faced starvation submission and for some death Rallying the defense of this lifeway of old was Sitting Bull legendary Hunkpapa Lakota spiritualist He was supported throughout by Crazy Horse Spotted Eagle Big Road Little Wolf and a host of other kindred traditional chiefs and headmen who in turn rallied thousands of like minded men women and children And yet but for momentary glory against Crook and Custer this was a war that could not be won Award winning author Paul L Hedren was ten years in crafting this great American epic Utilizing an array of Lakota and Cheyenne accounts pictographic renderings and original interviews this is the story of a people intent only on adhering to a traditional life on the buffalo prairie The narrative is broad and inclusive and a welcome addition to the canon of American Indian wars history *Dealing With Difference* Chuck Grose,2019-09-30 Dealing with Differences is a pervasive issue everyone is faced with yet our responses are not always just and mutually enriching This book argues that our ability for empathy can become an internal lens to overcome the fear of differences Dealing with Differences begins with the reader s experience introspection and problem solving and the book often includes references to current events Within each chapter readers develop their own stories on dealing with difference This includes journaling about changing feelings and thoughts and applying chapter information to everyday experience Readers use empathy to address privilege race gender sexuality violence and other realities The pursuit of justice is encouraged Every reader can do something sometime somewhere to effectively deal with differences **REUBEN's GRIFT** David H.
