## **Monitoring Family Planning And Reproductive Rights A Manual For Empowerment:**

Monitoring Family Planning and Reproductive Rights Anita Hardon, 1997 This handbook is designed to provide a framework for researching family planning provision in different cultural settings The book shows NGOs and other health research bodies how to design such a project and provides indicators for quality assessment It employs a step by step approach in covering all of the elements needed to design carry out and analyze such a study It should be useful for anyone involved in health research with a view to assessing the impact of governmental policy on women s lives *Reproductive Rights in a Global Context* Lara M. Knudsen, 2006 Examines women s access to sex education maternity care family planning and abortion and analyzes how much power women in diverse contexts have to negotiate sexual practices This book is suitable for courses in women s studies globalization public health and political science

**Regulating Reproduction** Emily Jackson, 2001-10-10 This new book provides a clear and accessible analysis of the various ways in which human reproduction is regulated A comprehensive exposition of the law relating to birth control abortion pregnancy childbirth surrogacy and assisted conception is accompanied by an exploration of some of the complex ethical dilemmas that emerge when one of the most intimate areas of human life is subjected to regulatory control Throughout the book two principal themes recur First particular emphasis is placed upon the special difficulties that arise in regulating new technological intervention in all aspects of the reproductive process Second the concept of reproductive autonomy is both interrogated and defended This book offers a readable and engaging account of the complex relationships between law technology and reproduction It will be useful for lecturers and students taking medical law or ethics courses It should also be of interest to anyone with a more general interest in women s bodies and the law or with the profound regulatory consequences of new technologies

**Gender, Development and Health** Caroline Sweetman, 2001 Articles included here focus on understandings of reproductive health integrating gender issues into infectious disease prevention the impact of HIV AIDS on women working with communities to promote health and on the monitoring and evaluation of health projects from a gender perspective

Ibss: Sociology: 1998 Compiled by the British Library of Political and Social Science, 1999-12-16 Renowned for its international coverage and rigorous selection procedures this series provides the most comprehensive and scholarly bibliographic service available in the social sciences Arranged by topic and indexed by author subject and place name each bibliography lists and annotates the most important works published in its field during the year of 1997 including hard to locate journal articles Each volume also includes a complete list of the periodicals consulted

**The Anthropology of Power** Angela Cheater, 2003-12-16 An edited collection which examines the theoretical issues surrounding power and particularly empowerment which uses ethnographic analysis as its basis It takes material from the Middle East Canada Columbia Australasia and various parts of Europe and Africa It looks particularly at the extent to which traditionally disempowered groups gain influence in postcolonial or multicultural settings and at how power relates to economic

development gender and environmentalism      *Empowerment* Kenneth McLaughlin, 2016-01-08 Empowerment is a term in widespread use today and one that is often considered to be a self evident good Here McLaughlin explores its emergence in the 1960s through to its rise in the 1990s and ubiquity in present day discourse and interrogates its social status paying particular attention to social policy social work and health and social care discourse He argues that a focus on empowerment has superseded the notion of political subjects exercising power autonomously This innovative volume Discusses the relationship between concepts of empowerment and power as they have been understood historically Analyses changes in the conception and meaning of empowerment in relation to the shifting social and political landscape Acknowledges the positive impact empowerment strategies have had on those who have campaigned to be empowered and also on those who have saw their role as being to help empower others Highlights ways in which talk about empowerment can actually work in such a way as to further disempower those already marginalised Critically examining how empowerment has become embedded in contemporary social and political life this work offers a discussion of the term s multiple meanings what it actually entails and how it constructs and positions those being empowered and those empowering      *Reproductive Rights in Practice* Anita Hardon, Elizabeth Hayes, 1997 Part 2 Country case studies quality of care      **Bodies of Technology** Ann Rudinow Saetnan, Nelly Oudshoorn, Marta Stefania Maria Kirejczyk, 2000 This work is based on a concern for women s health and autonomy and on the premise that technology and society mutually shape one another A basic question is one of cultural appropriation Do technologies take on different shapes different practices and have different impacts as they spread from one place to another By juxtaposing a number of culturally and historically contextualized studies of similar technologies the editors demonstrate that although technologies globalize by spreading among cultures they are also localized by the cultures they encounter      **Inequality monitoring in sexual, reproductive, maternal, newborn, child and adolescent health** , 2022-02-01      [An Unfulfilled Human Right](#) Katherine Hall Martinez, 2000      *Majallat Al-Maghrib* , 2009      **Women in Action** , 1998      أفاف الحجاج علي 'Afāf al-Ḥājj 'Alī, 2001 Books and references on women from Palestinian library for the period of 1993 1997 bibliography      *Empowering Women A Beginner's Guide* Dr Suvarna B Karhad Dr Bharat Dr Karhad, 2024-07-10      **Sector Reforms and Health in Tanzania** Tanzania Public Health Association. Scientific Conference, 2000      **Health Care System and Management: Primary health care management** S. L. Goel, 2001 In the Indian context      *Books in Print* , 1991      **Applying Health Social Science** Howard N. Higginbotham, Roberto Briceño-León, Nancy Arbuthnot Johnson, 2001 Health social science has evolved rapidly since the late 1980s This volume presents ten case studies that exemplify some of the best practice in health social science in developing countries The studies address the critical question of how social behavioural science approaches can make a difference to significant health issues such as AIDS people s reliance on traditional healers their use of both indigenous and modern medicine STDs smoking heart disease and psychological stress The first and last chapters provide an overview of the evolving

role of health social science research and examine some of the most promising perspectives illustrated by the case studies. The editors also reflect on future challenges and innovations in health social science research. This book will be a valuable resource for policymakers, planners, and foundations supporting international health development as well as scholars and public health practitioners.
