

Monarchism in the Weimar Republic

Dr. Walter Kaufmann

Monarchism In The Weimar Republic

Robert Stove

Monarchism In The Weimar Republic:

Monarchism in the Weimar Republic Dr. Walter Kaufmann, 2018-03-12 The present essay is a pragmatic study of monarchism as a political factor in Germany during the period of the Weimar Republic It seeks to illuminate the history of that period by concentrating on the most powerful opposing force with which the democratic republic in Germany was confronted during the major part of its existence It also aims at an answer to the question why the fall of the Weimar Republic did not bring about a restoration of the monarchy but on the contrary destroyed monarchism together with democracy In tracing monarchism during the Weimar Republic we shall distinguish two main periods During the first until 1923 monarchism was the core of a violent rightist opposition to the republican form of government During the second from 1923 to 1933 monarchism adopted a more moderate policy It became an oppositional movement in the republican state in whose government it participated at various times while it gradually became outflanked by a non monarchistic rightist movement National Socialism

Monarchism in the Weimar Republic Walter H. Kaufmann, 1953

Monarchism in the Weimar Republic Walter H. Kaufmann, 1973 The Weimar Republic German Weimarer Republik vama epubli k is the name given by historians to the federal republic and parliamentary representative democracy established in 1919 in Germany to replace the imperial form of government It was named after Weimar the city where the constitutional assembly took place Following World War I the republic emerged from the German Revolution in November 1918 In 1919 a national assembly was convened in Weimar where a new constitution for the German Reich was written then adopted on 11 August of that same year The ensuing period of liberal democracy lapsed by 1930 when Hindenburg assumed dictatorial emergency powers leading to the ascent of the nascent Nazi Party and Adolf Hitler in 1933 The legal measures taken by the new Nazi government in February and March 1933 commonly known as the *machtergreifung* seizure of power meant that the government could legislate contrary to the constitution The republic nominally continued to exist until 1945 as the constitution was never formally repealed but the measures taken by the Nazis in the early part of their rule rendered the constitution irrelevant Thus 1933 is usually seen as the end of the Weimar Republic and the beginning of Hitler's Third Reich

Wikipedia *Lion, Eagle, and Swastika* Robert S. Garnett, 2019-06-26 Originally published in 1991 this study analyses the Bavarian monarchist movement and its place in the relations between Bavaria and the Reich during the Weimar era with particular emphasis on the period up to 1929 Focusing on Bavaria's peculiar historical position in the Reich as a staunch adversary of strong national political authority the study has been anchored insofar as possible in local level organizational and governmental archival sources It makes extensive use of organizational and personal case studies

Elites Against Democracy Walter Struve, 2015-03-08 Since the beginning of the current era of imperialism in the late nineteenth century there has been a striking contrast between bourgeois political thought in Germany and the West Walter Struve demonstrates how German political culture went through a phase in which great emphasis was placed on the establishment of a new

political elite recruited on the basis of merit and skill but ruling in an authoritarian way and not controlled by the populace. He suggests that this type of elitism, many aspects of which were vital to the political culture of Nazi Germany, seems today to be widespread in the West. The development of this concept of an open yet authoritarian elite is approached through the analysis of the political ideas and activities of nine elitists among them Max Weber, Walther Rathenau, and Oswald Spengler. The author relates biography to intellectual, political, social, and economic history so that his work becomes a study in the political and social context of intellectual history. Originally published in 1973, The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Monarchism in the Weimar Republic Walter Arnold Kaufmann, 1953 **Monarchy, Myth, and Material Culture in Germany 1750-1950** Eva Giloi, 2011-07-21 A fascinating study of how ordinary German subjects collected and consumed royal relics and memorabilia **Nazis and Nobles** Stephan Malinowski, 2020 In the mountain of books that have been written about the Third Reich, surprisingly little has been said about the role played by the German nobility in the Nazis' rise to power. While often confidently referred to as the fateful role played by the German nobility, it is rarely if ever investigated in any real detail. *Nazis and Nobles* now fills this gap, providing the first systematic investigation of the role played by the nobility in German political life between Germany's defeat in the First World War in 1918 and the consolidation of Nazi power in the 1930s. As Stephan Malinowski shows, the German nobility was too weak to prevent the German Revolution of 1918 but strong enough to take an active part in the struggle against the Weimar Republic. In a real twist of historical irony, members of the nobility were as prominent in the destruction of Weimar democracy as they were to be years later in Graf Stauffenberg's July 1944 bomb plot against Hitler. In this skilful portrait of an aristocratic world that was soon to disappear, Malinowski gives us for the first time the in-depth story of the German nobility's social decline and political radicalization in the inter-war years and the troubled alliance to which this was to lead between the majority of Germany's nobles and the National Socialists.

Germany Joseph A. Biesinger, 2006 A wealth of information is presented in this guide in a variety of formats including a concise narrative history, a chronology, and A to Z entries to provide readers with a greater understanding of German history from the Renaissance to the present day. *Monarchism in the Weimar Republic*, 1973 *Social Conservatism and the Middle Class in Germany, 1914-1933* Herman Lebowitz, 2015-12-08 Uprooted by the war, exposed to the full brunt of economic dislocation and fearful of losing status in face of the growing might of big business and organized labor, the middle classes in Weimar Germany longed for a solution to their plight that neither capitalism nor the socialism of their day could offer. This work examines the attempts of a number of scholars and publicists: Sombart, Salin, Spann, Niekisch, Spengler,

and Fried to provide such a solution in the form of an ideology of social conservatism Originally published in 1969 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Germany's New Conservatism Klemens Von Klemperer, 2015-12-08 This is at once a chapter in the history of ideas and by reason of its focus on the Weimar Republic a case study The author first offers a stimulating approach to a definition of that much abused word conservatism He then discusses the new conservatism's roots in such men as Burckhardt and Nietzsche the various elements of the movement itself and three major expressions of it Moeller van den Bruck Spengler and Ernst Junger Finally he considers the complex relationship between neo conservatism and Nazism Originally published in 1957 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Kings, Queens and Fallen Monarchies Robert Stove, 2024-12-30 Explores the interwar movements to restore Europe's deposed royal houses examining their political significance and influence on global power dynamics Among the great hidden narratives of twentieth century history are the movements in Europe which between the two world wars aimed to restore the royal and imperial houses forced out of power in 1918 or in Portugal's case eight years earlier These efforts acquired media coverage and often strategic importance far greater than would be now supposed from the cursory often dismissive treatment which they have received from most historians since Campaigns to reinstate such dynasties as the Hohenzollerns the Habsburgs the Wittelsbachs the Braganças and even France's House of Orléans were taken seriously at the highest governmental and journalistic levels in London and Paris not to mention the Holy See Upon the whole phenomenon this book seeks to shed light It discusses both the phenomenon's soft power manifestations the designs of newspaper tycoon Lord Rothermere upon the Hungarian throne for his son for instance and the phenomenon's hard power manifestations among which probably the most dramatic were the successful monarchical campaigns in Albania and Greece With a cast that includes not only the monarchist candidates themselves but Churchill Lloyd George Hitler Mussolini and Franco this is a drama that embraces a continent and forces thorough reappraisals of events which we thought we knew No one can read it without acquiring a firmer grasp of political power's very nature and the sheer narrowness of the gap between victory and defeat

The End of Kings William R. Everdell, 2000-04-15 Written in clear lively prose The End of Kings traces the history of republican governments and the key

figures that are united by the simple republican maxim No man shall rule alone Breathtaking in its scope Everdell's book moves from the Hebrew Bible Solon's Athens and Brutus's Rome to the impeachment trial of Andrew Johnson and the Watergate proceedings during which Nixon resigned Along the way he carefully builds a definition of republic which distinguishes democratic republics from aristocratic ones for both history and political science In a new foreword Everdell addresses the impeachment trial of President Clinton and argues that impeachment was never meant to punish private crimes Ultimately Everdell's brilliant analysis helps us understand how examining the past can shed light on the present An energetic aphoristic wide ranging book Marcus Cunliffe Washington Post Book World Ambitious in conception and presented in a clear and sprightly prose This excellent study is the best statement of the republican faith since Alphonse Aulard's essays almost a century ago Choice A book which ought to be in the hand of every American who agrees with Benjamin Franklin that the Founding Fathers gave us a Republic and hoped that we would be able to keep it Sam J Ervin Jr Alfred von Tirpitz and German Right-Wing Politics, 1914-1930 Raffael Scheck, 2023-08-21 In a skillful combination of biographical case study and contextual analysis Scheck presents a readable often thrilling account of the troubled transition period before the Nazi catastrophe Drawing from a vast base of previously unused documents the book traces the conspiracies and public campaigns of Great Admiral Alfred von Tirpitz a key figure of the German right By focusing on Tirpitz known as a supreme politician and manipulator of public opinion Scheck explains the political and ideological problems contributing to the breakdown of the conservative German right and to the success of the National Socialists in the early 1930s *Dispatches From the Weimar Republic* Morgan Philips-Price, 1999-04-20 This is a superb text which is relevant for anyone who has an interest in the turbulent post war years of Germany and the Weimar period It is very accessible and easy to read bolstered by the clarity of its language and organisation History Teaching Review The period immediately following the First World War was one of great turbulence in Germany The widespread dislocation throughout the country left morale crushed and the economy crippled by Allied demands for reparations Russia was in the hands of the Bolsheviks and Germany seemed on the brink of falling to working class revolutionaries Writing between 1919 and 1923 as special correspondent for the Manchester Guardian Price was one of the very few British journalists in Weimar Germany during these important years His unique position as an outsider allowed him to record what he saw with an objective eye and his sympathy with the Bolsheviks gave him an understanding of the deeper implications behind the unfolding of events These remarkable writings reprinted for the first time in 80 years cover the key events in postwar Germany Price witnesses the establishment of the Weimar Republic the emergence of Hitler and the Nazi Party the inflammatory violence in the south of the country which threatened civil war and the signing of the Versailles Treaty **The Minor Parties of the Federal Republic of Germany** S.L. Fisher, 2012-12-06 Minor parties in the United States have been studied both individually and collectively On the basis of these studies social scientists have set forth certain generalizations concerning the types of American minor parties their characteristics their

functions and the obstacles they face in the American party system. However, in their comparative analysis of political parties, political scientists have generally limited themselves to comments about the major parties. This study examines in detail all the minor parties which have participated in the national elections of the Federal Republic of Germany since its inception in 1949 in light of the descriptive and explanatory generalizations which have been formulated about minor parties in the United States. The purpose of such an analysis is threefold. First, it provides materials on the West German minor parties which will be readily accessible for cross national research. Second, through comparisons with the West German experience, the generalizations produced to explain American minor parties are made more suitable for comparative analysis. Third, and most important, it seeks to demonstrate that some minor parties play an important role in a party system and that therefore minor parties should not be ignored in the comparative analysis of political parties. I am deeply indebted to Professors William B. Gwyn and James D. Cochrane for their help on this project. This work could not have been completed without Professor Gwyn's guidance and prodding.

Prophet of Decline John Farrenkopf, 2001-06-01. Oswald Spengler 1880-1936 is best known for *The Decline of the West* in which he propounded his pathbreaking philosophy of world history and penetrating diagnosis of the crisis of modernity. This monumental work launched a seminal attack on the idea of progress and supplanted the outmoded Eurocentric understanding of history. His provocative pessimism seems to be confirmed in retrospect by the twentieth century horrors of economic depression, totalitarianism, genocide, the dawn of the nuclear age, and the emerging global environmental crisis. In *Prophet of Decline*, John Farrenkopf takes advantage of the historical perspective the end of the millennium provides to reassess this visionary thinker and his challenging ideas on world history and politics and modern civilization. Farrenkopf's assessment ranges widely, placing Spengler's philosophy in its intellectual, historical context and covering Spengler's ideas on democracy, capitalism, science, and technology, cities, Western art, social change, and human exploitation of the environment. He also illuminates the implications of Spengler's thought for contemplating from a fresh perspective the future of the United States, the leading power of the West. *Prophet of Decline* is highly relevant today as many take the opportunity at the turn of the century to ponder again the direction in which humankind and our global community are moving and approach with concern the uncertain future amid globalization, hypercomplexity, and accelerating change. An interdisciplinary book about an interdisciplinary thinker, it is a substantial contribution to the literature of historical philosophy, political science, international relations, and German studies.

A History of Fascism, 1914-1945 Stanley G. Payne, 1996-07-15. *A History of Fascism* is an invaluable sourcebook offering a rare combination of detailed information and thoughtful analysis. It is a masterpiece of comparative history for the comparisons enhance our understanding of each part of the whole. The term fascist, used so freely these days as a pejorative epithet that has nearly lost its meaning, is precisely defined, carefully applied, and skillfully explained. The analysis effectively restores the dimension of evil. Susan Zuccotti, *The Nation*. A magisterial, wholly accessible, engaging study. Payne defines fascism as a form of

ultranationalism espousing a myth of national rebirth and marked by extreme elitism mobilization of the masses exaltation of hierarchy and subordination oppression of women and an embrace of violence and war as virtues Publishers Weekly **The Hohenzollerns and the Nazis** Stephan Malinowski, 2025-01-30 AWARDED THE GERMAN NON FICTION PRIZE 2022 Malinowski's work is a near masterpiece relating a story not synthesised in this way before and about which any number of self-serving myths exist Simon Heffer The Telegraph Stephan Malinowski's brilliant book strikes a balance between the forensic analysis of individual behaviour and a new understanding of how the toxic political culture of a defeated monarchy helped to disrupt democracy in Germany Christopher Clark The shocking true story of the German monarchy's collaboration with the Nazis already a bestseller in Germany now in English for the first time The disappearance of the Hohenzollern family from the history of Germany in November 1918 as the Kaiser fled into Dutch exile is one of the most startling rapid instances of a once all-powerful royal family becoming almost overnight irrelevant and marginal Except this is not exactly what happened Stephan Malinowski's German bestseller is an extraordinary work of recovery It suited both the Weimar Republic and then the Third Reich to view the Hohenzollerns with contempt and yet the royal family's hatred of the former and approval of the latter were for millions of Germans a significant factor in their own view of their country and its government With forensic and often shocking detail Malinowski shows that far from being ridiculous marginal figures the Hohenzollerns lay at the heart of Germany's ongoing nightmare Despite formally losing power the members of the royal family remained prominent catastrophically allowing many other conservative Germans to stay distanced from the new republic and to eventually betray conservative traditions and values Battered from both left and right the Republic collapsed in 1933 in part because conservative forces fearful of both Communism and Fascism had abandoned their own principles just as much as the leading members of former royal family had who were themselves beguiled by and fooled by Hitler This is an important and shocking book as well as a devastating picture of an inadequate and trivial royal family painfully underequipped to fulfil its role

Ignite the flame of optimism with Get Inspired by is motivational masterpiece, **Monarchism In The Weimar Republic** . In a downloadable PDF format (PDF Size: *), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.

Monarchism In The Weimar Republic Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Monarchism In The Weimar Republic free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Monarchism In The Weimar Republic free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Monarchism In The Weimar Republic free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Monarchism In The Weimar Republic. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users

should always be cautious and verify the legality of the source before downloading Monarchism In The Weimar Republic any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Monarchism In The Weimar Republic Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Monarchism In The Weimar Republic is one of the best book in our library for free trial. We provide copy of Monarchism In The Weimar Republic in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Monarchism In The Weimar Republic. Where to download Monarchism In The Weimar Republic online for free? Are you looking for Monarchism In The Weimar Republic PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Monarchism In The Weimar Republic. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Monarchism In The Weimar Republic are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Monarchism In The Weimar Republic. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to

our ebook online or by storing it on your computer, you have convenient answers with Monarchism In The Weimar Republic To get started finding Monarchism In The Weimar Republic, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Monarchism In The Weimar Republic So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Monarchism In The Weimar Republic. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Monarchism In The Weimar Republic, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Monarchism In The Weimar Republic is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Monarchism In The Weimar Republic is universally compatible with any devices to read.
