Remembering The Good War

Roger W. Lotchin

Remembering The Good War:

The Good War's Greatest Hits Philip D. Beidler, 1998 The glow of 1945 persists as a kind of beacon for American society symbolic of an era when good and evil were easily defined This image is at the center of Philip D Beidler s entertaining look at the way World War II reshaped American popular culture The legend of the Good War was fostered by wartime propaganda and reinforced in the aftermath of victory through books the news media movies songs and television Beidler captures the aura of the times as he chronicles the production histories of more than a dozen projects with wartime themes examining how books and plays evolved into films how stars were considered and selected technical problems and personality conflicts during production and the public s reactions From the upbeat tempo of the musical *South Pacific* to the weary disillusionment of *The Best Years of Our Lives* from the patriotic nostalgia of *Life s Picture History of World War II* to the moral ambiguity of *From Here to Eternity* a powerful mythology of the war developed As a consequence the line between fact and fiction has blurred for the war generation and its inheritors and Hollywood s version of the Good War has become enshrined as historical fact in the nation s collective memory *The "Good War" in American Memory* John Bodnar, 2010-10-01 The Good War in American Memory dispels the long held myth that Americans forged an agreement on why they had to fight in World War II John Bodnar s sociocultural examination of the vast public debate that took place in the United States over the war s meaning reveals that the idea of the good war was highly contested Bodnar s comprehensive study of the disagreements that marked the American remembrance of World War II in the six decades following its end draws on an array of sources fiction and nonfiction movies theater and public monuments He identifies alternative strands of memory tragic and brutal versus heroic and virtuous and reconstructs controversies involving veterans minorities and memorials In building this narrative Bodnar shows how the idealism of President Franklin Roosevelt s Four Freedoms was lost in the public commemoration of World War II how the war s memory became intertwined in the larger discussion over American national identity and how it only came to be known as the good war many years after its conclusion **"The Good War"** Studs Terkel, 2011-07-26 Winner of the Pulitzer Prize The richest and most powerful single document of the American experience in World War II The Boston Globe The Good War is a testament not only to the experience of war but to the extraordinary skill of Studs Terkel as an interviewer and oral historian From a pipe fitter s apprentice at Pearl Harbor to a crew member of the flight that dropped the atomic bomb on Nagasaki his subjects are open and unrelenting in their analyses of themselves and their experiences producing what People magazine has called a splendid epic history of WWII With this volume Terkel expanded his scope to the global and the historical and the result is a masterpiece of oral history Tremendously compelling somehow dramatic and intimate at the same time as if one has stumbled on private accounts in letters locked in attic trunks In terms of plain human interest Mr Terkel may well have put together the most vivid collection of World War II sketches ever gathered between covers The New York Times Book Review I promise you will remember your

war years if you were alive then with extraordinary vividness as you go through Studs Terkel's book Or if you are too young to remember this is the best place to get a sense of what people were feeling Chicago Tribune A powerful book repeatedly moving and profoundly disturbing People **Looking for the Good War** Elizabeth D. Samet, 2021-11-30 A remarkable book from its title and subtitle to its last words A stirring indictment of American sentimentality about war Robert G Kaiser The Washington Post In Looking for the Good War Elizabeth D Samet reexamines the literature art and culture that emerged after World War II bringing her expertise as a professor of English at West Point to bear on the complexity of the postwar period in national life She exposes the confusion about American identity that was expressed during and immediately after the war and the deep national ambivalence toward war violence and veterans all of which were suppressed in subsequent decades by a dangerously sentimental attitude toward the United States exceptional history and destiny Samet finds the war's ambivalent legacy in some of its most heavily mythologized figures the war correspondent epitomized by Ernie Pyle the character of the erstwhile G I turned either cop or criminal in the pulp fiction and feature films of the late 1940s the disaffected Civil War veteran who looms so large on the screen in the Cold War Western and the resurgent military hero of the post Vietnam period Taken together these figures reveal key elements of postwar attitudes toward violence liberty and nation attitudes that have shaped domestic and foreign policy and that respond in various ways to various assumptions about national identity and purpose established or affirmed by World War II As the United States reassesses its roles in Afghanistan and the Middle East the time has come to rethink our national mythology the way that World War II shaped our sense of national destiny our beliefs about the use of American military force throughout the world and our inability to accept the realities of the twenty first century's decades of devastating conflict **The Good War** Maggie Locke, 2013-06-07 The Good War is a book about World War 2 It takes place in 1944 at the time of the Battle of the Bulge The 981st U S Army is encamped in Brussels Belgium The 981st is made up of Engineering Heavy Artillery and Intelligence The intelligence unit is sent behind enemy lines to find out what the enemy is up to The unit is split into two groups when one group is picked up by Belgian Partisans The corporal Alex McDowell meets among the partisans a woman that he could fall in love with but her overprotective brother stands in the way of their happiness The unit now again in the Ardennes forest to fight the Battle of the Bulge While war rages through the beautiful European landscape partisans fight and die for freedom One in particular Eva Rimmel a young woman of great courage and compassion helps a unit of lost American soldiers Her attraction to one of the soldiers is undeniable Corporal Alex McDowell a soldier of the 981st intelligence unit was far from his home of Dallas Texas Separated from his unit he found the beautiful young partisan irresistible Can their love survive a war

Remembering the Road to World War Two Patrick Finney, 2010-09-13 Remembering the Road to World War Two is a broad and comparative international survey of the historiography of the origins of the Second World War It explores how in the case of each of the major combatant countries historical writing on the origins of the Second World War has been

inextricably linked with conceptions of national identity and collective memory Remembering the War, Forgetting the Terror Ekaterina V. Haskins, 2024-03-19 Russian state propaganda has framed the invasion of Ukraine as a liberation mission by invoking the Soviet era myth of the Great Patriotic War 1941-45 in which the Soviet people led by Russia saved the world from the greatest evil of the twentieth century At the same time the Russian government has banned civil society institutions and initiatives that remind the country of the legacy of Soviet political violence Remembering the War Forgetting the Terror explores the appeal of the cult of the Great Patriotic War and the waning public interest in Soviet political terror as intertwined trends Ekaterina V Haskins argues that these developments are driven not only by the weaponization of the official memory of World War II but also by familial pieties and deep seated habits of memory Haskins uncovers how widely shared practices of remembrance have taken root and flourished through recurring exposure to war films urban environments popular commemorative rituals and digital archives Combining scholarship and personal biography Haskins illuminates why despite the staggering toll of World War II and internal political violence on Soviet families most Russian citizens continue to proudly embrace their family's participation in the war effort and avoid discussion of domestic political persecution Elegantly written and convincingly argued this book is an important intervention into contemporary rhetoric and memory studies that will also appeal to broader audiences interested in Russia Eastern Europe and the war in Ukraine

Allies in Memory Sam Edwards, 2015-03-02 A fresh perspective on World War II commemoration that identifies the central place of war memory in post 1945 transatlantic relations **Women Against the Good War** Rachel Waltner Goossen, 1997 During World War II more than 12 000 male conscientious objectors seeking alternatives to military service entered Civilian Public Service to do forestry soil conservation or other work of national importance But this government sponsored church su

Remembering the Forgotten War Philip West, Suh Ji-moon, Donald Gregg, 2015-02-12 In contrast to the many books that use military diplomatic and historic language in analyzing the Korean War this book takes a cultural approach that emphasizes the human dimension of the war an approach that especially features Korean voices There are chapters on Korean art on the war translations into English of Korean poetry by Korean soldiers and American soldier poetry on the war There is a photographic essay on the war by combat journalist and Pulitzer Prize winning photographer Max Desfor Another chapter includes and analyzes songs on the Korean War Korean American and Chinese that illuminate the many complex memories of the war There is a discussion of Korean films on the war and a chapter on Korean War POWs and their contested memories More than any other nonfiction book on the war this one shows us the human face of tragedy for Americans Chinese and most especially Koreans June 2000 was the fiftieth anniversary of the outbreak of the Korean War this moving volume is intended as a commemoration of it **Remembering the Second World War** Patrick

Finney, 2017-07-14 Remembering the Second World War brings together an international and interdisciplinary cast of leading scholars to explore the remembrance of this conflict on a global scale Conceptually it is premised on the need to challenge

nation centric approaches in memory studies drawing strength from recent transcultural affective and multidirectional turns Divided into four thematic parts this book largely focuses on the post Cold War period which has seen a notable upsurge in commemorative activity relating to the Second World War and significant qualitative changes in its character The first part explores the enduring utility and the limitations of the national frame in France Germany and China The second explores transnational transactions in remembrance looking at memories of the British Empire at war contested memories in East Central Europe and the transnational campaign on behalf of Japan s former comfort women A third section considers local and sectional memories of the war and the fourth analyses innovative practices of memory including re enactment video gaming and Holocaust tourism Offering insightful contributions on intriguing topics and illuminating the current state of the art in this growing field this book will be essential reading for all students and scholars of the history and memory of the Second World War

Fight the Good Fight: Voices of Faith from the Second World War John Broom,2016-06-30 The Second World War challenged many of the concepts that had provided stability and unity in the world As totalitarian regimes in Europe and Asia attempted to impose their world view on their neighbours a struggle for what Winston Churchill described as Christian civilisation took place on many fronts On the home front on land on sea and in the air as well as in the horrific concentration camps of Europe and prisoner of war camps in the Far East people of a Christian faith found their beliefs challenged However for many this challenge provided an affirmation of that faith as it provided a rock amidst the ever shifting sands of circumstance This book contains the accounts of twenty such individuals many drawn from previously unpublished sources Their testimonies provide evidence that during a time of discord disruption dislocation and death the Christian faith remained a key force in sustaining morale and a willingness to fight the good fight Interesting Facts King George VI called National Days of Prayer during Britains darkest days in 1940 Had Michael Benn survived the war he would have become the 2nd Viscount Stansgate meaning his brother Tony would not have had to fight to renounce his peerage Bill Frankland avoided near certain death at the Alexandra Hospital Massacre by the toss of a coin Stanley Warren only found out about the rediscovery of his Changi Murals during a chance work conversation in the 1950s As a boy Ken Tout was told by his parents to cross the street to avoid walking past the Catholic church As a man he was invited to a private audience with Pope John Paul II

The Good War That Wasn't--and Why It Matters Ted Grimsrud,2014-11-10 A war is always a moral event However the most destructive war in human history has not received much moral scrutiny The Good War That Wasn t and Why It Matters examines the moral legacy of this war especially for the United States Drawing on the just war tradition and on moral values expressed in widely circulated statements of purpose for the war the book asks How did American participation in the war fit with just cause and just conduct criteria Subsequently the book considers the impact of the war on American foreign policy in the years that followed How did American actions cohere or not with the stated purposes for the war especially self determination for the peoples of the world and disarmament Finally the book looks at the witness of war

opponents Values expressed by war advocates were not actually furthered by the war However many war opponents did inspire efforts that effectively worked toward the goals of disarmament and self determination The Good War That Wasn't and Why It Matters develops its arguments in pragmatic terms It focuses on moral reasoning in a commonsense way in its challenge to widely held assumptions about World War II *Austrian Historical Memory and National Identity* Gunter Bischof, Anton Pelinka, *The Bad City in the Good War* Roger W. Lotchin, 2003-03-03 Riders were very appropriate to a western war but these horsemen could not have been more different One group patrolled the oceanfront of The City after dark While the residents of the nearby Sunset District and Seacliff huddled around the radios in their living rooms curtains pulled and blinds lowered listening to war news or to One Man's Family other residents rode the beaches Mounted on their own ponies the men of the San Francisco Polo Club labored through the sands of China Beach Baker Beach and the Ten Mile Beach looking for Imperial Japanese intruders from the book In the mythology of the West the city was seen as a place of danger and corruption but the bad city proved its mettle during the Good War In this book Roger W Lotchin has written the first comprehensive study of California's urban home front United by fear of totalitarianism the diverse population of California's cities came together to protect their homes and to aid in the war effort Whether it involved fighting in Europe or Asia migrating to a defense center writing to service personnel at the front building war machines in converted factories giving pennies at school for war bonds saving scrap material or pounding a civil defense beat urban California's participation was immediate constant and unflagging Although many people worked in offices factories or barracks the wartime community was also fed by a vast army of volunteers which until now has been largely overlooked The Bad City in the Good War is a comprehensive local history of the California home front that restores a little known part of the story of the Second World War **Remembering the Good War** Thomas Saylor, 2008-10-14 World War II was the defining event for a generation of Americans Remembering the Good War tells the stories of over one hundred Minnesotans ordinary people who rose to duty at an extraordinary moment in our past Here soldiers and sailors housewives and farmers Rosies and Joes tell what it was like to be swept up in history Betty Wall Strofus of Faribault recalls how she discovered a love for flying and joined the Women's Air Force Service Pilots WASP program to serve stateside during the war Lyle Pasket of St Paul marvels that he was only seventeen when his cruiser the USS Indianapolis was torpedoed en route to the Philippines After three days without food or drink in shark infested waters he was one of only 317 sailors rescued Paratrooper Frank Soboleski of International Falls recounts how he depended on north woods hunting skills to keep himself alive during battle in the Netherlands Schoolteacher Vivian Linn McMorrow remembers with quiet intensity the brief time she shared with her husband Ralph Gland who was killed in France during the second year of their marriage From the shock of the attack on Pearl Harbor to the excitement of recruits leaving the farm for the first time to the horrors of the battlefields of Europe Africa and the Pacific Remembering the Good War pays homage to the generation of Minnesotans who were forever transformed by

World War II Their voices honest emotional and resolute remind us of a time of sacrifice and courage The Routledge History of Global War and Society Matthew S. Muehlbauer, David J. Ulbrich, 2018-02-21 The Routledge History of Global War and Society offers a sweeping introduction to the most significant research on the causes experiences and impacts of war throughout history This collection of twenty seven essays by leading historians demonstrates how war and society studies have dramatically expanded the chronological geographic and thematic breadth of the field of military history Each chapter addresses the ways in which recent scholarship has integrated cultural ethical environmental medical and ideological factors to explain both conventional conflicts and genocide terrorism and other forms of mass violence The broad scope of the collection makes it the perfect primer for scholars and students seeking to understand the complex interactions of warfare and those affecting and affected by conflict

Detroit And The "Good War" Dominic J. Capeci Jr., 2021-12-14 Edward J. Jeffries Jr was elected mayor of Detroit in 1937 and for a decade led the city through a period of race riots union turmoil and unprecedented growth Jeffries s circle of friends was made up primarily of newspaper reporters who shared his interests and lifestyle Devoted to family they nevertheless worked long hours smoked heavily drank moderately and gambled often in their running card games of gin and poker After Pearl Harbor Jeffries watched his closest friends most twelve to fourteen years his junior enlist in the armed forces Voracious letter writers over the next four years they shared with one another their innermost hopes and fears They told stories about Gen George S Patton the surrender of Japan of commanding African American soldiers during the Normandy invasion and the battles on the home front in the heart of Detroit the Arsenal of Democracy These letters present a candid portrait of the intellectual and political leadership of Detroit and America These men were confident in their values aware of their responsibilities and logical in their actions as they helped forge the weapons that turned back the fascist threat to democracy Their letters also reveal a level and kind of male camaraderie seemingly lost in the depersonalized technocratic society of the postwar era As such this work provides a more complete understanding of how Americans reacted to and were changed by the Good War

A Companion to U.S. Foreign Relations Christopher R. W. Dietrich, 2020-03-04 Covers the entire range of the history of U S foreign relations from the colonial period to the beginning of the 21st century A Companion to U S Foreign Relations is an authoritative guide to past and present scholarship on the history of American diplomacy and foreign relations from its seventeenth century origins to the modern day This two volume reference work presents a collection of historiographical essays by prominent scholars The essays explore three centuries of America s global interactions and the ways U S foreign policies have been analyzed and interpreted over time Scholars offer fresh perspectives on the history of U S foreign relations analyze the causes influences and consequences of major foreign policy decisions and address contemporary debates surrounding the practice of American power The Companion covers a wide variety of methodologies integrating political military economic social and cultural history to explore the ideas and events that shaped U S diplomacy and foreign relations and continue to influence national

identity The essays discuss topics such as the links between U S foreign relations and the study of ideology race gender and religion Native American history expansion and imperialism industrialization and modernization domestic and international politics and the United States role in decolonization globalization and the Cold War A comprehensive approach to understanding the history influences and drivers of U S foreign relation this indispensable resource Examines significant foreign policy events and their subsequent interpretations Places key figures and policies in their historical national and international contexts Provides background on recent and current debates in U S foreign policy Explores the historiography and primary sources for each topic Covers the development of diverse themes and methodologies in histories of U S foreign policy Offering scholars teachers and students unmatched chronological breadth and analytical depth A Companion to U S Foreign Relations Colonial Era to the Present is an important contribution to scholarship on the history of America s interactions with the world

Remembering the Great War Ian Andrew Isherwood, 2017-02-28 The horrors and tragedies of the First World War produced some of the finest literature of the century including *Memoirs of an Infantry Officer* *Goodbye to All That* the poetry of Wilfred Owen and Edward Thomas and the novels of Ford Madox Ford Collectively detailing every campaign and action together with the emotions and motives of the men on the ground these war books are the most important set of sources on the Great War that we have Through looking at the war poems memoirs and accounts published after the First World War Ian Andrew Isherwood addresses the key issues of wartime historiography patriotism cowardice publishers and their motives readers and their motives masculinity and propaganda He also analyses the culture society and politics of the world left behind *Remembering the Great War* is a valuable fascinating and stirring addition to our knowledge of the experiences of WWI

Remembering The Good War Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Remembering The Good War free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Remembering The Good War free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Remembering The Good War free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Remembering The Good War. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research

papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Remembering The Good War any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Remembering The Good War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
