Religious Education Encounters Liberation Theology:

Religious Education Encounters Liberation Theology Daniel S. Schipani, 1988 Religious Education and Christian Theologies Inter-European Commission on Church and School, Sturla Sagberg, Gaynor Pollard, Peter Schreiner, Peter Schreiner, *Religious Education as Encounter. A Tribute to John M. Hull* Siebren Miedema, 2009 This volume is a tribute to our esteemed colleague Professor John Martin Hull for his exceptional academic achievements in the field of religious education Especially worth mentioning are his worldwide continuous efforts in trying to realize interreligious education and interreligious learning in public schools In his approach there is a strong emphasis on openness dialogue and encounter When we are looking for an adequate vignette to characterize the contribution of this famous religious educator a good one might be religious education as encounter That is why this volume is systematically focusing on this topic It brings together contributions from leading researchers in the international field of religious education adhering to a great variety of religious or worldview traditions and it addresses a wide range of perspectives regarding the concept of encounter in religious education **Living Spiritual Praxis** Eric J. Kyle, 2013-10-24 Christian ministers working in congregations and with nonprofits seek to discern what it is that God has been doing and where it is that the Spirit might be leading them In Living Spiritual Praxis Eric Kyle looks to address the lack of resources on the work and dynamics of Christian spiritual formation that actually develop a specific process for spiritual formation programs Kyle strives to provide a guide for spiritual formation by using the praxis oriented fields of action research and practical theology He explores a process for understanding the nature and dynamics of a situation discerning specific formative interventions assessing various approaches and continually assessing and modifying these understandings and approaches Living Spiritual Praxis will be an invaluable resource for all Christians leaders and laity alike who are challenged by the spiritual formation of church members communities groups and individuals *Liberation Theologies* Ronald G. Musto, 2020-11-25 First Published in 1991 The following is a comprehensive scholarly bibliography of published materials on the varieties of liberation theology mostly in book form available in English It is intended as an introductory survey to this vast and quickly expanding field for the teacher and student of contemporary theology of biblical hermeneutics and to the interrelationship of politics and religion around the world It will also serve as a comprehensive bibliography International Handbook of Practical Theology Birgit Weyel, Wilhelm Gräb, Emmanuel Lartey, Cas Wepener, 2022-09-06 Practical theology has outgrown its traditional pastoral paradigm The articles in this handbook recognize that faith spirituality and lived religion within and beyond institutional communities refer to realms of cultures ritual practices and symbolic orders whose boundaries are not clearly defined and whose contents are shifting The International Handbook of Practical Theology offers insightful transcultural conceptions of religion and religious matters gathered from various cultures and traditions of faith The first section presents concepts of religion Chapters have to do with considerations of the conceptualizing of religion in the fields of anthropology community family institution law media and

politics among others The second section is dedicated to case studies of religious practices from the perspective of their actors The third section presents major theoretical discourses that explore the globally significant diversity and multiplicity of religion Altogether sixty one authors from different parts of the world encourage a rethinking of religious practice in an expanded transcultural globalized and postcolonial world

Pentecostal Formation Cheryl Bridges Johns, 2010-11-01 The Pentecostal movement has been subject to some negative external assumptions In this enlightening and challenging book Cheryl Bridges Johns argues that in fact Pentecostals employ a powerful process of formation of catechesis which has enabled millions of believers to own and articulate the Christian story She engages dialectically with the work of Paulo Freire a specialist in education among the marginalized As well as looking more broadly at the nature of all catechesis there is also an attempt to move beyond the rationalism found in a praxis epistemology

The Wiley Blackwell Companion to Practical Theology Bonnie J. Miller-McLemore, 2014-01-07 Through a series of essays contributed by leading experts in the field The Wiley Blackwell Companion to Practical Theology presents an introduction to practical theology as a major area of Christian study and practice including an overview of its key developments themes methods and future directions The first comprehensive reference work to provide a survey description and analysis of practical theology as an area of study A range of leading scholars in the field provide original contributions on the major areas issues and figures in practical theology Reviews an extensive range of methods for studying theology in practice along with sub disciplines in theological education such as pastoral care and preaching Covers developments in the discipline in a range of global contexts and distinct Christian traditions Shows how practical theology is relevant to everyday life

The Child in American Evangelicalism and the Problem of Affluence David A. Sims, 2009-06-01 This work presents an evangelical theology of the child nurtured in the context of American evangelicalism and affluence It employs an eclectic theological critical method to produce a theological anthropology of the affluent American evangelical child AAEC through interdisciplinary evangelical engagement of American history sociology and economics Sims articulates how affluence constitutes a significant impediment to evangelical nurture of the AAEC in the discipline and instruction of the Lord Thus the problem he addresses is nurture in evangelical affluence conceived as a theological anthropological problem Nurture in the cultural matrices of the evangelical affluence generated by technological consumer capitalism in the U S impedes spiritual and moral formation of the AAEC for discipleship in the way of the cross This impediment risks disciplinary formation of the AAEC for capitalist culture cultivates delusional belief that life consists in an abundance of possessions and hinders the practice of evangelical liberation of the poor on humanity's underside The result is the AAEC's spiritual moral lack in late modernity Chapter 1 introduces the problem of the AAEC Chapters 2 and 3 provide a diachronic lens for the theological anthropology of the AAEC through critical assessment of the theological anthropologies of the child in Jonathan Edwards Horace Bushnell and Lawrence Richards Chapters 4 and 5 constitute the synchronic perspective of the AAEC Chapter 4 presents an evangelical sociology of the AAEC drawing upon

William Corsaro's theory of interpretive reproductions and chapter 5 constructs an evangelical theology of the AAEC through critical interaction with John Schneider's moral theology of affluence Chapter 6 Whither the AAEC concludes with a recapitulation of the work and a forecast of possible futures for the AAEC in the twenty first century

Encyclopedia of Christian Education George Thomas Kurian, Mark A. Lamport, 2015-05-07 Christianity regards teaching as one of the most foundational and critically sustaining ministries of the Church As a result Christian education remains one of the largest and oldest continuously functioning educational systems in the world comprising both formal day schools and higher education institutions as well as informal church study groups and parachurch ministries in more than 140 countries In The Encyclopedia of Christian Education contributors explore the many facets of Christian education in terms of its impact on curriculum literacy teacher training outcomes and professional standards This encyclopedia is the first reference work devoted exclusively to chronicling the unique history of Christian education across the globe illustrating how Christian educators pioneered such educational institutions and reforms as universal literacy home schooling Sunday schools women's education graded schools compulsory education of the deaf and blind and kindergarten With an editorial advisory board of more than 30 distinguished scholars and five consulting editors The Encyclopedia of Christian Education contains more than 1 200 entries by 400 contributors from 75 countries These volumes covers a vast range of topics from Christian education History spanning from the church's founding through the Middle Ages to the modern day Denominational and institutional profiles Intellectual traditions in Christian education Biblical and theological frameworks curricula missions adolescent and higher education theological training and Christian pedagogy Biographies of distinguished Christian educators This work is ideal for scholars of both the history of Christianity and education as well as researchers and students of contemporary Christianity and modern religious education

Obedience, Suspicion and the Gospel of Mark Lydia Neufeld Harder, 2006-01-01 How do our social political and religious commitments influence our interpretation of biblical texts Are obedience and suspicion necessarily opposite ways to respond to the authority of the Bible Can one criticize and be transformed at the same time Lydia Neufeld Harder explores these questions from the vantage point of a scholar a feminist and a member of a faith community A hermeneutics of obedience rising out of the Mennonite theological tradition and a hermeneutics of suspicion advocated by many feminist theologians seem to represent opposite approaches to the Bible's authority The resulting polarization could easily have led to static definitions of authority and the subtle domination of those who differ from the majority However by focusing on the common theological concept of discipleship Harder has constructed a critical dialogue beginning a process of creative change in her own view of authority This new view opens the way for an interpretation of the Gospel of Mark A new appreciation of both the power and the vulnerability of the biblical text leads to a view of authority that embraces both suspicion and obedience in a dynamic interpretative process

Judaism, Education and Social Justice Matt Plen, 2022-10-20 This book sets out new theoretical foundations for Jewish social justice education

by surveying and discussing Freirean critical pedagogy Catholic models of social justice education Jewish social justice literature and interviews with educators and activists Jewish social justice education is an active and growing field encompassing a diverse range of issues including the treatment of refugees environmental justice human rights peace and justice in Israel Palestine gender equality and LGBT inclusion Yet Jewish social justice education remains an under researched and under theorized phenomenon This lacuna has practical implications for the thousands of educators and activists across the world who are attempting to achieve social justice ends through the medium of Jewish education In discussing the key philosophical political and educational issues that emerge when discussing these topics the author draws on thinkers including Hannah Arendt Martin Buber Alasdair MacIntyre and Jonathan Sacks Matt Plen proposes three possible directions for a normative theory of Jewish social justice education Jewish politics in a renewed public sphere Jewish education for relational community building and Jewish critical pedagogy for cultural emancipation Dreams and Visions in African Pentecostal Spirituality Anna M. Droll, 2023-09-29 Euro Western descriptions of knowledge and its sources fall short of accommodating the spiritual experiential terrain of the imagination What of the embodied affective knowing that characterizes Pentecostal epistemology that is the distinctive Pentecostal Charismatic knowing derived from dreams and visions D Vs In this stunning ethnographic work the author merges African scholarship with an investigation of what visioners say about the significance of their D Vs for Christian life and spirituality Revealing data showcases case studies for their biblical and theological articulations of the value of D V experiences and affirms them as sources of Pentecostal love ministerial agency and the missionary impulse Principles and Practices of Christian Education Robert W. Pazmino, 2002-04-29 Principles and Practices of Christian Education shows teachers how they can use two important principles that stand behind all evangelical practices to make their education program stand out from all the others in its nurture of students First evangelical Christian education recognizes the need for conversion personal and corporate transformation that reconnects people to their Creator Second evangelical Christian education strives for connection making contact with people as unique individuals who live in a particular society and who need to know more about scripture In this book Christian education students learn that the work for which they prepare is a partnership with God to transform people Their central task is worship but through it and other activities they lead others to faith commitment and transformation of communities Transforming Ministry Formation Hahnenberg, Edward P., Jewell, Marti R., Whapham, Theodore James, 2021 A theological and practical exploration of ministry formation in the church today Questioning Our Faith in Practice Katherine Turpin, 2024-10-07 Practical theology emerged as a discipline steeped in white supremacy traces of which can be found in some of its most central practices and habits of mind Identifying the remnants of this legacy allows practical theologians to begin to imagine how to proceed without reinscribing narratives of white saviors unlimited progress dominating control of bodies and individual heroic leadership You are invited to question this worldview while learning from

scholars imagining a decolonized future *Freedom and Discipleship* Daniel S. Schipani, 2021-12-29 An appraisal of liberation theology from the Anabaptist Mennonite perspective *Freedom and Discipleship* brings together essays by prominent theologians of that tradition and responses by Protestant liberation theologians Emerging from differing ethnic socio cultural and denominational backgrounds the contributors seek to promote an inter Christian dialogue This dialogue in turn locates foundations for both building and equipping the ecclesial community for mission especially the witness of peace and justice It spurs modern descendants of both traditions to reflect on their own radical roots while simultaneously raising critical questions on such topics as violence and nonviolence *Freedom and Discipleship* offers a unique assessment of liberation theology from the perspective of the Radical Reformation that stream of Protestantism which has understood the discipleship of Jesus to imply commitments to peace and to justice The contributors address the myriad dimensions of liberation theology including hermeneutical ecclesiological christological ethical and eschatological concerns In Part I Perspectives on Liberation Theology essays evaluate liberation theology at various points and in different ways Part II Dialogical Interface and Implications reflects the ongoing conversation in a dialectical and dynamic fashion In bringing together liberation theology and the Anabaptist perspective *Freedom and Discipleship* makes a significant contribution to the engagement of two Christian traditions *The Sociology of Mennonites, Hutterites and Amish* Donovan E.
