Religions Of Star Trek

Paul G. Hackett

Religions Of Star Trek:

Star Trek and Sacred Ground Jennifer E. Porter, Darcee L. McLaren, 1999-11-18 Offers a multidisciplinary examination of Star Trek religion and American culture

The Religions Of Star Trek Ross Kraemer, William Cassidy, Susan L. Schwartz, 2009-07-21 Is there a God? What evil lurks beyond the stars? Can science save one's soul? Profound questions like these have consumed human thought over the ages; they also inspired the original creators of the Star Trek canon of TV series and films. *Religions of Star Trek* tackles these challenging questions head-on in a remarkable look at one of sci-fi's great success stories. Analyzing more than three decades of screen adventure, the authors depict a Star Trek transformed corresponding to the resurgence of religion in American public discourse. The authors identify the many religious characters in Star Trek, tracing the roots of scientific humanism to more contemporary aspects of religion and spirituality. Through it all, the creators' visionary outlook remains constant: a humanistic faith in free will and the salvific nature of dispassionate scientific inquiry. This book was not prepared, licensed, approved, or endorsed by any entity involved in creating or producing the Star Trek television series or films.

[Religions of Star Trek](#) Ross Shepard Kraemer, William Cassidy, Susan Schwartz, 2001-01-01 Tackling challenging questions head-on, this book is a remarkable treatment of the religious themes threading through one of America's science fiction icons.

Religion and Popular Culture in America Bruce David Forbes, Jeffrey H. Mahan, 2005-11-17 The connection between American popular culture and religion is the subject of this multifaceted and innovative collection. In fourteen lively essays whose topics range from the divine feminine in *The Da Vinci Code* to Madonna's *Like a Prayer* and from the world of sports to the ways in which cyberculture has influenced traditional religions, this book offers fascinating insights into what popular culture reveals about the nature of American religion today. Revised throughout, this new edition features three new essays, including a fascinating look at the role of women in apocalyptic fiction such as the *Left Behind* series, and editor Bruce David Forbes has written a new introduction. In addition to the new textual material, each chapter concludes with a set of suggested discussion questions.

Handbook of Hyper-real Religions, 2012-03-28 Today a new trend is clearly discernable: that of hyper-real religions. These are innovative religions and spiritualities that mix elements of religious traditions with popular culture. If we imagine a spectrum of intensity of the merging of popular culture with religion, we might find at one end groups practicing Jediism (appropriated from the Star Wars movies), Matrixism (from the Matrix trilogy), and neo-pagan rites based on stories from *The Lord of the Rings* and the Harry Potter series. At the other end of the spectrum, members of mainstream religions such as Christianity can be influenced or inspired by, for example, *The Da Vinci Code*. Through various case studies, this book studies the on and off-line religious spiritual consumption of these narratives through a social scientific approach.

Invented Religions Carole M. Cusack, 2016-05-06 Utilizing contemporary scholarship on secularization, individualism, and consumer capitalism, this book explores religious movements founded in the West which are intentionally fictional: Discordianism, the Church of All Worlds,

the Church of the SubGenius and Jediism Their continued appeal and success principally in America but gaining wider audience through the 1980s and 1990s is chiefly as a result of underground publishing and the internet This book deals with immensely popular subject matter Jediism developed from George Lucas Star Wars films the Church of the Flying Spaghetti Monster founded by 26 year old student Bobby Henderson in 2005 as a protest against the teaching of Intelligent Design in schools Discordianism and the Church of the SubGenius which retain strong followings and participation rates among college students The Church of All Worlds focus on Gaia theology and environmental issues makes it a popular focus of attention The continued success of these groups of Invented Religions provide a unique opportunity to explore the nature of late post modern religious forms including the use of fiction as part of a bricolage for spirituality identity formation and personal orientation

The Problem of Invented Religions Steven J. Sutcliffe, Carole M Cusack, 2017-08-15 Invented religions have been described as modern religions which advertise their invented status and reject traditional strategies of authorisation But what does it mean for a religious formation to be made up and how might this status affect perceptions of its legitimacy or authenticity in wider society Based in original fieldwork and archival sources and in the secondary literature on invented and constructed formations this volume explores the allure of as well as the limits of the invention of religion Through a series of case studies the contributors discuss strategies of mobilization and legitimation for new traditions at their point of emergence as well as taking issue with simplistic interpretations of the phenomenon which neglect wider cultural and political dimensions This book was originally published as a special issue of Culture and Religion

Religion in Science Fiction Steven Hrotic, 2014-07-31 Religion in Science Fiction investigates the history of the representations of religion in science fiction literature Space travel futuristic societies and non human cultures are traditional themes in science fiction Speculating on the societal impacts of as yet undiscovered technologies is after all one of the distinguishing characteristics of science fiction literature A more surprising theme may be a parallel exploration of religion its institutional nature social functions and the tensions between religious and scientific worldviews Steven Hrotic investigates the representations of religion in 19th century proto science fiction and genre science fiction from the 1920s through the end of the century Taken together he argues that these stories tell an overarching story a metanarrative of an evolving respect for religion paralleling a decline in the belief that science will lead us to an ideal and religion free future Science fiction s metanarrative represents more than simply a shift in popular perceptions of religion it also serves as a model for cognitive anthropology providing new insights into how groups and identities form in a globalized world and into how crucial a role narratives may play Ironically this same perspective suggests that science fiction as it was in the 20th century may no longer exist

Religion and Popular Culture in America, Third Edition Bruce David Forbes, Jeffrey H. Mahan, 2017-03 The connection between popular culture and religion is an enduring part of American life With seventy five percent new content the third edition of this multifaceted and popular collection has been revised and updated throughout to provide greater religious diversity in its

topics and address critical developments in the study of religion and popular culture This edition also adds to the end of each chapter new the pedagogical tools of discussion questions and key term glossaries

Religions of Modernity Stef Aupers, Dick Houtman, 2010-07-07 Religions of Modernity challenges the social scientific orthodoxy that once unleashed the modern forces of individualism science and technology inevitably erode the sacred and evoke the profane The book s chapters some by established scholars others by junior researchers document instead in rich empirical detail how modernity relocates the sacred to the deeper layers of the self and the domain of digital technology Rather than destroying the sacred tout court then the cultural logic of modernization spawns its own religious meanings unacknowledged spiritualities and magical enchantments The classical theoretical accounts of modernity by Max Weber Emile Durkheim and others it is argued in the introductory chapter already hinted that there s a future for such religions of modernity Contributors Stef Aupers Kelly Besecke Kirsten Marie Bovbjerg Siobhan Chandler Olav Hammer Dick Houtman Murray Lee Carly Machado Karen P rna Adam Possamai Linda Woodhead and Dorien Zandbergen

Religion in America Julia Corbett Hemeyer, 2016-02-19 Religion in America 7th Edition provides a comprehensive yet concise introduction to the changing religious landscape of the United States Extensively revised and updated to reflect current events and trends this new edition continues to engage students in reflection about religious diversity Julia Corbett Hemeyer presents the study of religion as a tool for developing appreciation of communities of faith other than one s own and for understanding the dynamics at work in religion in the United States today

The Assimilation of Yogic Religions through Pop Culture Paul G. Hackett, 2017-10-23 The image of the meditating yogi has become a near universal symbol for transcendent perfection used to market everything from perfume and jewelry to luxury resorts and sports cars and popular culture has readily absorbed it along similar lines Yet the religious traditions grounding such images are often readily abandoned or caricatured beyond recognition or so it would seem The essays contained in The Assimilation of Yogic Religions through Pop Culture explore the references to yogis and their native cultures of India Tibet and China as they are found in the stories of many famous icons of popular culture from Batman Spider Man and Doctor Strange to Star Trek Doctor Who Twin Peaks and others In doing so the authors challenge the reader to look deeper into the seemingly superficial appropriation of the image of the yogi and Asian religious themes found in all manner of comic books novels television movies and theater and to carefully examine how they are being represented and what exactly is being said

Astrophilosophy, Exotheology, and Cosmic Religion Andrew M. Davis, Roland Faber, 2024-01-22 Astrophilosophy Exotheology and Cosmic Religion Extraterrestrial Life in a Process Universe applies Alfred North Whitehead s process philosophy and the associated process philosophies of Henri Bergson Teilhard de Chardin and others to the interdisciplinary layers of astrobiology extraterrestrial life and the impact of discovery This collection edited by Andrew M Davis and Roland Faber asks questions such as How have process thinkers imagined universal creative evolution and its implications for philosophies theologies and religions beyond earth and How might their claims as to the primacy of

organism temporality novelty value and mind enrich current discussions and debates across disciplines As experts in their fields the contributors are informed by but not limited to process conceptualities The chapters not only advance recent discussions in astrobiology cosmology and evolution but also consider a constellation of philosophical topics from shared extraterrestrial knowledge and values to the possibilities or limitations afforded by A I technology the Fermi Paradox the Drake Equation and the increasing need to nurture the cosmic dimensions of theological and religious traditions *EGods* William Sims Bainbridge,2013-04-04 William Bainbridge contends that the worlds of massively multiplayer online roleplaying games provide a new perspective on the human quest one that combines the arts and simulates most aspects of real life The quests in gameworlds also provide meaning for human action in terms of narratives about achieving goals by overcoming obstacles *Teaching New Religious Movements* David G. Bromley,2007-05-25 Since its inception around 1970 the study of New Religious Movements NRMs has gradually evolved into an established multidisciplinary area of study At the same time both the movements and the scholars who study them have been the subjects of intense controversy In this volume a group of senior NRM scholars who have been instrumental in the development of the field offer essays that present the basics of NRM scholarship along with guidance for teachers on classroom use Using an interdisciplinary approach the volume provides comprehensive accessible information and perspectives on NRMs It is an invaluable guide for instructors navigating this scholarly minefield **The Sacred in Fantastic Fandom** Carole M. Cusack,John W. Morehead,Venetia Laura Delano Robertson,2019-04-16 To the casual observer similarities between fan communities and religious believers are difficult to find Religion is traditional institutional and serious whereas fandom is contemporary individualistic and fun Can the robes of nuns and priests be compared to cosplay outfits of Jedi Knights and anime characters Can travelling to fan conventions be understood as pilgrimages to the shrines of saints These new essays investigate fan activities connected to books film and online games such as Harry Potter themed weddings using *The Hobbit* as a sacred text and taking on heroic roles in *World of Warcraft* Young Muslim women cosplayers are brought into conversation with Chaos magicians who use pop culture tropes and characters A range of canonical texts such as *Supernatural* *Buffy the Vampire Slayer* and *Sherlock* are examined in terms of the pleasure and enchantment of repeated viewing Popular culture is revealed to be a fertile source of religious and spiritual creativity in the contemporary world **Cult of Celebrity** Cooper Lawrence,2009-01-20 America s fast growing religion is let s face it celebrity worship From gossip magazines to entertainment TV from blogs to ads featuring famous faces the stars are our new gods and goddesses But why are we so quick to put them on pedestals Why are we even more spellbound when they topple back down to earth *The Cult of Celebrity* is the first book to explore this phenomenon comprehensively and yet in eminently readable terms In a compulsive read Cooper Lawrence maps out the psychology behind the behavior of the stars and that of the millions out there who follow their every move She points both to the benefits and dangers not only to society but also to us personally to our spending habits health social awareness attitude toward

personal failure and toward relationships and above all our self image And she offers practical tips on keeping our interest under control Drawing on the latest research as well as interviews with fans and entertainment industry insiders as well as celebrities themselves The Cult of Celebrity is as accessible and sassy as it is thought provoking The Changing World Religion Map Stanley D. Brunn,2015-02-03 This extensive work explores the changing world of religions faiths and practices It discusses a broad range of issues and phenomena that are related to religion including nature ethics secularization gender and identity Broadening the context it studies the interrelation between religion and other fields including education business economics and law The book presents a vast array of examples to illustrate the changes that have taken place and have led to a new world map of religions Beginning with an introduction of the concept of the changing world religion map the book first focuses on nature ethics and the environment It examines humankind s eternal search for the sacred and discusses the emergence of green religion as a theme that cuts across many faiths Next the book turns to the theme of the pilgrimage illustrated by many examples from all parts of the world In its discussion of the interrelation between religion and education it looks at the role of missionary movements It explains the relationship between religion business economics and law by means of a discussion of legal and moral frameworks and the financial and business issues of religious organizations The next part of the book explores the many new faces that are part of the religious landscape and culture of the Global North Europe Russia Australia and New Zealand the U S and Canada and the Global South Latin America Africa and Asia It does so by looking at specific population movements diasporas and the impact of globalization The volume next turns to secularization as both a phenomenon occurring in the Global religious North and as an emerging and distinguishing feature in the metropolitan cosmopolitan and gateway cities and regions in the Global South The final part of the book explores the changing world of religion in regards to gender and identity issues the political religious nexus and the new worlds associated with the virtual technologies and visual media **Anime, Religion, and Theology** David Armstrong,Roberto J. De La Noval,2025-10-02 This book brings together scholars to unpack the religious ideas themes motifs texts traditions and practices that suffuse anime Immensely popular with Western audiences since the 1980s anime continues to be a prominent medium through which contemporary people especially younger generations are engaging ideas about God or ultimate reality the world and the self This volume brings an academic lens to anime and shows the central role that religion plays in the intellectual and visual architecture of many popular shows including Dragon Ball Madoka Magica Gurren Lagann Sword Art Online and more **New Religions** Eugene V. Gallagher,Lydia Willsky-Ciollo,2021-02-15 A valuable resource for students and general audiences this book provides a unique global perspective on the history beliefs and practices of emergent faith communities new religious traditions and religious movements worldwide from the 19th century to the present New Religions Emerging Faiths and Religious Cultures in the Modern World provides insightful global perspectives on the emergent faith communities and new traditions and movements of the last two centuries Readers will gain access to

the information necessary to explore the significance complexities and challenges that modern religious traditions have faced throughout their history and that continue to impact society today The work identifies the themes and issues that have often brought new religions into conflict with the larger societies of which they are a part Coverage includes new religious groups that emerged in America such as the Seventh day Adventists the Latter day Saints and the Jehovah s Witnesses alternative communities around the globe that emerged from the major Western and Eastern traditions such as Aum Shinrikyo and Al Qaeda and marginalized groups that came to a sudden end such as the Peoples Temple Heaven s Gate and the Branch Davidians The entries highlight thematic and broader issues that run across the individual religious traditions and will also help students analyze and assess the common difficulties faced by emergent religious communities

Religions Of Star Trek Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Religions Of Star Trek free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Religions Of Star Trek free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Religions Of Star Trek free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Religions Of Star Trek. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or

magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Religions Of Star Trek any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Religions Of Star Trek Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
