Beasts of the World Andy McGrath, 2022-01-25 Beasts of the World is a seven part series which seeks to investigate the histories evidence and common theories surrounding the numerous cryptid creatures that have been reported around the globe In Volume 1 Hairy Humanoids we examine the diverse collection of hairy bipedal man like monsters that are believed to inhabit the world's remote and lonely regions and ask the question do they represent a single species or could there be other lesser known varieties of Wildmen yet to be revealed This book seeks to classify some of these distinct kinds and proposes a separation even when two or more types or species appear to be sharing a similar geographic area based upon key physiological and behavioural differences And so we find that the Man Ape Bigfoot of the Pacific Northwest is something quite different to the Wildman Almasti of the Caucasus Mountains and that the Relict Ape known as the Yeti is more akin to the Florida Skunk Ape than the Chinese Yeren Are these mysterious monsters surviving Gigantopithecus extant Neanderthals undiscovered apes hidden tribes or simply folklore and fable repackaged for the modern world Join me as I go in search of these Hairy Humanoids and the many yet to be discovered Beasts of the World

The Enigma of Loch Ness Henry H. Bauer, 2012-05-11 Like UFO's Big Foot and the Bermuda Triangle the Loch Ness monster continues to fascinate us by the persistence of its mystery While many authors have focused

upon the search for Nessie Bauer is the first to present a detailed and balanced look at the history of the controversy surrounding this search Bauer is much more concerned with examining the sociological psychological and philosophical aspects of the Loch Ness controversy than with proving or disproving Nessie's existence He shows that the Nessie phenomenon has much to tell us about how we acquire our beliefs about the nature of the scientific enterprise and about the adversarial relationship between mainstream science and fringe subjects such as Nessie The result of more than a decade of research Bauer's study includes both famous and little known photos and illustrations the most complete bibliography yet compiled on the subject and a list of close to 800 reported sightings Whether you believe in Nessie or laugh at the mere thought of believing you'll find The Enigma of Loch Ness both entertaining and enlightening **Cryptid Awakening** John Kuykendall,2019-02-04 The Loch Ness Monster Bigfoot the Abominable Snowman these are the names of the elusive beasts that have caught the eye and captured the imaginations of people around the world for centuries Recently tales of these monsters have been corroborated by an increase in sightings and out of these legends a new science has been born cryptozoology the study of hidden animals Cryptid Awakening contains nearly two hundred entries including cryptids the name given to these unusual beasts new animal finds and the explorers and scientists who search for them **Encyclopedia of Television Shows** Vincent Terrace,2024-01-30 There were between January 1 2017 and December 31 2022 1 559 television series broadcast on three platforms broadcast TV cable TV and streaming services This book the second supplement to the original Encyclopedia of Television Shows 1925 2010 presents detailed information on each program including storylines casts character and performer years of broadcast trivia facts and network cable or streaming information Along with the traditional network channels and cable services the newest streaming services like Amazon Prime Video and Disney Plus and pioneering streaming services like Netflix and Hulu are covered The book includes a section devoted to reality series and foreign series broadcast in the U S for the first time from 2017 to 2022 a listing of the series broadcast from 2011 through 2016 which are contained in the prior supplement and an index of performers Gangs and Gang Crime Michael Newton,2008 Throughout the history of the United States gangs have existed in one form or another from the violent thugs of old New York to the holdup gangs of the Old West and from Prohibition era bootleggers to modern day street gangs Each type of gang has posed a serious problem for law enforcement authorities Police have developed numerous techniques for identifying gangs tracking their activities breaking up illegal rackets and addressing the social issues that contribute to the formation of gangs Gangs and Gang Crime details the history of criminal gangs and law enforcement efforts to fight them from the nineteenth century to the present a Can You Catch a Swamp Monster? Eric Braun,2022-08 In this interactive chapter book YOU are a reporter for a top ranked mystery podcast and you're out to crack the biggest case yet Do swamp monsters exist To find out you'll investigate some of history's greatest swamp monster mysteries including the Lizard Man the Australian Bunyip and the Honey Island Swamp Monster of Louisiana Will you catch a real life monster or become part of

the legend It s up to YOU With dozens of choices you can follow the clues to the end Which path will YOU CHOOSE to discover the truth Amazon Encyclopedia of Cryptozoology Michael Newton,2016-10-05 On every continent and in every nation animals unrecognized by modern science are reported on a daily basis People passionately pursue these creatures the name given to their field of study is cryptozoology Coined in the 1950s the term literally means the science of hidden animals When the International Society of Cryptozoology ISC was formed in 1982 the founders declared that the branch of science is also concerned with the possible existence of known animals in areas where they are not supposed to occur either now or in the past as well as the unknown persistence of presumed extinct animals to the present time or to the recent past what makes an animal of interest to cryptology is that it is unexpected This reference work presents a flesh and blood view of cryptozoology Here 2 744 entries are listed the majority of which each describe one specific creature or type of creature Other entries cover 742 places where unnamed cryptids are said to appear profiles of 77 groups and 112 individuals who have contributed to the field descriptions of objects and events important to the subject and essays on cryptotourism and hoaxes for example Appendices offer a timeline of zoological discoveries annotated lists of movies and television series with cryptozoological themes a list of crypto fiction titles and a list of Internet websites devoted to cryptozoology North American Monsters David J. Puglia,2022-03-15 Mining a mountain of folklore publications North American Monsters unearths decades of notable monster research Nineteen folkloristic case studies from the last half century examine legendary monsters in their native habitats focusing on ostensibly living creatures bound to specific geographic locales A diverse cast of scholars contemplate these alluring creatures feared and beloved by the communities that host them the Jersey Devil gliding over the Pine Barrens Lieby wriggling through Lake Lieberman Char Man stalking the Ojai Valley and many many more Embracing local stories beliefs and traditions while neither promoting nor debunking North American Monsters aspires to revive scholarly interest in local legendary monsters and creatures and to encourage folkloristic monster legend sleuthing
