Remarkable Andrew:

The Remarkable Andrew Dalton Trumbo, 1941 A satirical allegory in the manner of *Candide* on the domestic and foreign policies of the New Deal Cf Hanna A Mirror for the nation **Dalton Trumbo, Hollywood Rebel** Peter Hanson, 2015-08-13 As a screenwriter novelist and political activist Dalton Trumbo stands among the key American literary figures of the 20th century he wrote the classic antiwar novel *Johnny Got His Gun* and his credits for *Spartacus* and *Exodus* broke the anticommunist blacklist that infected the movie industry for more than a decade By defining connections between Trumbo's most highly acclaimed films including *Kitty Foyle* *Thirty Seconds Over Tokyo* and *Roman Holiday* and his important but lesser known movies *The Remarkable Andrew* *He Ran All the Way* and *The Boss* the author identifies how for nearly four decades Trumbo used the archetype of the rebel hero to inject social consciousness into mainstream films This new critical survey the first book length work on Trumbo's screenwriting career examines the scores of films on which Trumbo worked and explores the techniques that made him at the time he was blacklisted in 1947 Hollywood's highest paid writer Hanson reveals how Trumbo dealt with major themes including rebellion radical politics and individualism while also detailing lesser known areas of Trumbo's screenwriting such as his troubling portrayal of women the dichotomy between his proletarian attitude and bourgeois lifestyle and the almost surreptitious manner in which he included antiestablishment rhetoric in seemingly innocuous scripts An extensive filmography is included **TRUMBO** Bruce Cook, 2025-04-08 The true story that inspired the major motion picture starring Bryan Cranston and Helen Mirren Dalton Trumbo was the central figure in the Hollywood Ten the blacklisted and jailed screenwriters One of several hundred writers directors producers and actors who were deprived of the opportunity to work in the motion picture industry from 1947 to 1960 he was the first to see his name on the screen again When that happened it was *Exodus* one of the year's biggest movies This intriguing biography shows that all his life Trumbo was a radical of the homegrown independent variety From his early days in Colorado where his grandfather was a county sheriff to Los Angeles where he organized a bakery strike to bootlegging to Hollywood where he was the highest paid screenwriter when he was blacklisted and a man with constant money problems his life rivaled anything he had written **Why Freedom Matters** Daniel R. Katz, 2003-01-01 Why Freedom Matters celebrates freedom in over 100 speeches letters essays poems and songs all infused with the spirit of democracy Here are the voices of presidents and slaves founding fathers and hip hop artists suffragettes civil rights workers preachers labor leaders and baseball players Inspired by the Declaration of Independence the book is published in conjunction with The Declaration of Independence Road Trip a 3 1 2 year cross country educational tour of an extremely rare original hand printed copy of the Declaration The Declaration of Independence Road Trip's mission is to energize Americans by bringing our founding document to towns small and large across the country Like the document itself this compelling anthology reveals America's soul as it wrestles with questions of life liberty and the pursuit of happiness and strives to fulfill the ideals of Thomas Jefferson's words Andrew's Assignment

Gary Topping, 2003 Among historians of Utah and the American West few names have greater resonance than Bernard DeVoto Dale Morgan Juanita Brooks Wallace Stegner and

Fawn Brodie Each of these writers made enduring contributions not only to our knowledge of the American West but also to our view of the region and its history In many ways their writing set the standard for scholarship and interpretation and their influence is still felt today Yet they were not flawless As Gary Topping explains in this the first comprehensive appraisal of their work each had serious shortcomings DeVoto and Stegner master storytellers distorted their histories with excessive use of literary and artistic techniques Morgan the thorough researcher failed to see larger contexts and interpretive possibilities Brooks courageous in finding damning new information on the Mountain Meadows massacre stopped short of drawing conclusions that might alienate her from her fellow Mormons and Brodie psychobiographer extraordinaire nonetheless succumbed to reading too much into the lives of her subjects based on her own emotions and conflicts All five writers experienced Mormon Utah in the formative stages of their lives and whether they wanted to or not fashioned their work on the American West under that indelible influence Topping shows ultimately how despite weaknesses each created exemplary models of diligent research and narrative elegance while establishing new traditions in western historical scholarship

Washington on Screen Leigh Ehlers Telotte, 2023-07-17 One of the most moving narratives from the American Revolution is the first presidential administration and the many precedents set by George Washington While media historians have extensively analyzed screen portrayals of the more sensational events of America in the 1750s to the 1790s far less attention has been paid to portrayals of the first presidency and the character of George Washington in film television and other formats This book addresses that gap by providing the most comprehensive analysis of the character of George Washington on screen Divided into two parts the book begins with an analysis of how the Washington character has evolved through time and screen media from early silent films to modern multimedia products In Part II a filmography documents each piece of screen media that features a representation of Washington It includes silent films theatrical films cartoons television and screen media from the 21st century such as streaming video games and multimedia presentations Arranged alphabetically each entry includes format type production details crew and cast lists and a brief description of Washington's character in relation to the plot
