Carlson, the Las Vegas Valley's biggest fan of hard rock and heavy metal. Each band has a band member list, discography, recommendations and a band biography. Information has been pulled from the author's extensive personal notes and interviews with band members and fellow fans and experts. The book is printed in black and white and the emphasis is more on information; this is an encyclopedia, not a coffee table book. However, the book features extensive photographs from David Plastik, a legendary photographer of the era, as well as other contributors. The newest edition of the book features some minor revisions and some photos have been added.
