

SLADE (contd)

You're building a ratship, a vessel for seagoing snitches, and if you think you're preparing these minnows for manhood, think again because you're killing the very spirit this institution proclaims it instills. What a performance. The only class in the act is sitting next to me and I'm here to tell you his soul is intact. You know why? Because someone, I'm not going to say who, offered to buy it.

Slade stares at Trask.

SLADE (contd)

However, Charlie wasn't selling.

TRASK

Sir, you're out of order.

SLADE

You don't know what 'out of order' is. I'd show you out of order, but I'm too old, too tired and too blind. If I were the man I was five years ago, I'd put a flame thrower to this place. I've been around, Dean-O, there was a time when I could see, and I've seen arms torn out and legs ripped off but there's nothing like the sight of an amputated spirit -- no prosthetic for that. You think you're merely sending this splendid foot soldier back to Oregon with his tail between his legs. But I say you're executing his soul. And on what rap -- that he's not a Baird man?

Slade surveys the hall. Harry, Trent and Jimmy are all attention, enjoying the drift of Slade's words.

SLADE (contd)

Baird men? You'll be Baird bums. The whole bunch of you. And Harry, Trent and Jimmy, wherever you are out there, fuck you too.

Harry, Trent and Jimmy go white. A rustle around them, even a few suppressed laughs.

TRASK

Stand down, Mr. Slade.

SLADE

I'm not finished. As I came in, I heard the words 'cradle of leadership'. Well, when the bough breaks, the cradle will fall. And it's fallen here.

**Becoming Faulkner** Philip Weinstein, 2010 William Faulkner was the greatest American novelist of the twentieth century yet he lived a life marked by a pervasive sense of failure Throughout his career he remained haunted by his inability to master a series of personal and professional challenges his less than heroic military career the loss of his brother in an airplane crash a disappointing stint as a Hollywood screenwriter and a destructive bout with alcoholism In this imaginative biography Philip Weinstein a leading authority on the great novelist targets Faulkner's embattled sense of self as central to both his life and his work Weinstein shows how Faulkner's troubled interactions with time place and history with antebellum practices and racial division take on their fullest meanings in his fiction Exploring the resonance of his own unpreparedness Faulkner invented a singular language that captured human consciousness under stress as never before *Becoming Faulkner* joins Faulkner's life and art in a bold new way giving readers a full vantage from which to better understand this twentieth century literary genius Weinstein shows how Faulkner's troubled interactions with time place and history with antebellum practices and southern heritage form a pattern that played out over the course of his entire life At the same time these incidents take on their fullest meanings in his fiction It was in meditating on his failures his own unreadiness Weinstein argues that Faulkner came up with his singular language one that captured human consciousness under stress as never before His fruitless striving catapulted American literature to a new level of sophistication Narrating the events that comprised Faulkner's life biographers have long struggled to depict his personal complexity the paradoxes that shaped his decisions and dogged his relationships But without a consideration of the writing as well the troubles in the life fail to reveal their deeper resonance By skillfully analyzing the work while tracing the events Weinstein achieves a full portrait revealing struggles that animate his life and shadows that complicate his work *Becoming Faulkner* thus conjoins Faulkner's life and art in a bold new way giving readers a full vantage from which to better understand this twentieth century literary genius
