Monsters Giants And Little Men From Mars An Unnatural History Of The Americas:

Monsters, Giants, and Little Men from Mars Daniel Cohen,1975 Discusses monsters real and unreal which man believed or still believes inhabit the Americas *Chronicles of the Strange and Uncanny in Florida* Greg Jenkins,2014-10-01 *Chronicles of the Strange and Uncanny in Florida* explores the unknown for those who wish to look beyond the confines of everyday life to discover the truly unusual It explores Florida s darker avenues for evidence of the extraordinary and the fantastic Investigate sightings of flying saucers extraterrestrials and strange aerial phenomena Meet skunk apes chupacabras and other creatures of the night And in Florida s lakes and seas meet aquatic abnormalities like sea monsters the Everglades water serpent and the three toed beast of Clearwater Beach *Castle of Days* Gene Wolfe,1995-03-15 The Washington Post has called Gene Wolfe the finest writer the science fiction world has yet produced This volume *Castle of Days* joins together two of his rarest and most sought after works Gene Wolfe s *Book of Days* and *The Castle of the Otter* and add thirty nine short essays collected here for the first time to fashion a rich and engrossing architecture of wonder At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied **American Myths, Legends, and Tall Tales** Christopher R. Fee,Jeffrey B. Webb,2016-08-29 A fascinating survey of the entire history of tall tales folklore and mythology in the United States from earliest times to the present including stories and myths from the modern era that have become an essential part of contemporary popular culture Folklore has been a part of American culture for as long as humans have inhabited North America and increasingly formed an intrinsic part of American culture as diverse peoples from Europe Africa Asia and Oceania arrived In modern times folklore and tall tales experienced a rejuvenation with the emergence of urban legends and the growing popularity of science fiction and conspiracy theories with mass media such as comic books television and films contributing to the retelling of old myths This multi volume encyclopedia will teach readers the central myths and legends that have formed American culture since its earliest years of settlement Its entries provide a fascinating glimpse into the collective American imagination over the past 400 years through the stories that have shaped it Organized alphabetically the coverage includes Native American creation myths tall tales like George Washington chopping down his father s cherry tree and the adventures of King of the Wild Frontier Davy Crockett through to today s urban myths Each entry explains the myth or legend and its importance and provides detailed information about the people and events involved Each entry also includes a short bibliography that will direct students or interested general readers toward other sources for further investigation Special attention is paid to African American folklore Asian American folklore and the folklore of other traditions that are often overlooked or marginalized in other studies of the topic Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1976 **Anatomy of a Beast** Michael McLeod,2009-06-02 Part history part road trip and part biography this is the true story of a remarkable group of men whose obsession with Bigfoot turned the giant hominid into an American icon Award winning journalist Michael McLeod tells of Bigfoot s rise to tabloid

stardom in a fast paced account that begins with his own journey to investigate a famous 1967 film clip of a Bigfoot in a California forest McLeod proceeds to uncover a trail of clues reaching from the late nineteenth century when a few ambitious imaginative naturalists and explorers synthesized historical and indigenous folklore with Darwinian ideas and speculated that a proto hominid missing link might still be alive in remote areas That speculation would eventually inspire a colorful cast of loggers hunters con artists and businessmen in the twentieth century to create the modern myth of Bigfoot all of them angling for a piece of a monster that the media and the public still can't get enough of Told through vividly narrated interviews and anecdotes Anatomy of a Beast offers a unique perspective on the deep roots of counterfactual thinking and how obsession and myth are created out of it

Storytelling Josepha Sherman, 2015-03-26 Storytelling is an ancient practice known in all civilizations throughout history Characters tales techniques oral traditions motifs and tale types transcend individual cultures elements and names change but the stories are remarkably similar with each rendition highlighting the values and concerns of the host culture Examining the stories and the oral traditions associated with different cultures offers a unique view of practices and traditions Storytelling An Encyclopedia of Mythology and Folklore brings past and present cultures of the world to life through their stories oral traditions and performance styles It combines folklore and mythology traditional arts history literature and festivals to present an overview of world cultures through their liveliest and most fascinating mode of expression This appealing resource includes specific storytelling techniques as well as retellings of stories from various cultures and traditions
