Dill-Shackleford,Cynthia Vinney,Jerri Lynn Hogg,Kristin Hopper-Losenicky,2015-12-01 This is the story of the Mad Men fan phenomenon how the show and its fans distinguished themselves in a market where it s hard to make an impression not unlike the driven ad execs at the center of the show In this book four media psychologists who also just happen to be dedicated Mad Men fans explore how the show s viewers make meaning from fictional drama The authors also interviewed several contemporary advertising industry professionals getting their inside view of the business in its modern guise and what they make of the show s vision of their past The result is cutting edge psychological research that crunches and codes online fan commentary to understand the ways that people use the show to debate complex social issues from sex and alcohol to gender roles parenting and advertising itself What do the 1960s mean to us today and how well does the twenty first century measure up against that famously turbulent decade Which characters do fans identify with and which ones do they love to hate How would fans unfurl the Mad Men storylines if they were in charge What makes a good man and has it changed over time How should husbands and wives treat each other and how should parents treat their children In answering these questions the authors explore not just the online commentary but also Mad Men fans fan fiction cosplay cocktail making and vintage furniture collecting Whether tweeting as one of the main characters or just a lowly mail clerk setting Peggy up with the man who ll treat her right or figuring out just which Mad Man they are at heart fans integrate the show into their lives and use it to make sense of their own choices in work leisure and love **Angels, Sinners and Madmen** Cate Masters,2023-05-08 Sam Langhorne loves his carefree life in Key West The island is perfect for forgetting the woman who broke his heart When he rescues Livvie Collins from a watery grave he s swept away by her beauty He has sworn off love but is soon captivated by Livvie s wit and independent spirit Olivia Collins never planned to visit Key West or to fall in love with Sam Handsome and attentive he s constantly surprising her with his intelligence but she knows better than to believe she s anything beyond a dalliance As a novelist she intends to make her own

WHERE ARE ALL THE MADMEN? ARTHUR LANE, **Work Shirts for Madmen** George Singleton, 2008-09-15 A quirky tale of a hard drinking artist by an author who writes about the rural South without sentimentality but with plenty of sharp witted humor NPR Morning Edition Renegade artist Harp Spillman is lower than a bow legged fire ant Because of an unhealthy relationship with the bottle he's ruined his reputation as one of the South's preeminent commissioned metal sculptors And his desperate turn to ice sculpting might've led to a posse of angry politicians on his trail With the help of his sane and practical wife Raylou Harp understands that it's time to get his act together and prove that he can complete a series of twelve foot high metal angels welded completely out of hex nuts for the city of Birmingham Is it pure chance that the Elbow Boys with arms voluntarily fused together so they can't drink show up in order to help Harp And why did his neighbor smuggle anteaters into the desolate little South Carolina town of Ember Glow Harp is drying out but somehow being sober isn't making the world seem any less confusing Engagingly comic Singleton has a flair for capturing Southern eccentricity and Raylou's imperturbable patience is just as funny in its way as Harp's self loathing Publishers Weekly If there is a fiction genre blending the riotous bleary eyed excess and absurdity of gonzo journalism with the rather earnest sensitivity of a John Irving hero who always does right by his wife in the end Work Shirts belongs to it It's a fun read An adventure to be undertaken Newsweek

Mods, Minis, and Madmen D. Richard Truman, 2010-12-06 A nostalgic romp through the sixties that changed everyone's lives forever Mods Minis and Madmen presents a story of remarkable achievement during the twentieth century's most significant cultural reboot It celebrates a wondrous age drugged by the can do attitude of youth Revolutionary London was the birthplace of the boutique and Mary Quant introduced the mini skirt named after a car John Stephen introduced heart racing male boutiques

on Kings Road that soon carved out a global niche Lesley Hornby also known as Twiggy the Cockney dolly birdstrutted her popsicle legs while touting mini fashions East Londoner Vidal Sassoon gave new life to tousled hair with a look that is still with us today And of course British sounds led by the Beatles hammered the charts in every country able to tune in The lyrics spoke to us and seemed to sympathize with our turmoil revealing an honest understanding of life as it would be up to the age of sixty four It was a booster shot that pumped up everyone living in the sixties and their tales would be told decades later

Mods Minis and Madmen is the tale of a writer and his disciples from the New World arriving in the old just as the explosion was about to take place

The Ultimate Guide to Mad Men Will Dean,2012-04-24 Who could not be happy with all this Donald Draper season one episode two Sophisticated controversial and stylish Mad Men has been mesmerising its many fans since it first appeared on our screens in 2007 The Hitchcock inspired title sequence the period Madison Avenue set design and the impeccably styled costumes have all garnered admiration but it is the quality of the scripts and the intensity of the drama that keeps people coming back for more What is Don Draper s big secret Will Pete and Peggy s love ever see the light of day And how on earth do they manage to smoke and drink so much over the course of a working day These questions and countless like them are debated in this brilliant collection which features comments and discussions from the Guardian s Notes from the Break Room blog coupled with in depth interviews with the show s creators and stars Whether you ve been watching the series from the beginning or are new to the show The Ultimate Guide to Mad Men is as compelling as the show itself

Dying Swans and Madmen Adrienne L. McLean,2008-02-19 From mid twentieth century films such as Grand Hotel Waterloo Bridge and The Red Shoes to recent box office hits including Billy Elliot Save the Last Dance and The Company ballet has found its way time and again onto the silver screen and into the hearts of many otherwise unlikely audiences In Dying Swans and Madmen Adrienne L McLean explores the curious pairing of classical and contemporary art and entertainment high culture and popular culture to reveal the ambivalent place that this art form occupies in American life Drawing on examples that range from musicals to tragic melodramas she shows how commercial films have produced an image of ballet and its artists that is associated both with joy fulfillment fame and power and with sexual and mental perversity melancholy and death Although ballet is still received by many with a lack of interest or outright suspicion McLean argues that these attitudes as well as ballet s popularity and its acceptability as a way of life and a profession have often depended on what audiences first learned about it from the movies

Quicklet on Mad Men Season 1 (TV Show) Lauren Taylor Shute,2012-03-14 ABOUT THE BOOK Chances are you heard about Mad Men before you watched it Seemingly out of the blue drinking during the day was cool again fashion from the 60s was back in stores and a handsome man in a suit was hosting Saturday Night Live Enough people likely expressed shock and perhaps even disdain that youd never seen the show So you sat down and watched an episode Then another And then another We understand Youve become obsessed and so have we Mad Men is one of those few shows that comes along every few years and turns everything on its head When it

initially premiered in 2007 few could foresee how much of a cultural impact it would have on television especially since it was shown on a channel known for televising old movies AMC took a leap of faith on the series though even after it was already turned down by both HBO and Showtime in the hopes that quality would win out over formulaic mass appeal Whats ironic is that by not trying to have mass appeal Mad Men spoke to the masses Suddenly there was a cool smart and glamorous show on cable TV that didnt pander to those who obsessed over cheaper reality television and people started to talk Critics began acclaiming the show saying it was the series that breaks new ground by luxuriating in the not so distant past and not soon after the creators picked up a Golden Globe for best drama In short Mad Men had become a sensation But what exactly was it about the show that made it so addicting Perhaps it was that the characters had depth that we truly and deeply cared about them even as they ran themselves into ruin Maybe it was the beauty of the authentic costumes or the hazy romantic glow of the sets Or perhaps though wed hate to admit it to ourselves it was that these characters imbibed without restraint in ways that we never could with three martini lunches and nooners with girls in the Village smoking packs a day and soaking up power as though it was a birthright The characters of Mad Men live life in ways that we never will simply because were born in the wrong era Luckily for us the show is engrossing enough that we can pretend
