Reminiscences Of General Basil W Duke:

Reminiscences of General Basil W. Duke Basil Wilson Duke, 1911 *Reminiscences of General Basil W. Duke, C.S.A.* Basil W. Duke, 1969 **Reminiscences of General Basil W. Duke** Basil Wilson Duke, 2023-07-18 This is a fascinating memoir about General Basil W Duke a Confederate general and a prominent figure in Kentucky during the Civil War era The author provides insights into the life and career of General Duke as well as his views on the causes and consequences of the Civil War This book is a must read for anyone interested in the history of the Civil War Kentucky history or the life of General Basil W Duke This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Reminiscences of General Basil W. Duke, C.S.A.* Basil Wilson Duke, 1911 *Reminiscences of General Basil W. Duke, C. S. A* Duke Basil Wilson, 1901 **Reminiscences of General Basil W. Duke,...** Basil W. Duke (General.), 1911 *REMINISCENCES OF GENERAL BASIL* Basil Wilson 1838-1916 Duke, 2016-08-29 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Civil War Reminiscences of General Basil W. Duke, C.S.A.** Basil Wilson Duke, 2001 These war memories are Basil Duke s forceful recollections of his participation in the Civil War *Reminiscences of General Basil W. Duke, C. S. a (Classic Reprint)* Basil Wilson Duke, 2017-10-28 Excerpt from *Reminiscences of General Basil W Duke C S A* Both sections were alarmed The one feared an unrestricted extension of slavery into the public domain the other feared its abolition The South saw safety only in secession The North believed that with the dissolution of the Union permanent peace upon this continent would be impossible There was assuredly an intelligible apprehension if not a sufficient *cam belli* on both sides About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state of the art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Reminiscences of General Basil W. Duke . . . Duke Basil Wilson 1838-1916, 2013-01

Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches, etc., we have endeavoured to keep the quality of these images so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Massacre at St. Louis Kenneth E. Burchett, 2024-08-02

In 1861 Union Brigadier General Nathaniel Lyon marched through the divided slave state Missouri en route to St. Louis. Lyon was to arrest a state militia unit at Camp Jackson that planned to raid a federal arsenal in the city. Upon capturing the men, Lyon's troops encountered crowds of hostile citizens and after a gun shot they fired on the mob, killing at least 28 civilians in what is now known as the Camp Jackson affair or the St. Louis massacre. In this book, the author describes partisan activities leading to hostilities, promotes awareness about the history of slavery in America, and explores political divisions still evident in American culture. Previously unpublished materials about Governor Claiborne Jackson are included, as well as the role of Montgomery Blair in the fight for Missouri, an analysis of the number of arms in the St. Louis Arsenal, and the unknown total number of casualties of the St. Louis massacre.

Generals in Gray Ezra J. Warner, 1959-06

Given in memory of Lt. Charles Britton Hudson, CSA. Sgt. William Henry Harrison Edge, CSA, by Eugene Edge III.

Soldiering in the Army of Tennessee Larry J. Daniel, 2018-08-25

In *Soldiering in the Army of Tennessee*, Larry Daniel offers a view from the trenches of the Confederate Army of Tennessee. His book is not the story of the commanders but rather shows in intimate detail what the war in the western theater was like for the enlisted men. Daniel argues that the unity of the Army of Tennessee, unlike that of Robert E. Lee's Army of Northern Virginia, can be understood only by viewing the army from the bottom up rather than the top down. The western army had neither strong leadership nor battlefield victories to sustain it, yet it maintained its cohesiveness. The glue that kept the men in the ranks included fear of punishment, a well-timed religious revival that stressed commitment and sacrifice, and a sense of comradeship developed through the common experience of serving under losing generals. The soldiers here tell the story in their own rich words; for Daniel quotes from an impressive variety of sources, drawing upon his reading of the letters and diaries of more than 350 soldiers, as well as scores of postwar memoirs. They write about rations, ordnance, medical care, punishments, the hardships of extensive campaigning, morale, and battle. While eastern and western soldiers were more alike than different, Daniel says there were certain subtle variances. Western troops

were less disciplined a bit rougher and less troubled by class divisions than their eastern counterparts Daniel concludes that shared suffering and a belief in the ability to overcome adversity bonded the soldiers of the Army of Tennessee into a resilient fighting force *Ghosts of the Confederacy* Gaines M. Foster,1987-04-23 After Lee and Grant met at Appomatox Court House in 1865 to sign the document ending the long and bloody Civil War the South at last had to face defeat as the dream of a Confederate nation melted into the Lost Cause Through an examination of memoirs personal papers and postwar Confederate rituals such as memorial day observances monument unveilings and veterans reunions *Ghosts of the Confederacy* probes into how white southerners adjusted to and interpreted their defeat and explores the cultural implications of a central event in American history Foster argues that contrary to southern folklore southerners actually accepted their loss rapidly embraced both reunion and a New South and helped to foster sectional reconciliation and an emerging social order He traces southerners fascination with the Lost Cause showing that it was rooted as much in social tensions resulting from rapid change as it was in the legacy of defeat and demonstrates that the public celebration of the war helped to make the South a deferential and conservative society Although the ghosts of the Confederacy still haunted the New South Foster concludes that they did little to shape behavior in it white southerners in celebrating the war ultimately trivialized its memory reduced its cultural power and failed to derive any special wisdom from defeat *The American Civil War* Steven E. Woodworth,1996-12-09 The single most important volume for anyone interested in the Civil War to own and consult From the foreword by James M McPherson The first guide to Civil War literature to appear in nearly 30 years this book provides the most comprehensive up to date and informative survey and analysis of the vast body of Civil War literature More than 40 essays each by a specialist in a particular subfield of Civil War history offer unmatched thoroughness and discerning assessments of each work s value The essays cover every aspect of the war from strategy tactics and battles to logistics intelligence supply and prisoner of war camps from generals and admirals to the men in the ranks from the Atlantic to the Far West from fighting fronts to the home front Some sections cover civilian leaders the economy and foreign policy while others deal with the causes of war and aspects of Reconstruction including the African American experience during and after the war Breadth of topics is matched by breadth of genres covered Essays discuss surveys of the war general reference works published and unpublished papers diaries and letters as well as the vast body of monographic literature including books dissertations and articles Genealogical sources historical fiction and video and audio recordings also receive attention Students of the American Civil War will find this work an indispensable gateway and guide to the enormous body of information on America s pivotal experience **Braxton Bragg and Confederate Defeat** Grady McWhiney,Judith Lee Hallock,1991 In the Summer of 1863 Confederate General Braxton Bragg was commander of the Army of Tennessee still reeling from its defeat in January at Murfreesboro Tenn *Rebel Watchdog: The Confederate States Army Provost Guard* Radley, Kenneth J.,1989 **Raising the White Flag** David Silkenat,2019-02-27 The American Civil War began with a laying

down of arms by Union troops at Fort Sumter and it ended with a series of surrenders most famously at Appomattox Courthouse But in the intervening four years both Union and Confederate forces surrendered en masse on scores of other occasions Indeed roughly one out of every four soldiers surrendered at some point during the conflict In no other American war did surrender happen so frequently David Silkenat here provides the first comprehensive study of Civil War surrender focusing on the conflicting social political and cultural meanings of the action Looking at the conflict from the perspective of men who surrendered Silkenat creates new avenues to understand prisoners of war fighting by Confederate guerillas the role of southern Unionists and the experiences of African American soldiers The experience of surrender also sheds valuable light on the culture of honor the experience of combat and the laws of war The River Was Dyed with Blood Brian Steel Wills, 2014-03-17 The battlefield reputation of Confederate general Nathan Bedford Forrest long recognized as a formidable warrior has been shaped by one infamous wartime incident At Fort Pillow in 1864 the attack by Confederate forces under Forrest s command left many of the Tennessee Unionists and black soldiers garrisoned there dead in a confrontation widely labeled as a massacre In The River Was Dyed with Blood best selling Forrest biographer Brian Steel Wills argues that although atrocities did occur after the fall of the fort Forrest did not order or intend a systematic execution of its defenders Rather the general s great failing was losing control of his troops A prewar slave trader and owner Forrest was a controversial figure throughout his lifetime Because the attack on Fort Pillow which as Forrest wrote left the nearby waters dyed with blood occurred in an election year Republicans used him as a convenient Confederate scapegoat to marshal support for the war After the war he also became closely associated with the spread of the Ku Klux Klan Consequently the man himself and the truth about Fort Pillow has remained buried beneath myths legends popular depictions and disputes about the events themselves Wills sets what took place at Fort Pillow in the context of other wartime excesses from the American Revolution to World War II and Vietnam as well as the cultural transformations brought on by the Civil War Confederates viewed black Union soldiers as the embodiment of slave rebellion and reacted accordingly Nevertheless Wills concludes that the engagement was neither a massacre carried out deliberately by Forrest as charged by a congressional committee nor solely a northern fabrication meant to discredit him and the Confederate States of America as pro Southern apologists have suggested The battle scarred fighter with his homespun aphorisms was neither an infallible warrior nor a heartless butcher but a product of his time and his heritage

When somebody should go to the books stores, search initiation by shop, shelf by shelf, it is in fact problematic. This is why we give the books compilations in this website. It will agreed ease you to see guide **Reminiscences Of General Basil W Duke** as you such as.

By searching the title, publisher, or authors of guide you in fact want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best area within net connections.
