ne nationale comme l'chelle mondiale et les Prix du Gouverneur général jouent un rôle clé dans la reconnaissance de certains de nos meilleurs auteurs, illustrateurs et traducteurs. La liste est impressionnante : ce prestigieux prix a récompensé 705 œuvres entre 1936 et 2017. Avec un souci minutieux, Andrew Irvine présente l'histoire et l'évolution des Prix et vante leurs vertus indispensables : la carrière des écrivains et des traducteurs ainsi que dans l'élaboration d'une littérature nationale au Canada. Cette bibliographie est la toute première recension complète des Prix littéraires du Gouverneur général et donne des renseignements détaillés sur le sujet des cérémonies, des adaptations cinématographiques des membres des jurys ainsi que d'autres informations clés. Le livre présente aussi une copie exhaustive et exacte de données bibliographiques tirées d'archives, une première dans le monde de l'édition. En somme, une référence incontournable. Ce livre est publié en anglais.

Monseigneur l'éléphant Rudyard Kipling, 1927 [Canada's Storytellers | Les grands écrivains du Canada](#) Andrew David Irvine, 2021-03-24

For over three quarters of a century, the Governor General's Literary Awards have been awarded annually in a variety of evolving categories. Fifteen Governors General have served as their patron. The impressive list continues to grow: between 1936 and 2018, the awards recognized 719 books in English and French and have been presented to 580 authors, illustrators and translators. This beautifully illustrated bilingual compendium presents the biographies of all 580 award laureates, many accompanied by stunning archival portraits. This is the final instalment in Andrew Irvine's remarkable and comprehensive research into what has become a touchstone of Canada's literary culture. Together with *Canada's Best* and *The Governor General's Literary Awards of Canada: A Bibliography*, this work provides readers with a definitive overview of this literary prize. By itself, *Canada's Storytellers* is an invaluable reading companion for anyone wanting to be introduced to many of our most influential authors, illustrators and translators working in both French and English over the past decades. It belongs on the shelf of every enthusiast of Canadian literature.

Bilingual edition Ruth Allen, 2019-01-22 First published in 1998, this book is the first comprehensive survey of the awards made to children's books in the English-speaking world. The volume covers nearly forty different prizes, including well-known and established ones such as the Newbury Award, prizes instigated by the commercial sector such as the Smarties Prize, as well as nationally sponsored awards and prizes for illustrators. Detailed lists are provided of the winning titles and, where appropriate, the runners up in each year that the award has been given. Ruth Allen also presents some fascinating and often entertaining insights into the motivations behind awards and how they are viewed by authors, illustrators, publishers, librarians, booksellers and potential purchasers. The various criteria applied by judges of these awards are also examined, with an assessment of whether they have always achieved the right result. This volume is both a useful guide for adults wishing to buy good books for children and an important tool for those researching the history of the children's book industry.
