called and gets involved in affairs of the state and court This is one of many books in the series 3 Books To Know If you liked this book look for the other titles in the series we are sure you will like some of the topics **The Great Romantic** Duncan Hamilton,2019-07-25 Neville Cardus described how one majestic stroke maker made music and spread beauty with his bat Between two world wars he became the laureate of cricket by doing the same with words In *The Great Romantic* award winning author Duncan Hamilton demonstrates how Cardus changed sports journalism for ever While popularising cricket while appealing in Cardus words to people who didn't know a leg break from the pavilion cat at Lord's he became a star in his own right with exquisite phrase making disdain for statistics and a penchant for literary and musical allusions Among those who venerated Cardus were PG Wodehouse John Arlott Harold Pinter JB Priestley and Don Bradman However behind the rhapsody in blue skies green grass and colourful characters this richly evocative biography finds that Cardus mother was a prostitute he never knew his father and he received negligible education Infatuations with younger women ran parallel to a decidedly unromantic marriage And astonishingly the supreme stylist's aversion to factual accuracy led to his reporting on matches he never attended Yet Cardus also belied his impoverished origins to prosper in a second class conscious profession becoming a music critic of international renown *The Great Romantic* uncovers the dark enigma within a golden age

Platt William Platt,1896 **The Socialist's Longing and Other Poems** William Herbert Thomas,1893
