China with a focus on the development of Christianity and its cultural interaction in each period It shows the evolution of Christianity as it occurred within the People s Republic of China While telling the stories of various Christians throughout Chinese history the author addresses a few key questions How the did the Church develop over many centuries in a culture so different from the West How do Christians in China give witness to their faith How do they contribute to the life of the universal Church The answer to such questions provides a meaningful historical background to the broad approach of Pope Benedict XVI in His Letter to the Catholics in China issued on June 30 2007 Illustrated
