This book is for children and others wanting to read a simple text in English and Spanish with illustrations. Reading this entertaining bilingual story will help you learn Spanish. Excerpt from the tale:

Rosemary and the Pansy sisters liked picking on Basil. The sisters' bright colours scared him, and he wanted them to be quiet. A las hermanas pensamiento les gustaba meterse con Albahaca. Los vivos colores de las hermanas le daban miedo y él quería que se callaran. Basil, you're so daft, said the sisters. Monkeys climb trees. Monkey ignored them, but he was different. Monkey was an animal. Albahaca eres tan tonto, dijeron las hermanas. Los monos trepan a los árboles. Mono no les hacía caso, pero él era diferente. Mono era un animal. **Howler Monkeys** Martín M. **Framing Majismo** Tara Zanardi, 2016-03-08 Majismo a cultural phenomenon that embodied the popular aesthetic in Spain from the second half of the eighteenth century served as a vehicle to regain Spanish heritage As expressed in visual representations of popular types participating in traditional customs and wearing garments viewed as historically Spanish majismo conferred on Spanish citizens the pictorial ideal of a shared national character In Framing Majismo Tara Zanardi explores nobles fascination with and appropriation of the practices and types associated with majismo as well as how this connection cultivated the formation of an elite Spanish identity in the late 1700s and aided the Bourbons objective to fashion themselves as the legitimate rulers of Spain In particular the book considers artistic and literary representations of the majo and the maja purportedly native types who embodied and performed uniquely Spanish characteristics Such visual examples of majismo emerge as critical and contentious sites for navigating eighteenth century conceptions of gender national character and noble identity Zanardi also examines how these bodies were contrasted with those regarded as foreign finding that foreign and national bodies were frequently described and depicted in similar ways She isolates and uncovers the nuances of bodily representation ultimately showing how the body and the emergent nation were mutually constructed at a critical historical moment for both

**Reinventing the Lacandón** Brian Gollnick, 2022-08-23 Before massive deforestation began in the 1960s the Lacandón jungle which lies on the border of Mexico and Guatemala was part of the largest tropical rain forest north of the Amazon The destruction of the Lacandón occurred with little attention from the international press until January 1 1994 when a group of armed Maya rebels led by a charismatic spokesperson who called himself Subcomandante Marcos emerged from jungle communities and briefly occupied several towns in the Mexican state of Chiapas These rebels known as the Zapatista National Liberation Army became front page news around the globe and they used their notoriety to issue rhetorically powerful communiqués that denounced political corruption the Mexican government's treatment of indigenous peoples and the negative impact of globalization As Brian Gollnick reveals the Zapatista communiqués had deeper roots in the Mayan rain forest than Westerners realized and he points out that the very idea of the jungle is also deeply rooted though in different ways in the Western imagination Gollnick draws on theoretical innovations offered by subaltern studies to discover oral traces left by indigenous inhabitants in dominant cultural productions He explores both how the jungle region and its inhabitants have been represented in literary writings from the time of the Spanish conquest to the present and how the indigenous people have represented themselves in such works including post colonial and anti colonial narratives poetry

video and photography His goal is to show how popular and elite cultures have interacted in creating depictions of life in the rain forest and to offer new critical vocabularies for analyzing forms of cross cultural expression **Double Bill** Pronzini,2011-10 The Nameless Detective and Sharon McCone join forces at a San Diego private detective convention to investigate a case involving multiple murder a crime ring dealing in smuggled fugitives and bizarre kinky lifestyles *World Archaeoprimatology* Bernardo Urbani,Dionisios Youlatos,Andrzej T.
