Mornings with Monet Barb Rosenstock, 2021-03-02 A new picture book about the iconic artist Claude Monet from the Caldecott Award winning team that created The Noisy Paint Box Claude Monet is one of the world's most beloved artists and he became famous during his own lifetime He rejected a traditional life laid out clean and smooth before him Instead he chose a life of art But not just any art a new way of seeing that came to be called impressionism Monet loved to paint what he saw around him particularly the Seine River He was initially rejected for using bright colors tangled brushstrokes condemned for his impressions But soon art dealers and collectors were lining up each morning to see as Monet saw Monet however waited only for the light The changing light each morning he had a dozen canvases on hand to paint a dozen different moments His brush moved back and forth chasing sunlight putting in the arduous work to create an image that seemed to contain no effort at all The stellar team that brought you the Caldecott Honor book The Noisy Paint Box explores another influential painter in a moving tribute to creativity commitment and new ways of seeing the world around you

1000 Paintings of Genius Victoria Charles, Joseph Manca, Megan McShane, 2014-11-24 From the early Renaissance through Baroque and Romanticism to Cubism Surrealism and Pop these canonical works of Western Art span eight centuries and a vast range of subjects Here are the sacred and the scandalous the minimalist and the opulent the groundbreaking and the conventional There are paintings that captured the feeling of an era and those that signaled the beginning of a new one Works of art that were immediately recognised for their genius and others that were at first met with resistance All have stood the test of time and in their own ways contribute to the dialectic on what makes a painting great how notions of art have changed to what degree art reflects reality and to what degree it alters it Brought together these great works illuminate the changing preoccupations and insights of our ancestors and give us pause to consider which paintings from our own era will ultimately join the canon
