Stephen Moonie,2022-03-22 This study is an analysis of high and late modernist criticism in New York during the 1960s and early 1970s Through a close reading of a selection of key critics of the period which will expand the remit beyond the canonical texts the book examines the ways that modernist criticism s discourse remains of especial disciplinary interest Despite its alleged narrowness and exclusion the debates of the 1960s raised fundamental questions concerning the nature of art writing Those include arguments around the nature of value and judgement the relationship between art criticism and art history and the related problem of what we mean by the contemporary Stephen Moonie argues that within those often fractious debates there exists a shared discourse And further contrary to the current consensus that modernists were elitist dogmatic and irrelevant to contemporary debates on art the study shows that there is much that we can learn from reconsidering their writings The book will be of interest to scholars working in art history modern art art criticism and literary studies East-West Exchange and Late Modernism

Zhaoming Qian,2017-11-07 In East West Exchange and Late Modernism Zhaoming Qian examines the nature and extent of Asian influence on some of the literary masterpieces of Western late modernism Focusing on the poets William Carlos Williams Marianne Moore and Ezra Pound Qian relates captivating stories about their interactions with Chinese artists and scholars and shows how these cross cultural encounters helped ignite a return to their early experimental modes Qian s sinuous readings of the three modernists last books of verse Williams s Pictures from Brueghel 1962 Moore s Tell Me Tell Me 1966 and Pound s Drafts and Fragments of Cantos CX CXVII 1969 expand our understanding of late modernism by bringing into focus its heightened attention to meaning in space its obsession with imaginative sensibility and its increased respect for harmony between humanity and nature *Max*

*Liebermann and International Modernism* Marion Deshmukh,Françoise Forster-Hahn,Barbara Gaehtgens,2011-05 Although Max Liebermann 1847 1935 began his career as a realist painter depicting scenes of rural labor Dutch village life and the countryside by the turn of the century his paintings had evolved into colorful images of bourgeois life and leisure that critics associated with French impressionism During a time of increasing German nationalism his paintings and cultural politics sparked numerous aesthetic and political controversies His eminent career and his reputation intersected with the dramatic and violent events of modern German history from the Empire to the Third Reich The Nazis persecution of modern and Jewish artists led to the obliteration of Liebermann from the narratives of modern art but this volume contributes to the recent wave of scholarly literature that works to recover his role and his oeuvre from an international perspective

*Cézanne and Modernism* Joyce Medina,1995-01-01 This book explores how traditional relations among the arts have changed in our time focusing on the radical transformation of Paul Cezanne **Weaving Modernism** K. L. H.

Wells,2019-01-01 An unprecedented study that reveals tapestry's role as a modernist medium and a model for the movement's discourse on both sides of the Atlantic in the decades following World War II *Marketing Modernism in Fin-de-Siècle Europe* Robert Jensen,2022-02-08 In this fundamental rethinking of the rise of modernism from its beginnings in the Impressionist movement Robert Jensen reveals that market discourses were pervasive in the ideological defense of modernism from its very inception and that the avant garde actually thrived on the commercial appeal of anti commercialism at the turn of the century The commercial success of modernism he argues depended greatly on possession of historical legitimacy The very development of modern art was inseparable from the commercialism many of its proponents sought to transcend Here Jensen explores the economic aesthetic institutional and ideological factors that led to its dominance in the international art world by the early 1900s He emphasizes the role of the emerging dealer gallery market and of modernist art historiographies in evaluating modern art and legitimizing it through the formation of a canon of modernist masters In describing the canon building of modern dealerships Jensen considers the new ideological dealer and explores the commercial construction of artistic identity through such rhetorical concepts as temperament and independent art and through such institutional structures as the retrospective His inquiries into the fate of the *juste milieu* a group of dissidents who saw themselves as true heirs of Impressionism and his look at a new form of art history emerging in Germany further expose a linear dealer oriented history of modernist art constructed by or through the modernists themselves Manet's Modernism Michael Fried,1996 Fried put forward a highly original beholder centered account of the evolution of a central tradition in French painting from Chardin to Courbet P 4 of cover **Modernism and Its Environments** Michael Rubenstein,Justin Neuman,2020-06-11 Modernism and Its Environments surveys new developments in modernist studies inspired by ecocriticism and the environmental humanities Taking a fresh view of familiar topics in modernist studies such as the city this book also introduces new topics and perspectives on modernism such as nature and wilderness conservation and preservation energy and fuel waste and pollution the animal and the human and weather and climate Ecocritical and environmentalist approaches have fundamentally altered our understanding of both modernism and the field of modernist studies This book accounts for the transformation and offers readers a host of resources with which to continue exploring and rethinking Covering a wide range of writers and artists including Edvard Munch Paul Valéry Robert Musil A A Milne Virginia Woolf James Joyce T S Eliot J R R Tolkien Richard Wright Elizabeth Bishop Ralph Ellison Olafur Eliasson Zadie Smith and Kate Tempest A Handbook of Modernism Studies Jean-Michel Rabaté,2013-02-26 Featuring the latest research findings and exploring the fascinating interplay of modernist authors and intellectual luminaries from Beckett and Kafka to Derrida and Adorno this bold new collection of essays gives students a deeper grasp of key texts in modernist literature Provides a wealth of fresh perspectives on canonical modernist texts featuring the latest research data Adopts an original and creative thematic approach to the subject with concepts such as race law gender class time and ideology forming the

The Nabis and Intimate Modernism Katherine M. Kuenzli, 2017-07-05 Providing a fresh perspective on an important but underappreciated group of late nineteenth century French painters this is the first book to provide an in depth account of the Nabis practice of the decorative and its significance for twentieth century modernism Over the course of the ten years that define the Nabi movement 1890 1900 its principal artists included Edouard Vuillard Pierre Bonnard Maurice Denis Paul Sier and Paul Ranson The author reconstructs the Nabis relationship to Impressionism mass culture literary Symbolism Art Nouveau Wagnerianism and a revolutionary artistic tradition in order to show how their painterly practice emerges out of the pressing questions defining modernism around 1900 She shows that the Nabis were engaged nonetheless with issues that are always at stake in accounts of nineteenth century modernist painting issues such as the relationship of high and low art of individual sensibility and collective identity of the public and private spheres *The Nabis and Intimate Modernism* is a rigorous study of the intellectual and artistic endeavors that inform the Nabis decorative domestic paintings in the 1890s and argues for their centrality to painterly modernism The book ends up not only re positioning the Nabis to occupy a crucial place in modernism s development from 1860 to 1914 but also challenges that narrative to place more emphasis on notions of decoration totality and interiority

**Modern Art And Modernism** Francis Frascina, 2018-05-04 Modern Art and Modernism offers firsthand material for the study of issues central to the development of modern art its theory and criticism The history of modern art is not simply a history of works of art it is also a history of ideas interpretations The works of critics and theorists have not merely been influential in deciding how modern art is to be seen and understood they have also influenced the course it has taken The nature of modern art cannot be understood without some analysis of the concept of Modernism itself *Modern Art and Modernism* presents a selection of texts by the major contributors to debate on this subject from Baudelaire and Zola in the nineteenth century to Greenberg and T J Clark in our own times It offers a balanced section of essays by contributors to the mainstream of Modernist criticism representative examples of writing on the themes of abstraction and expression in modern art and a number of important contributions to the discussion of aesthetics and the social role of the artist Several of these are made available in English translation for the first time and others are brought together from a wide range of periodicals and specialized collections This book will provide an invaluable resource for teachers and students of modern art art history and aesthetics as well as for general readers interested in the place of modern art in culture and history
