**Jack Gilbert**

## **Monolithos Poems 1962 And 1982:**

*Monolithos* Jack Gilbert, 1984      **Monolithos** Jack Gilbert, 2013-04-10 This is Jack Gilbert's first book since the now legendary *Views of Jeopardy* appeared as the 1962 entry in the Yale Series of Younger Poets. Beat poetry was much in vogue at the time, a discursive poetry that rages against things as they are. Perhaps it was for this reason the strict compression of Jack Gilbert's work and its celebration of an ideal of romantic love caused such a sensation. The Times declared him one of the most exciting voices of the second half of our century. Standley Kunitz called him a civilization and an artist. There was praise from other notable poets: Stephen Spender, Muriel Rukeyser, and Theodore Roethke, among them, such considerable praise that a nationwide tour was arranged. Gilbert set aside his solitary life abroad and returned to the United States to speak to the audience that now awaited him, so arousing those who came to hear him that only the readings offered by Dylan Thomas a decade earlier might be seen in the same exceptional light. But at the conclusion of that tour, Gilbert vanished back to Italy, Greece, Japan, entering a silence that lasted twenty years and which now ends with the publication of *Monolithos*, a selection of new work and of some of the poems first seen in *Views of Jeopardy*. These are poems about lust, how it succeeds, how it fails, not as succumbing to desire nor the getting of flesh, but as the honoring of the impulse to know, to possess, the great knowledge of breasts with their loud nipples, to know everything that a man might know of a woman in all her fresh particularity of difference. Often harsh in their expression and always rigorous in their displeasure with what is ornamental and easy, Gilbert's poems speak with the stern syntax of the mind and yet their text is the ways of the heart, the effort to master a passion too great to be encompassed, to subdue it with the instrument of language, to claim the primacy of what abounds, what times there are, my fine house that love is. What issues from this concern is a poetry of the severest modulation and of an obsessive will for the exact, a poetry that is astringent, illuminated, and of the first importance.      **Collected Poems**

Jack Gilbert, 2012 More than fifty years of poems by the incomparable Jack Gilbert are gathered in this volume from his Yale Younger Poets prizewinning volume to his glorious late poems including a section of previously uncollected work. Jacket

**Collected Poems of Jack Gilbert** Jack Gilbert, 2014-09-02 Gathered in this volume, readers will find more than fifty years of poems by the incomparable Jack Gilbert from his Yale Younger Poets prize-winning volume to glorious late poems including a section of previously uncollected work. There is no one quite like Jack Gilbert in postwar American poetry. After garnering early acclaim with *Views of Jeopardy* (1962), he escaped to Europe and lived apart from the literary establishment, honing his uniquely fierce declarative style with its surprising abundance of feeling. He reappeared in our midst with *Monolithos* (1982) and then went underground again until *The Great Fires* (1994), which was eventually followed by *Refusing Heaven* (2005), a prizewinning volume of surpassing joy and sorrow, and the elegiac *The Dance Most of All* (2009). Whether his subject is his boyhood in working-class Pittsburgh, the women he has loved throughout his life, or the bittersweet losses we all face, Gilbert is by turns subtle and majestic; he steals up on the odd moment of grace, he rises to crescendos of emotion. At

every turn he illuminates the basic joys of everyday experience Now for the first time we have all of Jack Gilbert's work in one essential volume testament to a stunning career and to his place at the forefront of poetic achievement in our time

Where the Angels Come Toward Us David St. John,1995 For almost twenty years from the publication of his seminal and highly influential collection of poems *Hush* to the appearance of the stunning *Study for the World's Body* New and Selected Poems David St John has been considered one of the most accomplished and innovative of all American poets Here for the first time David St John has selected from essays and reviews written over the course of his career about many of the major figures of our time W S Merwin Philip Levine Mark Strand Charles Wright Donald Hall Marvin Bell Donald Justice Jorie Graham and dozens of others and brought them together with six uncompromising and refreshingly candid interviews about the craft of poetry and the state of poetry today Always passionate about the poets he loves and always provocative in his poetic judgements David St John has given us a lucid and exciting volume of prose that all readers of poetry can turn to for both pleasure and instruction Back cover *Complete Historical Handbook of the Pulitzer Prize System 1917-2000* Heinz-D Fischer,Erika J. Fischer,2011-05-09 The School of Journalism at Columbia University has awarded the Pulitzer Prize since 1917 Nowadays there are prizes in 21 categories from the fields of journalism literature and music The Pulitzer Prize Archive presents the history of this award from its beginnings to the present In parts A to E the awarding of the prize in each category is documented commented and arranged chronologically Part F covers the history of the prize biographically and bibliographically Part G provides the background to the decisions **Chronicle of the Pulitzer Prizes for Poetry** Heinz-D. Fischer,2010-01-13 Joseph Pulitzer had not originally intended to award a prize for poetry An initiative by the Poetry Society of America provided the initial impetus to establish the prize first awarded in 1922 The supplement volume chronicles the whole history of how the awards for this category developed giving an account based mainly on confidential jury protocols from the Pulitzer Prizes office at New York's Columbia University This volume completes the series The Pulitzer Prize Archive

He Held Radical Light Christian Wiman,2018-09-11 A moving meditation on memory oblivion and eternity by one of our most celebrated poets What is it we want when we can't stop wanting And how do we make that hunger productive and vital rather than corrosive and destructive These are the questions that animate Christian Wiman as he explores the relationships between art and faith death and fame heaven and oblivion Above all *He Held Radical Light* is a love letter to poetry filled with moving surprising and sometimes funny encounters with the poets Wiman has known Seamus Heaney opens a suddenly intimate conversation about faith Mary Oliver puts half of a dead pigeon in her pocket A R Ammons stands up in front of an audience and refuses to read *He Held Radical Light* is as urgent and intense as it is lively and entertaining a sharp sequel to Wiman's earlier memoir *My Bright Abyss* *The Origins of Critical Race Theory* Aja Y. Martinez,Robert O. Smith,2025-03-25 Explores the lives and intellectual influences of the creators of Critical Race Theory Critical race theory CRT a vital movement and discipline in American legal scholarship has transformed our understanding of systemic racism Yet despite

insightful analysis revealing the threads of racism embedded in American institutions and society it has been demonized by opponents at every turn with numerous state legislators now seeking to ban its use in the classroom **The Origins of Critical Race Theory** weaves together the many sources of critical race theory recounting the origin story for one of the most insightful and controversial academic movements in U S history In addition to introducing readers to the tenets and key insights of critical race theory Martinez and Smith explore the lives and intellectual influences of the movement s founders shedding light on how the many components of critical race theory eventually formed into a movement Through archival research and interviews with scholars like Derrick Bell Richard Delgado and Jean Stefancic Aja Y Martinez and Robert O Smith provide the personal side of critical race theory They reveal that despite the Marxist menace it has recently been made out to be critical race theory is an organic extension of the Civil Rights movement a deeply human and deeply American response to ongoing systemic injustice and inequity An insightful exploration into the story of a movement **The Origins of Critical Race Theory** narrates the hidden influences fascinating characters and intellectual struggles that informed critical race theory s inception

**Holding Patterns** Daniel McGuiness,2001-03-22 **Holding Patterns** provides a sympathetic criticism of poems one that avoids the appliance of criticism and that self consciously persists in close readings of texts as the directing force of its argument Presently contemporary literary criticism and contemporary poetry in America seem at cross purposes Indeed current literary critics seldom address the poems of their contemporaries While structuralists and other schools of critics seek terms generalizations and whole systems to account for and to understand poems poets themselves repeatedly assert that each poem has its own poetic and that no system applies to their writing This book reads poems by contemporary poets such as Jorie Graham Charles Wright Denis Johnson and Amy Clampitt not to illuminate a theory but to shed light on the poem

**Approaching Authority** Anthony Flinn,1997 This study using the example of Yeats Eliot and Williams examines the principal gestures of Modernist poetic speakers attempting to identify mediate and project cultural authority To effect this mediation the poetic speakers must engage in transpersonality by association with the objects of presences in the poem they must translate their finite egos into mediating voices detached from the concerns of unique selfhood However complete transpersonality brings silence the fact of utterance presupposes a unique perspective never the totality of perspectives that an atemporal authority possesses So rather than the speaker s elevation to a position of authority the necessary result of the transpersonality is instead that the speaker approach authority in calculated acts of mystification

**Subject Catalog, 1982** Library of Congress,1982

**Spirits Hovering Over the Ashes** H. L. Hix,1995-05-04 This book explores the consequences of postmodern theory and answers the question What did postmodern theory begin

**As If It Matters** Eamon Grennan,1992 Praise for **As If It Matters** Eamon Grennan s poems are like late 20th century verbal equivalents of 17th century Dutch paintings How luminously they capture the brimming fullness of daily life how scrupulously they come to terms with the complex reality of the limited given world how radiantly they clarify the daily

ineluctable clutter of our lives These poems shine and matter Edward Hirsch This new collection contains some of his Eamon Grennan's most telling work and with so fine a poet that is saying a great deal W S Merwin With a grace and precision such as come only with a perfect ear Eamon Grennan welcomes us into the midst of that place where thoughts and sensations somehow magically come together and coexist as one What he shows us there is now grave now playful but never less than life enhancing Amy Clampitt Eamon Grennan was born in Dublin Ireland in 1941 and educated at University College Dublin and Harvard University His poems have been published widely in literary magazines in the U S and abroad including the Kenyon Review New Yorker Paris Review Poetry Ireland Review and Grand Street His first U S book publication was *What Light There Is* North Point 1989 He is a professor of English at Vassar College and spends his leave time in Ireland

**Sleeping in Flame** Jonathan Carroll, 2004-10 Back in print a classic of literary fantasy from the author of *The Wooden Sea* and *The Land of Laughs* **International Who's Who in Poetry 2005** Europa Publications, 2004-08-02 The 13th edition of the *International Who's Who in Poetry* is a unique and comprehensive guide to the leading lights and freshest talent in poetry today Containing biographies of more than 4 000 contemporary poets world wide this essential reference work provides truly international coverage In addition to the well known poets talented up and coming writers are also profiled Contents Each entry provides full career history and publication details An international appendices section lists prizes and past prize winners organizations magazines and publishers A summary of poetic forms and rhyme schemes The career profile section is supplemented by lists of Poets Laureate Oxford University professors of poetry poet winners of the Nobel Prize for Literature winners of the Pulitzer Prize for American Poetry and of the King's Queen's Gold medal and other poetry prizes *AB Bookman's Weekly*, 1997 **International Who's Who in Poetry 2004** Europa Publications, 2003 Provides up to date profiles on the careers of leading and emerging poets National Union Catalog, 1982, 1983

Amplitude Tess Gallagher, 1987-09 Combining selections from three previous works with new poems this volume reveals changes in the poet's style tone and perspective In the early poems clear and uncluttered speech is a deft anchor for a willingness to admit secrets from the invisible underside of events from her working class childhood Gradually the glint of absurdity or magic the droll tunes of the plot the pressure of concrete reality are overshadowed by concerns about the poet's role in social and political realities The later poems include a new theme political concerns and their relationship to the personal life and a new tone revealing tenderness acceptance and celebration ISBN 1 55597 099 0 16 00
