

Reluctant Warriors, 1941-1945

MATHILDE GILZINGER

Reluctant Warriors 1941-1945

David Wragg

Reluctant Warriors 1941-1945:

Reluctant Warriors, 1941-1945 Mathilde Gilzinger, 2002-07 *Reluctant Warriors 1941 1945* an autobiographical memoir set in New York Texas Tennessee Florida and the European Theater of Operations describes the lives of young people caught up in World War II daily life during those years and the profound effect the war had on that life Extensive illustrations include original photographs official Army correspondence wedding invoices and menus telegrams V mail and air combat descriptions over Europe The uniqueness of the war years resonates deeply in the minds of those who endured them *Reluctant Warriors* presents an honest intimate and poignant description of many people's lives during those years

Reluctant Warriors, 1941-1945 Mathilde Gilzinger, 2002-07-08 *Reluctant Warriors 1941 1945* an autobiographical memoir set in New York Texas Tennessee Florida and the European Theater of Operations describes the lives of young people caught up in World War II daily life during those years and the profound effect the war had on that life Extensive illustrations include original photographs official Army correspondence wedding invoices and menus telegrams V mail and air combat descriptions over Europe The uniqueness of the war years resonates deeply in the minds of those who endured them *Reluctant Warriors* presents an honest intimate and poignant description of many people's lives during those years

Spearhead In The West, 1941-1945 Sgt. Frank Woolner, 2016-08-09 The story of *Spearhead in the West* recounts the early history of the 3rd Armored Division its training in various locations both in the United States and in England and its combat record from Normandy to the banks of the River Elbe in Germany The book is conveniently divided into three distinct sections the combined history and battle lore of the entire division The first section is given over to an introduction of *Spearhead* units and organization The second section provides a popular narrative account together with sketches and photographs of important scenes persons and events The third and final section retells the accurate battle history of the division as compiled from the mass of official documents journals and records A narrative of hard training and bitter combat of local reverses and the stunning victory that befits a great armored division this book is a must read for any history buff

The United States at War, 1941 - 1945 Gary R. Hess, 2014-08-26 This 3rd edition presents a concise overview of how the war was fought as well as a consideration of the ways in which Americans regarded allies and enemies embraced heroes and viewed the war's purpose Making the important distinction between popular notions and military and political realities Gary Hess helps today's readers to better understand the complexity of the conflict Updated to incorporate the latest scholarship this latest edition also includes new material to underscore more fully the moral dimensions of the war including the American decision to use the atomic bomb the ruthless campaigns of both the Germans and Russians in Eastern Europe American reaction to the Holocaust as well as the government's post war tolerance and protection of Nazis deemed valuable to Cold War research and intelligence Enhanced coverage of specific topics including the Bataan Death March the Battle of the Bulge and the Allied uncovering of concentration camps rounds out the narrative Militarization and the American

Century David Fitzgerald, 2022-01-13 Taking American mobilization in WWII as its departure point this book offers a concise but comprehensive introduction to the history of militarization in the United States since 1940 Exploring the ways in which war and the preparation for war have shaped and affected the United States during The American Century Fitzgerald demonstrates how militarization has moulded relations between the US and the rest of the world Providing a timely synthesis of key scholarship in a rapidly developing field this book shows how national security concerns have affected issues as diverse as the development of the welfare state infrastructure spending gender relations and notions of citizenship It also examines the way in which war is treated in the American imagination how it has been depicted throughout this era why its consequences have been made largely invisible and how Americans have often considered themselves to be reluctant warriors In integrating domestic histories with international and transnational topics such as the American empire of bases and the experience of American service personnel overseas the author outlines the ways in which American militarization had and still has global consequences Of interest to scholars researchers and students of military history war studies US foreign relations and policy this book addresses a burgeoning and dynamic field from which parallels and comparisons can be drawn for the modern day

Ivan's War Catherine Merridale, 2024-09-04 May be the best historical portrait of life in the Red Army yet published researched with extraordinary patience and a wonderful ear for nuance Anne Applebaum The New York Review of Books Of the thirty million who fought in the eastern front of World War II eight million died driven forward in suicidal charges shattered by German shells and tanks They were the men and women of the Red Army a ragtag mass of soldiers who confronted Europe's most lethal fighting force and by 1945 had defeated it Sixty years have passed since their epic triumph but the heart and mind of Ivan as the ordinary Russian soldier was called remain a mystery We know something about how the soldiers died but nearly nothing about how they lived how they saw the world or why they fought Sourced from previously inaccessible military archives personal diaries and intimate veterans narratives author Catherine Merridale unveils the untold journey of these soldiers from their first encounter with the German offensive to their hard earned victory in Stalingrad a place where survival was measured in mere hours Accompany these brave hearts into the morose streets of Berlin as they face their anger fear and finally a bitter homecoming denied of the new life for which they sacrificed everything Discover this unique fusion of patriotism courage and human spirit that drove these undernourished poorly led troops to overthrow the Nazi menace Ivan's War emphatically places these invisible millions at the core of their deserved historical context accounting for their major role in shaping a new era A marvelous book confirms that Merridale is a superb historian Tony Judt author of Postwar

Major Fleet-Versus-Fleet Operations in the Pacific War, 1941-1945 Milan N. Vego, 2016 A detailed study of three major naval operations of World War II These three initiated by imperial Japan took place in the Pacific and resulted in the battles of the Coral Sea Midway Aleutians and the Philippine Sea All the cases provide ample background on the geographic and strategic context of the operations as well as an account of the unfolding of the

action utilizing much primary source material in especially American and Japanese archives Provided by publisher

Occupation and Insurgency Colin D. Heaton, 2008 **Soviet Jews in World War II** Harriet Murav, Gennady Estraiakh, 2019-08-28 This volume discusses the participation of Jews as soldiers journalists and propagandists in combating the Nazis during the Great Patriotic War as the period between June 22 1941 and May 9 1945 was known in the Soviet Union The essays included here examine both newly discovered and previously neglected oral testimony poetry cinema diaries memoirs newspapers and archives This is one of the first books to combine the study of Russian and Yiddish materials reflecting the nature of the Jewish Anti Fascist Committee which for the first time during the Soviet period included both Yiddish language and Russian language writers This volume will be of use to scholars teachers students and researchers working in Russian and Jewish history **The Bloomsbury Handbook of the Spanish Civil War** Antonio

Cazorla-Sanchez, Alison Ribeiro de Menezes, Adrian Shubert, 2023-11-30 In 25 innovative thematic essays The Bloomsbury Handbook of the Spanish Civil War sees an interdisciplinary team of scholars examine a conflict that more than 80 years after its conclusion continues to generate both scholarly and public controversy Split into four main sections covering Military and Diplomatic Issues Society and Culture Politics and Debates the volume offers a number of unique features It is unprecedented in its comprehensiveness and includes chapters on topics that are rarely if ever explored in the literature of the field humanitarianism children and families material conditions the decimation of elites archives and sources archaeological approaches digital approaches public history and cultural studies approaches Instead of discussing each of the two warring sides Republicans and Francoists separately as is so often the case the book s thematic structure means that these opposing forces are examined together facilitating comparison and fresh understanding in numerous areas of study Contributors from the UK the USA Canada Spain and Denmark also analyse the major controversies and disputes surrounding each topic as part of a detailed exploration of one of the seminal events of the 20th century Flawed Logics

James H. Lebovic, 2013-11-15 Can a nation accept limits in an arms competition James H Lebovic explores the logic of seeking peace in an arms race Flawed Logics offers a compelling intellectual history of U S Russian strategic nuclear arms control Lebovic thoroughly reviews the critical role of ideas and assumptions in U S arms control debates tying them to controversies over U S nuclear strategy from the birth of the atomic age to the present Each nuclear arms treaty from the Truman to the Obama administration is assessed in depth and the positions of proponents and opponents are systematically presented discussed and critiqued Lebovic concludes that the terms of these treaties with the Russians were never as good as U S proponents claimed nor as bad as opponents feared The comprehensive analysis in Flawed Logics is objective and balanced challenging the logic of hawks and doves Democrats and Republicans and theorists of all schools with equal vigor Lebovic s controversial argument will promote debate as to the very plausibility of arms control Running the World David Rothkopf, 2009-04-28 Never before in the history of mankind have so few people had so much power over so many The people

at the top of the American national security establishment the President and his principal advisors the core team at the helm of the National Security Council are without question the most powerful committee in the history of the world Yet in many respects they are among the least understood A former senior official in the Clinton Administration himself David Rothkopf served with and knows personally many of the NSC's key players of the past twenty five years In *Running the World* he pulls back the curtain on this shadowy world to explore its inner workings its people their relationships their contributions and the occasions when they have gone wrong He traces the group's evolution from the final days of the Second World War to the post Cold War realities of global terror exploring its triumphs its human dramas and most recently what many consider to be its breakdown at a time when we needed it most Drawing on an extraordinary series of insider interviews with policy makers including Condoleezza Rice Colin Powell Henry Kissinger senior officials of the Bush Administration and over 130 others the book offers unprecedented insights into what must change if America is to maintain its unprecedented worldwide leadership in the decades ahead

The Cold War Spencer C. Tucker, 2020-10-27 This sweeping reference work covers every aspect of the Cold War from its ignition in the ashes of World War II through the Berlin Wall and the Cuban Missile Crisis to the collapse of the Soviet Union in 1991 The Cold War superpower face off between the Soviet Union and the United States dominated international affairs in the second half of the 20th century and still reverberates around the world today This comprehensive and insightful multivolume set provides authoritative entries on all aspects of this world changing event including wars new military technologies diplomatic initiatives espionage activities important individuals and organizations economic developments societal and cultural events and more This expansive coverage provides readers with the necessary context to understand the many facets of this complex conflict The work begins with a preface and introduction and then offers illuminating introductory essays on the origins and course of the Cold War which are followed by some 1 500 entries on key individuals wars battles weapons systems diplomacy politics economics and art and culture Each entry has cross references and a list of books for further reading The text includes more than 100 key primary source documents a detailed chronology a glossary and a selective bibliography Numerous illustrations and maps are inset throughout to provide additional context to the material

Air University Library Index to Military Periodicals, 1997

The Warrior Image Andrew J. Huebner, 2011-12-01 Images of war saturated American culture between the 1940s and the 1970s as U S troops marched off to battle in World War II the Korean War and the Vietnam War Exploring representations of servicemen in the popular press government propaganda museum exhibits literature film and television Andrew Huebner traces the evolution of a storied American icon the combat soldier Huebner challenges the pervasive assumption that Vietnam brought drastic changes in portrayals of the American warrior with the jaded serviceman of the 1960s and 1970s shown in stark contrast to the patriotic citizen soldier of World War II In fact Huebner shows cracks began to appear in sentimental images of the military late in World War II and were particularly apparent during the Korean conflict Journalists filmmakers novelists and

poets increasingly portrayed the steep costs of combat depicting soldiers who were harmed rather than hardened by war isolated from rather than supported by their military leadership and American society Across all three wars Huebner argues the warrior image conveyed a growing cynicism about armed conflict the federal government and Cold War militarization

The Pacific Naval War 1941-1945 David Wragg, 2011-07-12 This vividly detailed WWII history chronicles the bitter conflict at sea between Allied and Japanese naval forces The Pacific War was primarily fought at sea Naval power allowed the Japanese to mount their attack on Pearl Harbor and then advance westwards and southwards It also enabled the Allies to strike back and even take the war to Japan itself The tide turned very quickly with the US victory at Midway in June of 1942 ending any Japanese hope of domination The book begins with the decisions that led Japan into war and the difficult situation faced by the Royal Navy elsewhere It then describes how within a couple of years the Royal Navy was able to send the strongest and most balanced fleet in its history to severely disrupt Japanese operations Historian David Wragg also covers how the Royal Australian Navy developed into a viable naval force ready to become a major fleet in the immediate postwar years The progress of the war is supported by eyewitness accounts from those involved in the fighting at sea **Catalog of**

Copyright Entries. Third Series Library of Congress. Copyright Office, 1973 [Spain at War](#) James Matthews, 2019-04-18 Spain's principal and most devastating war during the 20th century was unusually for most of Europe an internal conflict During the Spanish Civil War of 1936 to 1939 two competing armies the insurgent and counterrevolutionary Nationalist Army and the Republican Popular Army engaged in a conflict to impose their version of Spanish identity and the right to shape the country's future In its aftermath Francoist Spain remained on a war footing for the duration of the Second World War In spite of the unabated flood of books on the Spanish Civil War and its consequences historians of Spain in the 20th century have focused relatively little on the interaction of society and culture and their roles in wartime mobilization Spain at War addresses this omission through an examination of individual experiences of conflict and the mobilization of society This edited volume acknowledges the agency of low ranking individuals and the impact of their choices upon the historical processes that shaped the conflict and its aftermath In doing so this new military history provides a more complex and nuanced understanding of Spain's most intense period of wartime cultural mobilization between the years 1936 to 1944 and challenges traditional political accounts of the period **Axis Prisoners of War in Kentucky** Antonio S.

Thompson, 2024-01-01 During World War II Kentuckians rushed from farms to factories and battlefields leaving agriculture throughout the state particularly the lucrative tobacco industry without sufficient labor An influx of Axis prisoners of war made up the shortfall Nearly 10 000 German and Italian POWs were housed in camps at Campbell Breckinridge Knox and other locations across the state Under the Geneva Convention they worked for their captors and helped save Kentucky's crops while enjoying relative comfort as prisoners playing sports performing musicals and taking college classes Yet friction between Nazi and anti Nazi inmates threatened the success of the program This book chronicles the POW program in

Kentucky and the vital contributions the Bluegrass State made to Allied victory **Axis Prisoners of War in Tennessee**
Antonio S. Thompson, 2023-03-09 During World War II Axis prisoners of war received arguably better treatment in the U S than anywhere else Bound by the Geneva Convention but also hoping for reciprocal treatment of American POWs the U S sought to humanely house and employ 425 000 Axis prisoners many in rural communities in the South This is the first book length examination of Tennessee s role in the POW program and how the influx of prisoners affected communities Towns like Tullahoma transformed into military metropolises Memphis received millions in defense spending Paris had a secret barrage balloon base The wooded Crossville camp housed German and Italian officers Prisoners worked tobacco lumber and cotton across the state Some threatened escape or worse When the program ended more than 25 000 POWs lived and worked in Tennessee

Delve into the emotional tapestry woven by in Experience **Reluctant Warriors 19411945** .
