Like every other state of Western Europe, Bavaria underwent numerous and far-reaching changes during the Napoleonic period. At the close of Charles Theodore's long reign in 1799, Bavaria was a group of backward, poorly governed, loosely organized, almost exclusively Catholic lordships held together mainly by the bond of their common allegiance to an elector who regarded them as his private property. As a result of territorial, governmental, economic, and religious changes as astonishing and important for Bavaria as those experienced by France during the Revolutionary and Napoleonic period, Bavaria by 1815 had become a modern state. The following discussion is concerned solely with the causes, nature, extent, and result of the policy followed by the Bavarian government during the Napoleonic period in matters of religion. The ^ANapoleonic Wars Alexander Mikaberidze, 2020-01-13 The first truly global history of the Napoleonic Wars the world s first world war **Revolutionary Jews from Spinoza to Marx** Jonathan I. Israel, 2021-06-06 Defines how Jewish intellectuals of the Enlightenment influenced later European revolutionary movements In the eighteenth and early nineteenth centuries a small but conspicuous fringe of the Jewish population became the world s most resolute intellectually driven and philosophical revolutionaries among them the pre Marxist Karl Marx Yet the roots of

their alienation from existing society and determination to change it extend back to the very heart of the Enlightenment when Spinoza and other philosophers living in a rigid hierarchical society colored by a deeply hostile theology first developed a modern revolutionary consciousness. Leading intellectual historian Jonathan Israel shows how the radical ideas in the early Marx's writings were influenced by this legacy which he argues must be understood as part of the Radical Enlightenment. He traces the rise of a Jewish revolutionary tendency demanding social equality and universal human rights throughout the Western world. Israel considers how these writers understood Jewish marginalization and ghettoization and the edifice of superstition, prejudice, and ignorance that sustained them. He investigates how the quest for Jewish emancipation led these thinkers to formulate sweeping theories of social and legal reform that paved the way for revolutionary actions that helped change the world from 1789 onward but hardly as they intended.

Publications of the American Jewish Historical Society American Jewish Historical Society, 1922 The Enlightenment that Failed Jonathan Israel, 2019

Radical and conservative Enlightenment ideologies began to break apart as the desire for a fair society clashed with questions of religion and secularization. The Enlightenment that Failed shows how ideas promoting the interest of society as a whole came to be almost defeated by ideas buttressing the interests of the privileged few.
