Mademoiselle Rhonda K. Garelick, 2015-07-14 NATIONAL BESTSELLER Certain lives are at once so exceptional and yet so in step with their historical moments that they illuminate cultural forces far beyond the scope of a single person Such is the case with Coco Chanel whose life offers one of the most fascinating tales of the twentieth century throwing into dramatic relief an era of war fashion ardent nationalism and earth shaking change here brilliantly treated for the first time with wide ranging and incisive historical scrutiny Coco Chanel transformed forever the way women dressed Her

influence remains so pervasive that to this day we can see her afterimage a dozen times while just walking down a single street in all the little black dresses flat shoes costume jewelry cardigan sweaters and tortoiseshell eyeglasses on women of every age and background A bottle of Chanel No 5 perfume is sold every three seconds Arguably no other individual has had a deeper impact on the visual aesthetic of the world But how did a poor orphan become a global icon of both luxury and everyday style How did she develop such vast undying influence And what does our ongoing love of all things Chanel tell us about ourselves These are the mysteries that Rhonda K Garelick unravels in *Mademoiselle* Raised in rural poverty and orphaned early the young Chanel supported herself as best she could Then as an uneducated nineteen year old caf singer she attracted the attention of a wealthy and powerful admirer and parlayed his support into her own hat design business For the rest of Chanel s life the professional personal and political were interwoven her lovers included diplomat Boy Capel composer Igor Stravinsky Romanov heir Grand Duke Dmitri Hugh Grosvenor the Duke of Westminster poet Pierre Reverdy a Nazi officer and several women as well For all that she was profoundly alone her romantic life relentlessly plagued by abandonment and tragedy Chanel s ambitions and accomplishments were unparalleled Her hat shop evolved into a clothing empire She became a noted theatrical and film costume designer collaborating with the likes of Pablo Picasso Jean Cocteau and Luchino Visconti The genius of Coco Chanel Garelick shows lay in the way she absorbed the zeitgeist reflecting it back to the world in her designs and in what Garelick calls wearable personality the irresistible and contagious style infused with both world history and Chanel s nearly unbelievable life saga By age forty Chanel had become a multimillionaire and a household name and her Chanel Corporation is still the highest earning privately owned luxury goods manufacturer in the world In *Mademoiselle* Garelick delivers the most probing well researched and insightful biography to date on this seemingly familiar but endlessly surprising figure a work that is truly both a heady intellectual study and a literary page turner Praise for *Mademoiselle* A detailed wry and nuanced portrait of a complicated woman that leaves the reader in a state of utterly satisfying confusion blissfully mesmerized and confounded by the reality of the human spirit The Washington Post Writing an exhaustive biography of Chanel is a challenge comparable to racing a four horse chariot This makes the assured confidence with which Garelick tells her story all the more remarkable The New York Review of Books Broadly focused and beautifully written The Wall Street Journal [One for the Books](#) Joe Queenan,2013-10-29 An absolute must read for anyone who loves books In *Closing Time* Joe Queenan shared how he became a voracious reader to escape a joyless childhood Now like many bibliophiles he fears for the books that once saved him In *One for the Books* Queenan examines the entire culture of reading and what books really mean in people s lives today What does it suggest if a person has no books displayed in his living room Can an obsession with reading prove detrimental to one s well being How useful are covers in selling books Queenan s many fans as well as anyone who loves books and reading will want to join him on his unforgettably funny and moving journey

**The Once Upon a Time World** Jonathan Miles,2023-09-05 Chronicling two hundred years of glamour intrigue and

hedonism this rich and vivid history of the French Riviera features a vast cast of characters from Pablo Picasso and Coco Chanel to Andre Matisse and James Baldwin 1835 Lord Brougham founded Cannes introducing bathing and the manicured lawn to the wilds of the Mediterranean coast Today much of that shore has become a concrete mass from which escape is an exclusive dream In the 185 years between the stretch of seaboard from the red mountains of the Esterel to the Italian border hosted a cultural phenomenon well in excess of its tiny size A mere handful of towns and resorts created by foreign visitors notably English Russian and American attracted the talented rich and famous as well as those who wanted to be For nearly two centuries of creativity luxury excess scandal war and corruption the dark and sparkling world of the Riviera was a temptation for everybody who was anybody Often frivolous it was also a potent cultural matrix that inspired the likes of Picasso Matisse Coco Chanel Scott Fitzgerald Cole Porter James Baldwin Catherine Mansfield Sartre and Stravinsky In *Once Upon a Time World* Jonathan Miles presents the remarkable story of the small strip of French coast that lured the world to its shores It is a wild and unforgettable tale that follows the Riviera's transformation from paradise and wilderness to a pollution imperiled concrete jungle

*The Pleasures of Crime* David Platten, 2011-12 For 150 years the French public and literati have enjoyed a love affair with crime fiction This book investigates the nature of this relationship and how through periods of dramatic social and political change in France it has flourished It challenges the conventional view of a popular genre feeding a niche market depicting crime fiction instead as a field of creative endeavour which has gradually matured into one of considerable literary fertility By inviting us to share secrets and crack codes creating suspense and at times not shirking from presenting horrific events in graphic language the crime story brings into play the intellect and emotions of its readership This book explores both this intrinsic literary value of the crime novel and its extrinsic witness to historical events and cultural trends arguing that these apparently distinct aspects are in fact dynamic interrelated parts of the same whole This blend of cultural history with literary analysis allows for the discussion of themes such as politics memory the urban environment and youth cultures mixed with case studies of major French crime writers including Gaston Leroux Georges Simenon Jean Patrick Manchette Daniel Pennac and Fred Vargas

*Maigret's World* Murielle Wenger, Stephen Trussel, 2017-09-13 Georges Simenon's 75 novels and 28 short stories that feature Chief Inspector Jules Maigret provide us with a great deal of information about the French police detective but only in small episodic doses As readers become acquainted with Maigret one detail at a time he slowly takes on a flesh and bone realism not merely a character in a story but someone we would like to meet in real life This book presents all the canonical facts and details about the detective and his world in one place presented with tabulations and analyses that enable a better understanding of the works and of Maigret himself

*The Facts on File Companion to the World Novel*

Michael Sollars, Arbolina Llamas Jennings, 2008 *Mörderische Meteorologie* Katia Schorn, 2024-03-04 Im Krimi regnet es immer so eine genigende und von Lesern und Leserinnen sowie der Wissenschaft geteilte Meinung. Doch stimmt das eigentlich? Das Wetter im Kriminalroman wird vielfach nur als Beiwerk wahrgenommen und wurde bisher auch in der literaturwissenschaftlichen Forschung meist vernachlässigt. Katia Schorn ändert das und analysiert im Rahmen eines historischen Durchgangs die Funktionsgeschichte des Wetters im französischen Kriminalroman. Anhand ausgewählter Texte von den Vorläufern im 19. Jahrhundert bis zur Gegenwart entwickelt sie eine gattungspoetologische Annäherung an meteorologische Phänomene im Kriminalroman und zeigt, dass in Krimis durchaus die Sonne scheint. **La Méthode à Mimile** Alphonse Boudard, Luc Etienne, Dédé, Jacques Cellard, 2025-07-09 Ah c'était le bon temps. Malgré mes débâcles malgré la cerise qui me poursuivait de ses saveurs aigres douces le ciel était bleu le beaujolais était nouveau les dames étaient pimpantes et le chibre toujours prêt comme le boy scout de la légende. Sans en avoir l'air je vous ai donné votre première leçon d'argot tout en vous faisant toucher du doigt une véritable première. L'argot tel le latin brave l'honnêteté. Alphonse Boudard **ADAM International Review**, 1969 **The French Review** James Frederick Mason, Hélène Harvitt, 1987-10 **French Crime Fiction, 1945-2005** Margaret-Anne Hutton, 2016-04-22 In the first major study of representations of World War II in French crime fiction Margaret Anne Hutton draws on a corpus of over a hundred and fifty texts spanning more than sixty years. Included are well known writers male and female such as Aubert, Simenon, Boileau Narcejak, Vargas, Daeninckx and Jonquet as well as a broad range of lesser known authors. Hutton's introduction situates her study within the larger framework of literary representations of World War II setting the stage for her discussions of genre, the problem of defining crimes and criminals in the context of the war, the epistemological issues that arise in the relationship between World War II historiography and the crime novel and the temporal textures linking past crimes to the present. Filling a gap in the fields of crime fiction and fictional representations of the War, Hutton's book calls into question the way both crime fiction and the French theatre of World War II have been conceptualized and codified. Guide to French Literature Anthony Levi, 1992 This guide surveys the lives and works of 300 famous French writers. Entries are devoted to the primary writers with some entries on important movements, literary groups and publications.
