**Monk's Travels** Edward A Malloy,2004-07 Anne Tyler wrote a novel called The Accidental Tourist about a man who is forced to travel but does not want to have any new experiences My

goal on my trips has been just the opposite not to do anything too foolish but to be open to an endless round of new experiences and possibilities Father Edward Malloy never planned to share his trip diaries with readers throughout the world Affectionately known as Monk the president of the University of Notre Dame just wanted to record where he went what he saw and whom he met along the way But good reading attracts readers and good travel writing takes those readers along on the journey Both apply to Monk's Travels People Places and Events The book carries readers to destinations ranging from New York just after September 11 2001 to Europe the Mediterranean Latin America Africa and the Far East Monk meets and experiences the local residents and their customs But he also comes in contact with some of the most notable personalities of our time Presidents George H W and George W Bush Martin Luther King Jr Pope John Paul II and Taiwanese Premier Lien Chen and President Lee Teng Hui The author's reportage of these places and personages opens the world to readers of all faiths and interests Monk's Travels shares its creator's personality hopes spirituality and emotions Wherever he goes Monk sees who and what is going on around him His eye for detail is sharp and his talent for recounting his visits reflects his long experience of speaking to wide and varied audiences This is a book that will interest anyone who is curious about higher education Catholicism travel and or world events

**The Ecclesiastical Organisation of the Church of the East, 1318-1913** David Wilmshurst, 2000 This careful and scholarly study assembles and discusses the available evidence for the ecclesiastical organisation of the Church of the East the so called Nestorian church in the Middle East between the fourteenth and twentieth centuries The author has built on the work of the late J M Fiey but has covered a wider geographical area and used a much wider range of sources Besides drawing on the memoirs of European and American missionaries and other literary sources the author has consulted a large number of manuscript catalogues many of which are only accessible in Arabic sources and has analysed the evidence of more than 2 500 East Syrian manuscript colophons to establish the dioceses of the Church of the East at different periods to identify its ecclesiastical elites patriarchs bishops priests deacons and scribes and to analyse the rivalry between the church's traditionalist and Catholic wings after the schism of 1552 The study contains a number of detailed maps which localise hundreds of East Syrian villages in Kurdistan and will be an indispensable reference tool for scholars of the Church of the East

**The Story of Chartres** Cecil Headlam, 2019-12-03 In The Story of Chartres Cecil Headlam presents an engrossing exploration of the iconic French city renowned for its magnificent cathedral and rich historical tapestry Headlam employs a narrative style that weaves together evocative descriptions detailed historical accounts and biographical sketches of key figures manifesting a deep appreciation for both the artistic and cultural significance of Chartres Set against the backdrop of medieval Europe the book contextualizes the cathedral's architectural splendor within the tumultuous events that shaped its history creating a multifaceted portrait that resonates with both the grandeur and the fragility of human achievement Cecil Headlam a notable historian and writer was deeply influenced by his extensive studies in European architecture and history His academic pursuits and passion for medieval studies undoubtedly

informed this meticulous examination of Chartres Headlam's background coupled with his travels provided him with an intimate understanding of the intricacies of Gothic architecture and the socio-political factors that influenced its development. His expertise not only enhances the narrative but positions him as a credible voice in the discourse surrounding historical architecture. The Story of Chartres is a recommended read for anyone intrigued by history, architecture, or the cultural evolution of cities. Headlam's insightful storytelling unfolds like a journey through time, allowing readers to envision Chartres not just as a physical space but as a living testament to the human spirit. This book offers both knowledge and inspiration, inviting readers to appreciate the enduring legacy of one of France's most treasured locales.

A Tale of Two Monasteries  
William Chester Jordan, 2009-03-16 A Tale of Two Monasteries takes an unprecedented look at one of the great rivalries of the Middle Ages and offers it as a revealing lens through which to view the intertwined histories of medieval England and France. This is the first book to systematically compare Westminster Abbey and the abbey of Saint Denis, two of the most important ecclesiastical institutions of the thirteenth century and to do so through the lives and competing careers of the two men who ruled them: Richard de Ware of Westminster and Mathieu de Vendôme of Saint Denis. Esteemed historian William Jordan weaves a breathtaking narrative of the social, cultural, and political history of the period. It was an age of rebellion and crusades, of artistic and architectural innovation, of unprecedented political reform and of frustrating international diplomacy, and Richard and Mathieu, in one way or another, played important roles in all these developments. Jordan traces their rise from obscure backgrounds to the highest ranks of political authority: Abbot Richard becoming royal treasurer of England and Abbot Mathieu twice serving as a regent of France during the crusades. By enabling us to understand the complex relationships the abbots and their rival institutions shared with each other and with the kings and social networks that supported and exploited them, A Tale of Two Monasteries paints a vivid portrait of medieval society and politics and of the ambitious men who influenced them so profoundly.

**Robert Curthose, Duke of Normandy** William M. Aird, 2011 The acclaimed biography of the eldest son of William the Conqueror, whose failure to secure the kingdom of England has overshadowed his role in capturing Jerusalem during the First Crusade. This detailed biography offers a reappraisal of the career of Robert Curthose, William the Conqueror's

s eldest son and duke of Normandy from 1087 to 1106 locating the duke's career in the social cultural and political context of the period Robert's relationship with members of his family shaped the political landscape of England and Normandy for much of the late eleventh and early twelfth centuries indeed even after his incarceration from 1106 to 1134 his son William Clito d 1128 continued the fight against Robert's brother Henry I Twice driven into exile Robert defeated his father in battle and eventually succeeded to the duchy of Normandy although the throne of England was seized by William Rufus and then Henry I For twenty years Robert successfully defended Normandy developing policies to counter the vastly superior English resources at the disposal of his brothers Robert's leading role in the success of the First Crusade 1095-99 also made him one of the most famous warriors of his age He returned to Western Europe in 1100 a chivalric hero with a reputation that stretched from Scotland to Palestine This book returns Robert Curthose to centre stage in the bloody drama of this period a drama so often dominated by accounts from a royal and English perspective Dr William M Aird is Lecturer in History School of History Classics and Archaeology University of Edinburgh

**The Miracles of Our Lady of Rocamadour** Marcus Graham Bull, 1999 Medieval miracle stories from a major pilgrim destination in 12c France In the second half of the twelfth century Rocamadour developed an international reputation as a centre of devotion to the Virgin Mary drawing pilgrims from Spain Italy Germany England and the Latin East as well as France as witnessed by the 126 miracle stories written there in 1172-3 here translated for the first time Reflecting and enhancing Rocamadour's status aristocratic figures feature prominently they throw light on many of the dangers faced by medieval men and women illness and injury imprisonment warfare arbitrary justice and natural disasters In his introduction Marcus Bull identifies issues which the collection helps to elucidate and assesses the value of the text as source material particularly in view of the lack of other chronicles from southern France for the period He makes comparisons with other texts such as the miracle collection compiled at the shrine of Thomas Becket at Canterbury and argues that the monks of Rocamadour asserted their importance through the miracles in the face of competition from neighbouring monastic communities MARCUS BULL is Andrew W Mellon Distinguished Professor of Medieval and Early Modern Studies at the University of North Carolina Chapel Hill
