When the World Didn't End Guinevere Turner, 2023-05-23 In this immersive spell binding memoir an acclaimed screenwriter tells the story of her childhood growing up with the infamous Lyman Family cult and the complicated and unexpected pain of leaving the only home she'd ever known A NEW YORKER BEST BOOK OF THE YEAR On January 5 1975 the world was supposed to end Under strict instructions six year old Guinevere Turner put on her best dress grabbed her favorite toy and waited with the rest of her community for salvation a spaceship that would take them to live on Venus But the spaceship never came Guinevere did not understand that her family was a cult She spent most of her days on a compound in Kansas living apart from her mother with dozens of other children who worked in the sorghum fields and roved freely through the surrounding pastures eating mulberries and tending to farm animals But there was a dark side to this bucolic existence Guinevere was part of the Lyman Family a secluded cult spearheaded by Mel Lyman a self proclaimed savior committed to isolation from a World he declared had lost its way When Guinevere caught the attention of Jessie the woman everyone in the Family called the Queen her status was elevated suddenly she was traveling with the inner circle among communities in Los Angeles Boston and Martha's Vineyard But before long the life Guinevere had known ended Her mother from whom she had been separated since age three left the Family with another disgraced member and Guinevere and her four year old sister were forced to leave with them Traveling outside the bounds of her cloistered existence Guinevere was thrust into public school for the first time a stranger in a strange land wearing homemade clothes and clueless about social codes Now out in the World she'd been raised to believe was evil she faced challenges and horrors she

couldn't have imagined Drawing from the diaries that she kept throughout her youth Guinevere Turner's memoir is an intimate and heart wrenching chronicle of a childhood touched with extraordinary beauty and unfathomable ugliness the ache of yearning to return to a lost home and the slow realization of how harmful that place really was CEO Daddy, Don't Be Angry Lan RenShaFa,2020-01-26 Five years ago the Yan Luoluo had been caught up in the beautiful scandal and left France while pregnant Five years later she brought her beautiful son back to the country thinking only about living a peaceful life but then Neither Runner mistakenly walked into the room of the man five years ago **Peaches and Jake and 19 Cobras** Paula Bailey,2021-08-24 If you have read our first book Peaches and the 19 Cobras you know that Peaches and Jake are two amazing rescue dogs who keep me entertained and on my toes both night and day Because His Heart Was Strong Chelsey L. Owens,2018-12-10 That was the moment the turning point That was the moment I fully understood the depth of Daddy's love for me Similar to the love of Christ I knew his lack of consciousness or even more realistically the hostility of death's doorstep could not interfere with my father's matchless love for his only daughter While Christ's suffering made me realize His love for me my daddy's suffering made me realize my love for him Losing a parent is never easy Losing a good parent is even crueler But losing an admirable parent comparable to Christ it's an extremely bitter truth to accept Written from the viewpoint of an undeniable Daddy's girl Because His Heart was Strong entwines the captivating journey of Rick Owens final decade of life through her own story including the remarkable courage he demonstrated amidst prolonged suffering and the sheer legacy he imparted in death highlighting the faith he placed in his Savior through it all **Padayon** Beth Salazar Villarin,2025-02-06 Padayon means to carry on in Cebuano a language in Philippines It is a memoir of the author's parents Engr Doroteo Dodo Monte de Ramos Salazar and Mrs Zenaida Naiding Figuracion Salazar Starting with a narration of the sudden and tragic death of her dad the author writes introspectively about the painful experience about losing a dad the pillar of their family It continues with the abrupt turn over of the businesses to the immediate heirs his children The rest of the book describes the family's modest business and family beginnings including local and foreign travels In 1983 the couple founded Salazar Colleges of Science and Institute of Technology SCSIT a school for the poor and marginalized It was originally named Salcon Institute of Technology Accepting the plea of the folks of Madridejos Cebu the couple entered politics risking their lives just to make the community a better place to live in **This Spoiling President Is My Husband** Mu XiaoXi,2020-04-01 Many years ago she was tricked into his bed and the charming night was extremely cozy She unwillingly became a street mouse in her heart and many years later when they met again she was still in his bed Plotted against me What Mr Lin said is not right I am not the only one feeling good How can I be called scheming In order to find out the reason for her mother's death she brought her child back to the city **The Valley of the Shadow** Christopher Gilpin,2016-02-16 The title of this book reflects a time in my life when I was surrounded by death and the possibility of not making the return journey home from combat in Iraq in 2005 2006 I felt a deep obligation to tell my two and a half year old

daughter Chrisaine about the boy that I was and the soldier that I became should I not make it back home to tell her in person This book chronicles my childhood beginning with my first indelible memory at age four describing the people places and events that molded me into the man and soldier that I became until my son Christophe turned four years old Valley of the Shadow was an easy choice as the title for me because of the biblical and literal connection to me as I experienced combat and lived in a space and time defined by death and the will to overcome that fear That shadow was ever present and I fought hard and willed myself not to be engulfed by it I was much more to my family than a soldier and I wanted my daughter to know the boy that I was and what made me into the soldier that I became This journey was filled with periods of joy and great happiness as well as uncertainty and sadness as a boy and much the same as a soldier I excelled at the things that I applied myself to but was always challenged to perform in order to continue receiving the pleasures of everyday life or to survive a day in combat So both my childhood and my profession were valleys oftentimes reflecting low points and high points with a sense of duty to survive and overcome the day at hand **Mommy where is my father** Thuso
