Silverman,Madelyn Kelly,2009 When children lose someone they love life is never the same In this sympathetic book the authors advocate an open honest approach suggesting that our instinctive desire to protect children from the reality of death may be more harmful than helpful      [The Parent's Guide to Food Allergies](#) Marianne S. Barber,Maryanne Bartoszek Scott, M.D.,Elinor Greenberg, Ph.D.,2001-04-10 Whether you are the parent relative caregiver or teacher of a food allergic child you know how challenging it is to keep that child safe healthy happy and well fed But now help is at hand The team of authors behind this invaluable book the mother of a food allergic child a board certified allergist and a psychologist will take you through every step of life with a food allergic child      **Breaking Their Will** Janet Heimlich,2011-06-14 This revealing disturbing and thoroughly researched book exposes a dark side of faith that most Americans do not know exists or have ignored for a long time religious child maltreatment After speaking with dozens of victims perpetrators and experts and reviewing a myriad of court cases and studies the author explains how religious child maltreatment happens She then takes an in depth look at the many forms of child maltreatment found in religious contexts including biblically prescribed corporal punishment and beliefs about the necessity of breaking the wills of children scaring kids into faith and other types of emotional maltreatment such as spurning isolating and withholding love pedophilic abuse by religious authorities and the failure of religious organizations to support the victims and punish the perpetrators and religiously motivated medical neglect in cases of serious health problems In a concluding chapter Heimlich raises questions about children s rights and proposes changes in societal attitudes and improved legislation to protect children from harm While fully acknowledging that religion can be a source of great comfort strength and inspiration to many young people Heimlich makes a compelling case that regardless of one s religious or secular orientation maltreatment of children under the cloak of religion can never be justified and should not be tolerated      *Confirm Parent Guide* ,2016-12-02 Confirm Your Faith Your Commitment God s Call Too often confirmation has been downgraded to the role of a checkpoint along the faith journey The Confirm family of resources reclaims confirmation as the first step on a journey that leads to a mature adult faith Confirm treats confirmation as more than a decision Instead it is the beginning of a conversation about what it means to be a Christian living out your faith your commitment and God s call Confirm is an easy to follow and fully customizable confirmation program that can be used virtually any church setting and with a wide variety of schedules You have the option to schedule your lesson choices and the tools to organize your own confirmation program over the course of a school year a 3

year span or in any other way that meets your needs without having to purchase additional customizable content With flexible and easy to understand materials Confirm provides students with the basic beliefs of a theologically sound United Methodist faith while engaging them in creative and thought provoking activities to help them internalize what they ve learned Confirm also embraces the importance of community in the journey of faith development and provides materials to encourage cooperation with parents and mentors in the confirmation process and beyond The Parent Guide provides an overview of confirmation and helps the parent and family establish their role in the process The guide includes discussion starters activities and devotional suggestions for use at home As teens prepare to take the vows of confirmation they need to be surrounded by mature Christian adults who can love guide and nurture them This love and nurturing begins at home with the youth s parent or guardian
