prosody plays in verse translation for the stage more broadly highlighting the implementation of self consciously comic rhyme and conspicuous verse forms in translations of Moliere s work by way of example The book also addresses the question of the interplay between translation and source text in these works and the influence of the stage in overcoming formal infelicities in verse systems that may arise from the process of translation In so doing Ploix considers translations as texts in and of themselves in these works and the translator as a more visible creative agent in shaping the voice of these texts independent of the source material paving the way for similar methods of analysis to be applied to other canonical playwrights work The book will be of particular interest to students and scholars in translation studies adaptation studies and theatre studies

**The Life of Monsieur de Molière** Mikhail Afanasevich Bulgakov,2016-01-15 This portrait of Moli re by Mikhail Bulgakov goes far beyond mere biography The Russian master brings a kindred spirit vividly to life in this novelistic story of art and the struggle it demands Mikhail Bulgakov s *The Life of Monsieur de Moliere* is a fascinating portrait of the great French seventeenth century satirist by one of the great Russian satirists of our own century For Bulgakov Moliere was an alter ego whose destiny seemed to parallel his own As Bulgakov s translator Mirra Ginsburg informs us There is much besides their

craft that links these two men across the centuries Both had a sharp satirical eye and an infinite capacity for capturing the absurd and the comic the mean and the grotesque both had to live and write under autocracies both were fearless and uncompromising in speaking of what they saw evoking storms with each new work and shared what Bulgakov calls the incurable disease of passion for the theater The life of Moliere born Jean Baptiste Poquelin is a story of struggle and dedication and Bulgakov tells it with warmth and compassion Indeed for all Bulgakov s careful attention to historical detail his vivid recreation of seventeenth century France makes The Life of Monsieur de Moliereread more like a novel than a formal biography Mikhail Bulgakov 1891 1949 is best known in the West for his monumental novel The Master and Margarita His The Life of Monsieur de Moliere completed in 1933 was not published until 1962 Mirra Ginsburg s translation of this neglected masterpiece will find a welcome readership among devotees of the theater and of modern Russian literature
