Western Film Highlights Henryk Hoffmann, 2015-07-11 Westerns may have had their heyday but they remain popular The greatest films from 1914 when *The Squaw Man* and *The Virginian* were among the genre's best through 2001 when *American Outlaws* and *Texas Rangers* were tops are the subject of this work For each year the author names the outstanding western films in the following categories picture screenplay original and adaptation direction cinematography music male and female leading roles and male and female supporting roles Also for each year the author lists the westerns that received Academy Award nominations and those that won makes note of the births and deaths of notable actors directors producers composers cinematographers authors and other such personalities and describes the genre's significant achievements

The Western Film Review Chuck Lewis, 2004-09-20 With this collection of reviews fans of western movies can enjoy taking another special look at some of our favorites with western author Chuck Lewis as he offers us insight and a unique view of the films we like or even those we don't like We might remember some of them with a nostalgia that doesn't match up with what the movie was all about We think we know the stories or what a good job of acting our heroes did or perhaps gave no thought to the symbolism of the roles they played but maybe Chuck can suggest something different The storylines of these movies are told here in detail and interspersed with appropriate and interesting observations You will definitely learn while being entertained Most of these reviews are written with Chuck's subtle sense of humor but all are informative and surprising at times They offer interesting facts that never occurred to us when we first saw the movie but all are honestly assessed with a bite that only Chuck Lewis can give us Movies reviewed in Volume One *Shane Winchester* 73 *Red River* *Conagher* *Will Penny* **Monte Walsh** *The Naked Spur* *High Noon* *River of No Return* *The Unforgiven* *The Big Country* *Cowboy Stagecoach* *The Wonderful Country* *My Darling Clementine* **Monte Walsh** TV *Jeremiah Johnson* *The Magnificent Seven* *The Wild Bunch* *Tombstone* *Blood on the Moon* *The Searchers* *Colorado Territory* *The Bravados* **Monte Walsh** *Jack*

Schaefer, 1981-01-01 **Monte Walsh** has never met a horse he couldn't ride and *Chet Rollins* has never met one he couldn't rope For a decade they are unbeatable and inseparable working as trail hands throughout the West until finally settling with *Cal Brennan*'s *Slash Y* Their rough cowboy ethics see them through every imaginable challenge blizzards rustlers outlaws and card games gone wrong Partial to pretty women gambling and practical jokes **Monte** is often on the receiving end of trouble while *Chet* is always there to break him out of jail or serve as a decoy until **Monte** can get out of town in a hurry As the West begins to change however the automobile replacing the horse the herds breaking up the two friends part ways *Chet* marries and goes on to become a successful merchant banker and politician but **Monte** unable to imagine anything but the cowboy's way of life refuses to the end to leave the range **Roger Ebert's Four Star Reviews--1967-2007** *Roger*

Waiting for Zoë James R. Ament,2013-09-17 A sweeping novel of love and loss city and country growing old and staying young Waiting for Zo is a thoughtful look at the ability of grown men and young women to confront change and absorb life s most challenging moments writes Mark Stevens author of Antler Dust An Allison Coil Mystery Waiting for Zo is a genre bending character driven mainstream novel that explores a person s ability to endure in the face of tragedy and love James R Ament says It s a love story but it s not a romance There are underlying religious themes but it s not a philosophical book There s a little political commentary here and there but it s not about politics It explores some very

serious themes but there are light moments and humor too Set in Wyoming Colorado New York City and Southern California it makes the reader ask the hard question who is in charge of creating ourselves Ament says I had this story in mind about a young person who apparently has everything going for her but then her life falls apart The question is Does she get it back And if so how And from writer Stephen Knapp Evergreen Newspapers The characters are sharply defined and appealing and the dialogue flows smoothly and moves the narrative along at a comfortable pace The settings and situations are neither contrived nor trite and the conflicts are at once challenging and accessible In short there s nothing within Waiting for Zo that marks its author as a newcomer to the literary stage Reprinted with permission of Evergreen Newspapers **I Gotta Tell You** Matthew Wayne Seeger,1994 The book concludes with speeches delivered on special occasions such as commencements and the celebration of the Statue of Liberty when Iacocca donned the role of celebrity and statesman Dennis Schaefer,Larry Salvato,1985-12-23 Fifteen top cinematographers discuss their approaches to filmmaking the films on which they have worked and the techniques they have used to solve specific problems *The Sagebrush Trail* Richard Aquila,2015-04-16 The Sagebrush Trail is a history of Western movies but also a history of twentieth century America Richard Aquila s fast paced narrative covers both the silent and sound eras and includes classic westerns such as Stagecoach A Fistful of Dollars and Unforgiven as well as B Westerns that starred film cowboys like Tom Mix Gene Autry and Hopalong Cassidy The book is divided into three parts Part 1 traces the birth and growth of Westerns from 1900 through the end of World War II Part 2 focuses on a transitional period in Western movie history during the two decades following World War II Finally part 3 shows how Western movies reflected the rapid political social and cultural changes that transformed America in the 1960s and the last decades of the twentieth century The Sagebrush Trail explains how Westerns evolved throughout the twentieth century in response to changing times and it provides new evidence and fresh interpretations about both Westerns and American history These films offer perspectives on the past that historians might otherwise miss They reveal how Americans reacted to political and social movements war and cultural change The result is the definitive story of Western movies which contributes to our understanding of not just movie history but also the mythic West and American history Because of its subject matter and unique approach that blends movies and history The Sagebrush Trail should appeal to anyone interested in Western movies pop culture the American West and recent American history and culture The mythic West beckons but eludes Yet glimpses of its utopian potential can always be found even if just for a few hours in the realm of Western movies There on the silver screen the mythic West continues to ride tall in the saddle along a sagebrush trail that reveals valuable clues about American life and thought **Lee Marvin** Dwayne Epstein,2013-01-01 The first full length authoritative and detailed story of the iconic actor s life to go beyond the Hollywood scandal sheet reporting of earlier books this account offers an appreciation for the man and his acting career and the classic films he starred in painting a portrait of an individual who took great risks in his acting and career Although Lee Marvin is best known for his icy tough guy roles

such as his chilling titular villain in *The Man Who Shot Liberty Valance* or the paternal yet brutally realistic platoon leader in *The Big Red One* very little is known of his personal life his family background his experiences in WWII his relationship with his father family friends wives and his ongoing battles with alcoholism rage and depression occasioned by his postwar PTSD Now after years of researching and compiling interviews with family members friends and colleagues rare photographs and illustrative material Hollywood writer Dwayne Epstein provides a full understanding and appreciation of this acting titan's place in the Hollywood pantheon in spite of his very real and human struggles
