in African Traditional Religions Theo Sundermeier, 1998 The writer has done a careful scholarly and sensitive and very positive and fair study of African religion with particular reference to the individual and community Theo Sundermeier lets Africa speak for itself and on its own terms and in its own categories The concluding chapter is a necessary reading for all who would be on mission who would seek to live the ecumenical imperative and care to ensure that the pursuit of a religion does not result in dehumanization and degradation and marginalization of the other person Rev Canon Prof John S Pobee World Council of Churches Geneva Switzerland This book treats the subject of African religions in a creative and interesting way emphasizing that these religions are genuine authentic expressions of religiosity on a par with other religions including the so called world religions The author provides an excellent account of the nature interdependence between individual community society and the natural order an interdependence which these religions symbolize and express in ritual and belief Likewise the essentially personal nature of power as conceived in African culture is thoughtfully and interestingly analysed There are many other thought provoking ideas and interpretations in this volume including the deconstruction of the commonly held notions of the distinction between witchcraft and magic This is a most worthwhile contribution to the study of Africa's traditional religions and I am convinced all those with an interest in Africa who read it will gain much therefrom Professor Peter B Clarke Professor of the History and Sociology of Religion in the University of London at King's College and formerly Professor of African History at the University of Ibadan Nigeria Theo Sundermeier is Professor of the History of Religion and Missiology at the Ruprecht Karls Universität Heidelberg translated by Elaine Griffiths Eleanor Jackson **A History of South Africa to 1870** Monica Wilson, Leonard Thompson, 2022-10-05 Originally published in 1982 and based on the 1969 Oxford History of South Africa this book discusses some of the trends in the historiography of South Africa before the beginning of large scale mining operations in Kimberley in 1870 A deliberate attempt was made to look at the roots of South African society and to take due account of all its peoples The book includes a survey of archaeological data emphasizing the links between South Africa and the rest of the continent and between the more remote and more recent past in South Africa The lives of the hunting herding and cultivating peoples who lived in

South Africa before the advent of the Europeans The foundation of a colonial society is described and the expansion of that society until the 1770s The final chapters review the relations between the peoples of the Cape Colony and the Nguni cultivators from their first meetings until about 1870 and the growth of the plural society in the Cape Colony until 1970

Religious Conversion: An African Perspective Carmody, Brendan, 2018-09-17 Religious Conversion An African Perspective includes a selection of key texts which are not easily accessible elsewhere Most of the chapters discuss the long standing thesis of Robin Horton who argues that religious change results from social transformation The contributors provide different perspectives on what remains an ongoing provocative though inconclusive debate The book has chapters on conversion in Africa from such authorities as Robin Horton Humphrey Fisher and Richard Gray It also contains chapters on Zambia by Elizaebeth Colson Brendan Carmody Austin Cheyeka Felix Phiri and W Van Binsbergen This collection of chapters provides an introduction to the discussion surrounding the query Did the Christian and Muslim messages bring something fundamentally new to the African religious horizon What has indigenisation meant What is the role of traditional religion

Postcoloniality, Translation, and the Bible in Africa Musa W. Dube, R. S. Wafula, 2017-07-14 This book is critically important for Bible translation theorists postcolonial scholars church leaders and the general public interested in the history politics and nature of Bible translation work in Africa It is also useful to students of gender studies political science biblical studies and history of colonization studies The book catalogs the major work that has been undertaken by African scholars This work critiques and contests colonial Bible translation narratives by privileging the importance African oral vitality in rewriting the meaning of biblical texts in the African sociopolitical political and cultural contexts *Body of Power, Spirit of Resistance* Jean Comaroff, 2013-11-15 In this sophisticated study of power and resistance Jean Comaroff analyzes the changing predicament of the Barolong boo Ratshidi a people on the margins of the South African state Like others on the fringes of the modern world system the Tshidi struggle to construct a viable order of signs and practices through which they act upon the forces that engulf them Their dissenting Churches of Zion have provided an effective medium for reconstructing a sense of history and identity one that protests the terms of colonial and post colonial society and culture **Accelerated Development in Southern Africa** John Barratt, 2016-05-05 Conference report on economic development in Southern Africa with particular reference to South Africa R and the role of South Africa R covers political aspects of development cultural factors social policy issues international cooperation for development development aid and the terms of aid etc References Conference held in Johannesburg 1972 mar 21 to 25 *Of Revelation and Revolution, Volume 1* Jean Comaroff, John L. Comaroff, 2008-04-15 *Of Revelation and Revolution* is at once a highly imaginative richly detailed history of colonialism Christianity and consciousness in South Africa and a theoretically challenging consideration of the most difficult questions posed by the nature of social experience Although primarily concerned with the nineteenth and early twentieth centuries *Of Revelation and Revolution* also looks forward to the age of apartheid and beyond *Witchcraft, Power and Politics* Isak

Niehaus, Eliazaar Mohlala, Kally Shokane, 2001-05-20 This is an extraordinary account of witchcraft and witch hunting in the modern world A powerful ethnographic study of witch hunting in 1980s South Africa a period of rapid social change this book demonstrates the extent to which witchcraft must be seen not as a residue of traditional culture but as part of a complex social drama which is deeply embedded in contemporary political and economic processes Isak Niehaus provides the context for this fascinating study of witchcraft practices He shows how witchcraft was politicised against the backdrop of the apartheid state the liberation struggle and the establishment of the first post apartheid regime which all affected conceptions of witchcraft Niehaus demonstrates how the ANC and other political groups used witchcraft beliefs to further their own agenda He explores the increasingly conservative role of the chiefs and the Christian church In the process he reveals the fraught nature of intergenerational and gender relations The result is a truly insightful and theoretically engaged account of a much studied but frequently misunderstood practice

Sectarianism in Southern Nyasaland R. L. Wishlade, 2018-09-03 Originally published in 1965 this is a study of Christian secessionist sects in the southern Province of Nyasaland Malawi It discusses the nature and context of sectarianism in Africa and analyses the development of the sects their ritual and worship and the roles of their officials in the social life of the community This detailed analysis of the character and influence of sectarianism provides a valuable contribution to the understanding of the complex process of social change which has taken place in this part of Africa

Melanesians and Missionaries Darrell L. Whiteman, 2002-05-10 In Melanesians and Missionaries one of the best of the younger generation of missionary anthropologists demonstrates that a commitment to the missionary enterprise on the part of a solid scholar facilitates rather than hinders the anthropological study of a missionary topic This is better anthropology because Dr Whiteman is able to probe more deeply into his topic and demonstrates that he understands and appreciates both Melanesians and missionaries Charles H Kraft Professor of Anthropology School of World Mission Fuller Theological Seminary Pasadena

Syncretism/Anti-Syncretism Rosalind Shaw, Charles Stewart, 2003-12-16 Syncretism the synthesis of different religions is a contentious word Some regard it as a pejorative term referring to local versions of notionally standard world religions which are deemed inauthentic because saturated with indigenous content Syncretic versions of Christianity do not conform to official read European models In other contexts however the syncretic amalgamation of religions may be validated as a mode of resistance to colonial hegemony a sign of cultural survival or as a means of authorising political dominance in a multicultural state In Syncretism Anti Syncretism the contributors explore the issues of agency and power which are integral to the very process of syncretism and to the competing discourses surrounding the term

The Origins of the New Churches Movement in Southern Ethiopia, 1927-1944 Brian L. Fargher, 2023-09-20 This study describes the beginnings of a movement which has created another face for Ethiopian Christianity The expatriate missionary evangelists who in 1927 were encouraged by Emperor Haile Selassie to work in southern Ethiopia intentionally bypassed the Orthodox model and made a fresh start Three of the many facets of the

movement comprise the body of the book There is the religious backdrop of Orthodox Christianity and the expatriates fundamentalist traditions then the praxis and polity of their work finally the post Occupation outcome which confirmed their choices Since its beginning in 1932 the New Churches Movement has impacted every part of Ethiopian society religious political and socio economic It demonstrates that a fresh start can be complementary rather than competitive The movement s success encourages missionary evangelists to continue making new beginnings
