## **Monsters In The Bathroom:**

There's a Monster in My Bathroom Ronnie E. Smith, 2016-05-20 Ever since Nicholas and his family moved into their bigger but much older home he has suspected that the noises coming from his bathroom aren't caused by faulty plumbing or old age but something more menacing Young readers will enjoy this cute adventure and will learn with Nicholas just what really in his bathroom is making all those scary noises There's a Monster in My Bathroom is the very first book in the Monster Mystery Series which is all about cute captivating bedtime stories which are not only intended to entertain young kids between the ages of 4 to 8 but also to help them learn to read or increase reading fluency through the rhyming canter style I'll incorporate into each book Though each story will be monster themed the monsters will be cute and non threatening whether real or imagined
