

Rational Choice Theory and Religion

Summary and Assessment

EDITED BY LAWRENCE A. YOUNG

Religion Rational Choice

Markella B. Rutherford

Religion Rational Choice:

Choice and Religion Steve Bruce, 1999 The orthodox view is that the democracies of the western world have become increasingly secular over the twentieth century Fewer and fewer people have chosen to believe and the church has declined markedly as religion has changed from being part of an identity ascribed at birth to being a matter of personal choice Choice and Religion provides a detailed critique of the rational choice approach to religion to demonstrate that industrialisation has secularised the western world and that diversity far from making religion more popular by allowing individuals to maximize their returns undermines it The claim that diversity and competition promote religion is refuted with evidence from a wide variety of western societies Bruce examines the Nordic countries and the ex communist states of eastern Europe to explore the consequences of different sorts of state regulation and to show that ethnicity is a more powerful determinant of religious change than market structures Where religion matters it is not because individuals are maximising their returns it is because it defines group identity and is heavily implicated in social conflict *Religion and Rational Choice* Shivesh Chandra Thakur, 1981 To find more information on Rowman Littlefield titles please visit us at www.rowmanlittlefield.com

Rational Choice Theory and Religion Lawrence A. Young, 2016-04-29 Rational Choice Theory and Religion considers one of the major developments in the social scientific paradigms that promises to foster a greater theoretical unity among the disciplines of sociology political science economics and psychology Applying the theory of rational choice the theory that each individual will make her choice to maximize gain and minimize cost to the study of religion Lawrence Young has brought together a group of internationally renowned scholars to examine this important development within the field of religion for the first time *The SAGE Handbook of the Sociology of Religion* James A Beckford, Jay Demerath, 2007-10-29 In their introduction to this Handbook the editors affirm Many sociologists have come to realise that it makes no sense now to omit religion from the repertoire of social scientific explanations of social life I wholeheartedly agree I also suggest that this wide ranging set of essays should become a starting point for such enquiries Each chapter is clear comprehensive and well structured making the Handbook a real asset for all those engaged in the field Grace Davie University of Exeter Serious social scientists who care about making sense of the world can no longer ignore the fact that religious beliefs and practices are an important part of this world This Handbook is a valuable resource for specialists and amateurs alike The editors have done an exceptionally fine job of incorporating topics that illuminate the range and diversity of religion and its continuing significance throughout the world Robert Wuthnow Princeton University At a time when religions are increasingly affecting and affected by life beyond the narrowly sacred sphere religion everywhere seems to be caught up in change and conflict In the midst of this contention and confusion the sociology of religion provides a rich source of understanding and explanation This Handbook presents an unprecedentedly comprehensive assessment of the field both where it has been and where it is headed Like its many distinguished contributors its topics and their coverage are truly global in their reach The Handbook s

35 chapters are organized into eight sections basic theories and debates methods of studying religion social forms and experiences of religion issues of power and control in religious organizations religion and politics individual religious behaviour in social context religion self identity and the life course and case studies of China Eastern Europe Israel Japan and Mexico Each chapter establishes benchmarks for the state of sociological thinking about religion in the 21st century and provides a rich bibliography for pursuing its subject further Overall the Handbook stretches the field conceptually methodologically comparatively and historically An indispensable source of guidance and insight for both students and scholars Choice Outstanding Academic Title 2009

An Introduction to the Sociology of Religion Inger Furseth, Pål Repstad, 2017-03-02 Is it true that religion is weakening in modern times or are we facing religious resurgence What is fundamentalism How does it emerge and grow What role does religion play in ethnic and national conflicts Is religion a fundamental driving force or do political leaders use religion for their own purposes Do all religions oppress women These are some of the questions addressed in this book An Introduction to the Sociology of Religion provides an overview of sociological theories of contemporary religious life Some chapters are organized according to topic Others offer brief presentations of classical and contemporary sociologists from Karl Marx to Zygmunt Bauman and their perspectives on social life including religion Throughout the book illustrations and examples are taken from several religious traditions Marx, Critical Theory, and Religion, 2006-08-01 The Sociology of Religion has had several frameworks guiding its analysis including functionalism interpretive sociology phenomenology symbolic interactionism and now rational choice theory Marxism has tended to ignore religion assuming it is something that would eventually disappear even though it retained theological elements This collection of essays brings together a group of scholars who use frameworks provided by Marx and Critical Theory in analyzing religion Its goal is to establish a critical theory of religion within the sociology of religion as an alternative to rational choice In doing so it engages in a critique of the positivism uncritical praise of the market neoconservatism and one dimensional conception of rationality of the rational choice theory of religion

Rational Choice Approach to Religion, 1995

The Handbook of Rational Choice Social Research Rafael Wittek, Tom A.B. Snijders, Victor Nee, 2013-06-05 The Handbook of Rational Choice Social Research offers the first comprehensive overview of how the rational choice paradigm can inform empirical research within the social sciences This landmark collection highlights successful empirical applications across a broad array of disciplines including sociology political science economics history and psychology Taking on issues ranging from financial markets and terrorism to immigration race relations and emotions and a huge variety of other phenomena rational choice proves a useful tool for theory driven social research Each chapter uses a rational choice framework to elaborate on testable hypotheses and then apply this to empirical research including experimental research survey studies ethnographies and historical investigations Useful to students and scholars across the social sciences this handbook will reinvigorate discussions about the utility and versatility of the rational

choice approach its key assumptions and tools A Rational Choice Theory of Religious Belief and Secularization Markella B. Rutherford,1997 Religion in Sociological Perspective Keith A. Roberts,David Yamane,2011-06-09 Religion in Sociological Perspective is an introduction to the sociology of religion core text designed to present and illustrate the basic theories sociologists use to understand the social dimensions of religion First and foremost the authors seek to help students understand the perspective from which sociologists view religion By the time students have finished this book they should understand the central theories and methods of research in the sociology of religion and they should have an idea of how to apply these analytical tools to new groups they encounter The goal of this text is to be illustrative rather than all encompassing The Fifth Edition continues to draw on a wide range of perspectives The text aims to help students recognize the contributions of various theoretical perspectives and the blind spots of each theory Conflict functional social constructionist and rational choice paradigms are used throughout the text Various middle range theories are also utilized to explore specific processes Despite the effort to introduce many perspectives however we have made an effort to enhance integration of the text by using one framework throughout the book the open systems model *Religious Diversity in Post-Soviet Society* Milda Ališauskiene,Ingo W. Schröder,2016-04-08 Since the end of state repression against religion two major processes have taken place in the formerly socialist countries historically dominant churches strive to reassert their position in society while new religious groups and ideas from various parts of the world are proliferating This generates pluralism of religious communities and individual religious attitudes Religious Diversity in Post Soviet Society presents the first collection of ethnographies of this new religious diversity for Lithuania a country that has a long history of a dominant Catholic Church The authors reveal how Catholicism has become increasingly diversified and other religions Charismatic Protestantism Baltic Paganism Eastern religions and other alternative spiritualities are claiming their space in the religious field *Religious Diversity in Post-Soviet Society* Ingo W Schröder,Dr Milda Ališauskiene,2013-06-28 Since the end of state repression against religion two major processes have taken place in the formerly socialist countries historically dominant churches strive to reassert their position in society while new religious groups and ideas from various parts of the world are proliferating This generates pluralism of religious communities and individual religious attitudes Religious Diversity in Post Soviet Society presents the first collection of ethnographies of this new religious diversity for Lithuania a country that has a long history of a dominant Catholic Church The authors reveal how Catholicism has become increasingly diversified and other religions Charismatic Protestantism Baltic Paganism Eastern religions and other alternative spiritualities are claiming their space in the religious field **Religion and Family in a Changing Society** Penny Edgell,2013-12-03 The 1950s religious boom was organized around the male breadwinner lifestyle in the burgeoning postwar suburbs But since the 1950s family life has been fundamentally reconfigured in the United States How do religion and family fit together today This book examines how religious congregations in America have responded to changes in family structure and how families participate

in local religious life Based on a study of congregations and community residents in upstate New York sociologist Penny Edgell argues that while some religious groups may be nostalgic for the Ozzie and Harriet days others are changing knowing that fewer and fewer families fit this traditional pattern In order to keep members with nontraditional family arrangements within the congregation these innovators have sought to emphasize individual freedom and personal spirituality and actively to welcome single adults and those from nontraditional families Edgell shows that mothers and fathers seek involvement in congregations for different reasons Men tend to think of congregations as social support structures and to get involved as a means of participating in the lives of their children Women by contrast are more often motivated by the quest for religious experience and can adapt more readily to pluralist ideas about family structure This Edgell concludes may explain the attraction of men to more conservative congregations and women to nontraditional religious groups The Oxford Handbook of the Sociology of Religion Peter Clarke,2011-02-04 The Oxford Handbook of the Sociology of Religion draws on the expertise of an international team of scholars providing both an entry point into the sociological study and understanding of religion and an in depth survey into its changing forms and content in the contemporary world The role and impact of religion and spirituality on the politics culture education and health in the modern world is rigorously discussed and debated The study of the sociology of religion forges interdisciplinary links to explore aspects of continuity and change in the contemporary interface between society and religion Using a combination of theoretical methodological and content led approaches the fifty seven contributors collectively emphasise the complex relationships between religion and aspects of life from scientific research to law ecology to art music to cognitive science crime to institutional health care and more The developing character of religion irreligion and atheism and the impact of religious diversity on social cohesion are explored An overview of current scholarship in the field is provided in each themed chapter with an emphasis on encouraging new thinking and reflection on familiar and emergent themes to stimulate further debate and scholarship The resulting essay collection provides an invaluable resource for research and teaching in this diverse discipline **The Cambridge Companion to Religion and Terrorism** James Lewis,2017-07-25 Does religion cause terrorism This volume presents a range of theories and case studies that address this important issue Sociology of Religion Kevin J. Christiano,Peter Kivisto,William H. Swatos, Jr.,2025-04-15 Sociology of Religion Fourth Edition introduces students to the nature and function of religious institutions and practices while asking sociological questions about the changing role of religion in today s post traditional world Broken into three parts the book opens with the basics of religious history and a review of key theories for its study Part II Religion and Social Differentiation examines the intersections of ethnicity class gender and sexuality with spirituality today and Part III Religion Culture and Change explores religious inspirations for or impediments to social change Throughout the text boxes illuminate key concepts and suggestions for further reading allow for ongoing exploration of key themes and topics New to the Fourth Edition Chapter 9 Politicized Religion and Conflict presents a comparative look at

religious extremism and its global risks Updated and expanded content on ethnicity and religion aids students in better understanding increasingly diverse societies Greater focus on religion s significance in current debates over gender roles and sexuality offers a framework for exploring contemporary conflicts Updated and expanded discussion of religion and the media explores the history of their relationship and how it is being reconfigured in a media saturated age **Religion, Globalization and Culture** Peter Beyer,Lori Gail Beaman,2007 The topic of religion and globalization is complex susceptible to a great variety of approaches This book combines contributions from many authors who examine a wide range of subjects ranging from overall theoretical considerations to detailed regional perspectives No single understanding of either religion or globalization is privileged **21st Century Theories of Religion** Michael Stausberg,2024-11-08 What is religion and how does it originate What are its functions and how does it work These are some of the key questions addressed by theories of religion Far from being a past concern a series of new answers have been proposed since the beginning of our present millennium by evolutionary biologists and psychologists philosophers sociologists and scholars of religion In 21st Century Theories of Religion Michael Stausberg is joined by leading scholars from Europe and North America to present and critically discuss fifteen contemporary theories Contributions introduce the theoreticians unpack their arguments review their reception and engage in critical debates The volume provides a cutting edge point of entry into a key conversation that no student and scholar of religion s can afford to ignore Chapter 1 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license Chapter 3 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution ShareAlike CC BY SA 4 0 license Religion in Consumer Society François Gauthier,2016-04-08 Presenting an overview of an emerging field in the study of contemporary religion this book together with a complementary volume Religion in the Neoliberal Age explores issues of religion neoliberalism and consumer society Claiming that we have entered a new phase that implies more than the recasting of state religion relations the authors examine how religious changes are historically anchored in modernity but affected by the commoditization mediatization neoliberalization and globalization of society and social life Religion in Consumer Society explores religion as both shaped by consumer culture and as shaping consumer culture Following an introduction which critically analyses studies on consumer culture and integrates scholarship in the sociology of religion this book explores the following topics how consumerism and electronic media have shaped globalized culture and how this is affecting religion the dynamics and characteristics of often overlooked middle class religion and how these relate to globalization and differences between developed and emerging countries emerging trends and how we understand phenomena as different as mega churches and holistic spiritualistic journeys and how the pressures of consumer culture act on religious traditions indigenous and exogenous the politics of religious phenomena in the Age of Neoliberalism and the hybrid areas emerging from these

reconfigurations of religion and the market Outlining changes in both the political institutional and cultural spheres the contributors offer an international overview of developments in different countries and state of the art representation of religion in the new global political economy *Critiquing the Rational Choice Theory of Religion* John Churchill, University of the West of England, 2006

Religion Rational Choice Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Religion Rational Choice PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they

need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Religion Rational Choice PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Religion Rational Choice free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Religion Rational Choice Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Religion Rational Choice is one of the best book in our library for free trial. We provide copy of Religion Rational Choice in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Religion Rational Choice. Where to download Religion Rational Choice online for free? Are you looking for Religion Rational Choice PDF? This is definitely going to save you time and cash in something you should think about.
