Mónica Castillo Mónica Castillo,1997 The work of Mexican artist Mónica Castillo explores the genre of self portraiture from an informed and deviant point of view Part of a generation that has had to reconcile the mythology erected around Mexican and Latin American art when it was internationally relaunched in the eighties the work of Castillo severs the self portrait a mode cultivated by the Frida Kahlo craze from its convenient and voyeuristic biographical meanings Essays in both Spanish and English by Cuauhtemoc Medina and Justo Pastor Mellado **Mónica Castillo 1993-2004** Mónica Castillo,2004

Una pasión predominante José Zalaquett,2018 Una pasión predominante es la expresión con que el mismo José Zalaquett definió su extensa relación con las artes visuales en la última columna publicada como crítico en la Revista Capital en 2003 Solo una pasión así puede dar vida a la voz que aparece en estas páginas Una crítica necesaria de una sinceridad y certeza que no teme ni complace Una pluma guiada por la energía del rol ciudadano ante la cultura de su tiempo que participa observa y cuestiona Este libro reúne dos elementos clave Por una parte el registro sistemático de las artes visuales en la última fase de la transición democrática chilena entre 1997 y 2003 Y por otra la convergencia de la transición entre el largo siglo XX y los primeros destellos del siglo XXI El germen de muchas de las claves culturales para entender el contexto actual que se gestaron en aquellos años Estas páginas reúnen la mirada lúcida y perspicaz donde José Zalaquett consigna más que una perspectiva subjetiva del arte un testimonio de reflexión cotidiana y de agudeza visual Cada columna como un diario de vida teje con su sensibilidad además de la trama de la historia del arte local la de una época en Chile Zalaquett es uno de esos intelectuales activos en la realidad de su tiempo pensador crítico que encuentra en el arte y la cultura además de en la jurisprudencia y en la academia un espacio de reserva de aquel lenguaje visual que antecede al de las palabras aquellas que dicen sin decir como explica el mismo autor Así la pasión predominante de José Zalaquett nos invita a un recorrido donde una natural erudición y un prudente entusiasmo se convierten en guías para el reencuentro con un momento de historia de las artes visuales en Chile Desmotherismo Rubén Ortiz Torres,Tyler Stallings,1998 Desmotherismo surveys the work that Rubén Ortiz Torres has produced over the last seven years as he's commuted between the U.S. and Mexico using diverse media to explore the aesthetic linguistic and social collisions of the two countries art and culture Covering the full range of his eclectic work the catalogue surveys his paintings pictograms that challenge popular notions of nationalism and internationalism photographs that mix allegory with documentation customized baseball caps that challenge the relationships between aesthetics mass media politics sports and community and his acclaimed recent installation Alien Toyz Catalogue for an exhibition curated by Tyler Stallings at the Huntington Beach Art Center Text in both English and Spanish Essays by Stallings David Greene and Rubén Ortiz Torres OUT OF PRINT The Portrait Now Sandy Nairne,Sarah Howgate,2006-01-01 Provides a collection of contemporary portraits from around the world *El Que Me La Hace Me La Paga* Domingo B. traditionally identified with Italian centers of production and Florence in particular Instead this book explores the dynamic interchange between European artistic centers and artists and the trade in works of art It also considers the impact of differing locations on art and artists and some of the economic political and cultural factors crucial to the emergence of an artistic center During c 1420 1520 no city or court could succeed in isolation and so artists operated within a network of interests and local and international identities The case studies presented in this book portray the Renaissance as an exciting international phenomenon with cities and courts inextricably bound together in a web of economic and political interests
