Spending and Saving

If you get an allowance, earn money at a job, or receive some as a gift, what should you do with it? You can spend it on goods and services that you need for yourself - or you can save it.

Ways to Save Your Money

One way to save your money is to put it in a piggy bank or a jar at home. You can add more money to your bank each time you get some. It is easy to see how much you have saved and take some out to spend when you want.

Earning Money

Have you ever heard the saying "Money doesn't grow on trees"? It means that money isn't easy to get. It must be earned and there is a limited amount, so spend it wisely.

Earning money means getting paid in return for doing work. The money adults earn at a job is called income or wages. Kids can earn money by providing a service, like mowing someone's lawn, or by selling goods, like having a lemonade stand.

As the saying goes money does not grow on trees.
