Costigliola, 2025-02-11 A definitive biography of the U S diplomat and prize winning historian George F Kennan The diplomat and historian George F Kennan 1904 2005 ranks as one of the most important figures in American foreign policy and one of its most complex Drawing on many previously untapped sources Frank Costigliola s authoritative biography offers a new picture of a man of extraordinary ability and ambition whose idea of containing the Soviet Union helped ignite the Cold War but who spent the next half century trying to extinguish it Always prescient Kennan in the 1990s warned that the eastward expansion of NATO would spur a new cold war with Russia Even as Kennan championed rational realism in foreign policy his personal and professional lives were marked by turmoil And though he was widely respected and honored by presidents and the public he judged his career a failure because he had been dropped as a pilot of U S foreign policy Impossible to classify Kennan was a sui generis thinker a trenchant critic of both communism and capitalism and a pioneering environmentalist Living between Russia and the United States he witnessed firsthand Stalin s tightening grip on the Soviet Union the collapse of Europe during World War II and the nuclear arms race of the Cold War An absorbing portrait of an eloquent insightful and sometimes blinkered iconoclast whose ideas are still powerfully relevant Kennan invites us to imagine a world that Kennan fought for but was unable to bring about one not of confrontations and crises but of dialogue and diplomacy **Successful**

Anthony** Ann D. Gordon,2013-01-10 The hush of the title comes suddenly when first Elizabeth Cady Stanton dies on October 26 1902 and three years later Susan B Anthony dies on March 13 1906 It is sudden because Stanton despite near blindness and immobility wrote so intently right to the end that editors had supplies of her articles on hand to publish several months after her death It is sudden because Anthony at the age of eighty five set off for one more transcontinental trip telling a friend on the Pacific Coast it will be just as well if I come to the end on the cars or anywhere as to be at home Volume VI of this extraordinary series of selected papers is inescapably about endings death and silence But death happens here to women still in the fight An Awful Hush is about reformers trained in the school of anti slavery trying to practice their craft in the age of Jim Crow and a new American Empire It recounts new

challenges to an aristocracy of sex whether among the bishops of the Episcopal church the voters of California or the trustees of the University of Rochester And it sends last messages about woman suffrage As Stanton wrote to Theodore Roosevelt on the day before she died Surely there is no greater monopoly than that of all men in denying to all women a voice in the laws they are compelled to obey With the publication of Volume VI this series is now complete The Mark Inside Amy Reading,2013-02-26 In 1919 Texas rancher J Frank Norfleet lost everything he had in a stock market swindle twice But instead of slinking home in shame he turned the tables on the confidence men Armed with a revolver and a suitcase full of disguises Norfleet set out to capture the five men who had conned him allowing himself to be ensnared in the con again and again to gather evidence on his enemies Through the story of Norfleet s ingenious reverse swindle Amy Reading reveals the fascinating mechanics behind the big con an artful performance targeted to the most vulnerable points of human nature and invites you into the crooked history of a nation on the hustle constantly feeding the hunger and the hope of the mark inside
